PREFACE

Rotary Code of Policies

HISTORY AND PURPOSE

This volume constitutes the first known codification of the general and permanent policies of Rotary International. The decisions of the RI Board, the RI Conventions, and the RI Councils on Legislation in establishing such policies have been collected and compiled since 1910, but without any systematic arrangement. Thousands of decisions were reviewed in preparing this Code, and many were found to be duplicative or outdated. However, several hundred were found to still be in effect, and they are set forth in the Code.

The purpose of the Code is to place all general and permanent policies of the RI Board, the RI Conventions, and the RI Councils on Legislation, which are currently in effect, into an integrated and comprehensive volume with the topics arranged in logical order and with consistent language. The existence of such a code will make it easier for members of the Board, and those charged with the responsibility to administer the policies, to be familiar with all general and permanent policies currently in force, regardless of the dates of their adoption. This inaugural Code of Policies is expected to provide an important source of information for Rotary leaders.

INITIAL STEP

This first version of the Code is limited to a compilation of general and permanent policies currently in effect. It is recognized that some areas still need the development of policies and that some of the policies shown in the Code need restatement. Therefore, it is contemplated that the various chapters will be revised and supplemented, as time permits, in order to perfect and refine the Code as a comprehensive document. It is hoped that at least one of chapters can be revised and supplemented each year for the next several years until the Code is improved to the point of optimum usefulness. The goal is to make the Code a practical and helpful document, which will serve as a model for Rotary clubs and districts.

ARRANGEMENT

Each chapter in the Code is intended to represent a separate subject, and each article is intended to represent a separate topic, as indicated by the titles. The chapters are numbered consecutively and are arranged in logical order for easy reference. A listing of the articles within the chapters is shown at the beginning of each chapter, and a listing of the sections within the articles is shown at the beginning of each article. If new articles become necessary between the issuance of revised editions of the Code, then such articles may be inserted in the appropriate location with an "A" following the number of the new article. For example, "Article 2A" may be added between Article 2 and Article 3. Space also has been left at the end of each chapter for additional articles as needed. For example, Chapter II ends with Article 12 and Chapter III begins with Article 16.

NUMBERING

The Code utilizes the numbering system used in the RI Bylaws, and the sections are numbered progressively with Arabic numerals. A progressive rather than consecutive system is used in order to provide space for the insertion of additional sections within the articles to accommodate new policies in the future. Generally, the sections are numbered progressively by tens. For example, in Article 5 the first three sections are numbered 5.010, 5.020, and 5.030. New sections, as necessary, may be inserted between existing sections without changing any of the current numbers. For example, a new section between 5.010 and 5.020 could be 5.015 or any other number between 5.010 and 5.020, which illustrates the flexibility in the general numbering system.

Each section number also carries the number of the article in which it is found. The article number and the section number are separated by a decimal point. When it is recognized that the number to the left of the decimal point is the article number, and the number to the right of the decimal point is the section number within that article, the system is easily comprehended and utilized. For example, Section 7.050 means Section 50 in Article 7.

ANNOTATIONS

Annotations for development of the various sections of the Code are shown at the end of the sections. Initially, all of the sections will show an adoption date of June, 1998, which will be noted as "June 1998 Mtg., Bd. Dec. 348." As the policies are amended, the sections will show

the dates and decision numbers of the applicable amendments. For example, if a section is amended by Board Decision 123 on October 30, 2001, the following notation will appear at the end of the amended section: “Oct. 2001 Mtg., Bd. Dec. 123.”

The “Source” notes at the end of the sections also show the historical development of the policies prior to adoption of the Code. “Cross reference” notes also are shown at the end of some of the sections to refer the reader to other sections of the Code for related topics. “Exhibit” notes also appear at the end of some sections to call attention to related documents in the exhibits portion of the Code.

INDEX

An index for the Code follows the last chapter. Index entries are arranged in alphabetical sequence and have been made as concise as possible to enable rapid scanning of the index.

AMENDMENTS AND NEW POLICIES

The RI Board will adopt new policies and amend existing policies in its regular course of business. In the case of amendments, the sections of the Code being amended will be referenced in the actions of the Board. In the case of new policies, the placement of the new policies in the Code will be referenced in the actions of the Board.

ANNUAL SUPPLEMENTS

Annual supplements will be prepared and distributed to show the changes in the Code through the close of the last fiscal year. The supplements will be cumulative for the period of time from the adoption of the Code, or its latest edition, to the end of the applicable fiscal year. Making the annual supplements cumulative in nature means that each copy of the Code will need to contain only the latest supplement in order to be current. The annual supplements may be organized for placement either as one insertion at the front or back of the Code or as separate insertions at the end of the various articles of the Code.

REVISED EDITIONS

The Code will need to be revised periodically in order to incorporate the amendments and additions into the body of the Code itself rather than relying upon the cumulative annual supplements for a period of many years. It is expected that the Code will be revised after each meeting of the Council on Legislation.

ACKNOWLEDGMENTS

The Code has been prepared by members of the RI staff and the Codification Committee over a period of two years without the expense of consultants or contractors, except for some initial work by an outside company in the late 1980's when the Code was first proposed.

1.010. Purpose

The purpose of this *Rotary Code of Policies* is to establish a comprehensive document containing all of the general and permanent policies of Rotary International. All policies of a general and permanent nature adopted by the RI Board or the RI Council on Legislation after the effective date of this *Rotary Code of Policies* will be added to the Code in order for it to remain a single collection of such policies. (*June 1998 Mtg., Bd. Dec. 348*)

1.020. Citation

The policies contained in this *Rotary Code of Policies* shall constitute and be designated the *Rotary Code of Policies* and may be so cited. Such policies may also be cited simply as the "Code of Policies" or the "Code." Revised editions, as prepared and authenticated from time to time in accordance with this article, shall be designated by listing the year of the revision and adding the word "revised" to the title. For example, a revised edition of the Code in 2002 would be designated as the "2002 Revised Code of Rotary Policies." Such a revised edition also may be cited simply as the "2002 Revised Code" or the "2002 Code." (*June 1998 Mtg., Bd. Dec. 348*)

1.030. Rules of Construction

All general provisions, terms, phrases and expressions contained in this Code are to be construed in a manner that allows for the implementation of policies. Words and phrases are to be taken in their plain or usual sense, but technical words and phrases having a particular or appropriate meaning in law or in the constitutional documents are to be understood according to their technical import. As used in this Code, the words "shall," "is," and "are" are mandatory, and the words "may" and "should" are permissive. (*June 1998 Mtg., Bd. Dec. 348*)

1.040. Definitions

In the construction of this Code, the following definitions are to be observed unless the context clearly requires otherwise:

- 1) **Board:** The Board of Directors of Rotary International.
- 2) **Club:** A Rotary club.
- 3) **Code or Code of Policies:** The *Rotary Code of Policies* as contained in this article and the other articles of this document.

1.050. Relationship to the Constitutional Documents

This Code is supplemental to the constitutional documents and should be construed in harmony with them. In the event of a conflict between the provisions of the constitutional documents and the provisions of this Code, the constitutional documents take precedence and thereby modify the conflicting provisions of the Code. (*June 1998 Mtg., Bd. Dec. 348*)

1.060. Severability

The chapters, articles, sections, and subsections of this Code are severable. If any chapter, article, section, or subsection of this Code is declared invalid by the judgment of any court or other agency of competent jurisdiction, such invalidity shall not affect any of the remaining chapters, articles, sections, or subsections of this Code. If any part of this Code is declared invalid by any court or agency of competent jurisdiction, it shall be invalid only within the jurisdiction of such court or agency. (*June 1998 Mtg., Bd. Dec. 348*)

1.070. Repeal of Policies

When an action repealing a former policy is itself repealed or rescinded, such repeal or rescission shall not be construed to revive the former policy, unless such policy is expressly reinstated. (*June 1998 Mtg., Bd. Dec. 348*)

1.080. Implementation of Policies

Unless noted to the contrary in a particular provision, the general secretary shall have both the duty and the authority to implement the policies set forth in this Code. For that purpose, the general secretary may prepare and approve policies, procedures, guidelines, rules, schedules and other documents to implement the policies. The general secretary also may delegate authority for the implementation of various policies to one or more members of the staff, either by name or title. (*June 1998 Mtg., Bd. Dec. 348*)

1.090. Amendments

Amendments to this Code may be made through action of a Council, in accordance with the provisions of the constitutional documents for actions by the Council. Amendments to the Code also may be made by the Board, in accordance with the constitutional documents for actions by the Board. Amendments made by a Council shall become effective on 1 July following the action, subject to the limitations of the constitutional documents. All other amendments shall become effective upon their adoption by the Board, unless a later date is specified in such action. When appropriate, the Board will delay the effective date of amendments to the Code in order to provide adequate notice of the changes or additions to the policies.

When amending this Code, the Board shall endeavor to specify the chapter, article, section, or subsection being amended or to designate the place in the Code for the new policies to be inserted. Failure to make such references shall not affect the validity of actions by the Board to adopt new or different policies. The general secretary has the duty and authority to make technical corrections in the amendments adopted by the Board and to incorporate such corrections into the Code. Such corrections, if any, shall be reported to the Board at its next meeting. (*June 1998 Mtg., Bd. Dec. 348; February 2000 Mtg., Bd. Dec. 275; August 2000 Mtg., Bd. Dec. 42*)

1.100. Annual Supplements

This Code shall be updated by the general secretary after each board meeting. An annual cumulative supplement to this Code shall be prepared by the general secretary following the end of each Rotary year. Such cumulative supplements shall contain all amendments to the Code, and all other changes or additions of general and permanent policies, since the Code's adoption or its last revision. (*June 1998 Mtg., Bd. Dec. 348*)

1.110. Revised Editions

Revised editions of this Code shall be prepared by the general secretary from time-to-time, but not less than once every four years. Revised editions shall merge the Code (or the latest revised edition), the latest cumulative annual supplement and any subsequent amendments of the Code, and all other changes or additions of general and permanent policies, into a single integrated document. Revised editions of the Code will bear the year of publication as part of the title, such as the 2001 Revised Code of Rotary Policies. Revised editions, when duly prepared and authenticated, will replace earlier editions of the Code. When a revised edition of the Code is prepared and authenticated, the revised edition shall be presented to the Board at a regular meeting, and its receipt shall be noted in the minutes.

The new edition of the Code will become effective at the time of such presentation to the Board with the proviso that any policies inadvertently omitted or altered in their transfer from the previous edition of the Code to the new edition will remain effective as stated in the earlier edition for six-months. During the six-month period after its presentation to the Board, the new edition may be corrected by the general secretary to reflect accurately the transfer of policies from the previous edition, and such corrections shall be reported to the Board at its next meeting. After the expiration of the six month period, the new edition will become as fully effective as if adopted in toto by the Board, and the text of the policies in such revised edition may not be changed thereafter except by action of the Board. (*June 1998 Mtg., Bd. Dec. 348*)

1.120. Authentication

2.010. Membership of Clubs in RI

RI is an association of member Rotary clubs, each of which has a direct relationship and common responsibility to the association with no national or other grouping of clubs intervening in the administration and functioning of the clubs as members of RI. Every member club of RI is expected to comply with the provisions of the constitutional documents which provide for the organizational structure and functioning of the club. (*June 1998 Mtg., Bd. Dec. 348*)

2.010.1. Failure to Function

In accordance with the RI Bylaws, the RI Board is responsible for ensuring that all member clubs of the association are functioning, and defines a functioning club as

1. Having paid its per capita dues to Rotary International
2. Meeting regularly consistent with RI constitutional documents

3. Ensuring that its members subscribe to a Rotary World Magazine Press magazine
4. Implementing service projects that address needs in the local community and/or in communities in other countries
5. Receiving the visit of the governor, assistant governor, or an officer of Rotary International
6. Maintaining appropriate general liability and directors and officers/employment practices liability insurance as provided in section 72.050. of this Code
7. Acting in a manner consistent with the RI constitution, bylaws, and the *Rotary Code of Policies*
8. Paying its RI membership and district dues without outside assistance
9. Providing accurate membership lists on a timely basis to the general secretary
10. Resolving club disputes in an amicable manner
11. Maintaining cooperative relations with the district
12. Cooperating with RI by not initiating or maintaining litigation against Rotary International, The Rotary Foundation, employees, the associate foundations and the international offices of the RI Secretariat
13. Following and completing the election review process established in the RI bylaws

Each governor shall identify which clubs in the district are failing to function according to the above criteria. Rotary senior leaders are also encouraged to report any observations that suggest that a club has failed to function. (*October 2013 Mtg., Bd. Dec. 31*)

2.010.2. Plan For Achieving Minimum Standards In All Rotary Clubs

1. Creating Opportunities for Clubs to Become Functioning

The governor will make appropriate arrangements to strengthen clubs identified as weak so they are able to fulfill the minimum standards established by the Board.

2. Addressing Clubs That Are Not Functioning

If a club elects not to participate in the strengthening opportunities offered by the district governor, the governor will work with the club to identify an appropriate course of action from the following options:

- a) Resignation – After careful consideration, in consultation with the governor, the club members agree to resign the membership of their club in accordance with club resignation board policy. The governor will provide the names of interested Rotarians to nearby clubs.
- b) Merger – In consultation with the governor, the club and all of its members will consolidate with a nearby club. Neighboring clubs with fewer than 20 members are encouraged to merge.
- c) Termination – The governor notifies the general secretary that a club is not able to meet the minimum standards for a functioning club. The general secretary notifies the club of the governor’s recommendation and asks for its response within a reasonable timeframe. If the club doesn’t respond or if the club’s response indicates that minimum standards cannot be achieved, the club is terminated for failure to function. (*October 2013 Mtg., Bd. Dec. 31*)

2.010.3. Resignation of Rotary Clubs

In accordance with RI Bylaws section 3.010., Club Resignation from RI, a club wishing to resign its membership in the association may follow these general guidelines:

With advance notice, convene a meeting of the entire membership and vote to decide if the club should resign its membership in Rotary International.

If a majority of the members present votes to resign the club’s membership, the club’s president and secretary should send a written communication to the district governor and the general secretary summarizing the club’s vote and indicating the final date that the club will operate.

Care should be taken to follow all applicable local laws and stewardship requirements regarding the termination of a non-profit organization.

If the club has incorporated itself, and/or if it has incorporated an activity of the club, applicable laws and the articles of incorporation should be followed, especially concerning the disposition of assets.

The district should assist remaining members in locating other Rotary clubs if they express a desire to continue their Rotary membership. (*October 2013 Mtg., Bd. Dec. 31*)

2.050. Incorporation of Clubs

A club may incorporate so long as the club includes within the articles of incorporation a phrase reciting the allegiance to and submission of the club to the constitutional documents of RI as now existent and as may hereafter be amended.

The articles of incorporation must contain such additional statements and declarations as may be required by the laws where the corporation is incorporated. 2.090.3. Sexual Abuse and Harassment Prevention

All Rotarians, clubs and districts should follow the statement of conduct for working with youth and RI guidelines for abuse and harassment prevention established by the general secretary. The guidelines include the following requirements:

1. RI has a zero-tolerance policy against abuse and harassment.
2. An independent and thorough investigation must be made into any claims of sexual abuse or harassment.
3. Any adult involved in a Rotary youth program against whom an allegation of sexual abuse or harassment is made must be removed from all contact with youth until the matter is resolved.
4. Any allegation of abuse must be immediately reported to the appropriate law enforcement agency, in accordance with RI's zero-tolerance policy.
5. A club must terminate the membership of any Rotarian who admits to, is convicted of or is otherwise found to have engaged in sexual abuse or harassment. A non-Rotarian who admits to, is convicted of, or is otherwise found to have engaged in sexual abuse or harassment must be prohibited from working with youth in a Rotary context. A club may not grant membership to a person who is known to have engaged in sexual abuse or harassment. (Upon obtaining information that a club has knowingly failed to terminate the membership of such a Rotarian, the RI Board will take steps to have the Rotarian's membership terminated, including action to terminate the club's charter for failure to comply).
6. If an investigation into a claim of sexual abuse or harassment is inconclusive, then, for the safety of youth participants and the protection of the accused, additional safeguards must be put in place to assure the protection of any youth with whom the individual may have future contact. If there are subsequent claims of sexual abuse or harassment, the adult shall be permanently prohibited from working with youth in a Rotary context. Regardless of criminal or civil guilt, the continued presence of the adult could be detrimental to the reputation of the organization and could be harmful to youth. It can also benefit the adult in preventing additional accusations from other youth. A person who is accused but later cleared of charges, may apply to be reinstated to participate in youth programs. Reinstatement is not a right, and no guarantee is made that he or she will be reinstated to his or her former position. (*November 2006 Mtg., Bd. Dec. 72*)

With the exception of travel and tours operated by or on behalf of host districts, Youth Exchange travel is subject to the policies outlined in Rotary Code of Policies 41.060.11.

Clubs and districts:

1. shall obtain written permission from the parents or guardians of all youth participants for travel outside the local community in advance;
2. shall provide parents or legal guardians with specific details about the program, location of event, travel itineraries, sleeping accommodations, and contact information for program organizers before departure;
3. should, when traveling 150 miles away from home residence or out of home country, require the parents or legal guardians of each minor to provide travel insurance for the minor, which includes such coverages as medical (when traveling outside home country), emergency medical evacuation, repatriation of remains, and legal liability, in amounts satisfactory to the club or district organizing the activity or event, with coverage from the time of the minor's departure from home until the return home.

2.100.2. Regional Election Complaint Pilot Project

The RI Board has adopted the following regional election complaint pilot project for clubs in zones 4, 5, and 6, effective for district-level elections conducted after 1 July 2010.

1. Each year, the RI president will appoint a panel of three Rotarians recommended by the current director(s) in each of zones 4, 5, and 6 to comprise a Zone-level Election Complaint Panel (“panel”) for that zone. Panel members should be past RI officers or Rotarians with expertise and experience in an appropriate field, such as law or the judiciary. Should any member be unavailable to serve on the panel for any reason, the RI president shall appoint additional members as needed. Names of the panel members may be kept confidential and be known only to the RI Board upon request.
2. All election complaints concerning district-level elections (e.g., governor, Council on Legislation representative, membership on the zone nominating committee for director) received from clubs in these zones, together with written responses from all parties to the complaint, shall upon receipt be referred by the general secretary to a panel from a zone other than that of the complaining club, as determined by the RI president.
3. A complaint may be filed at any time during the election process and must be accompanied by the cash bond required by *Rotary Code of Policies* 26.100.3. (currently US\$1,000). This bond shall be retained by RI until the resolution of the complaint by the panel.
4. Before being referred to a panel, a complaint must also meet all the requirements of RI bylaws section 10.070.1., including the requirement that it have the concurrence of at least five other clubs or a current officer (governor or director) of RI.
5. The panel will meet via correspondence and review the complaint and all documentation submitted by the parties to the complaint. The final decision of the panel must have the support of no fewer than two members of the panel. The panel may take any action it deems fair and just, including disqualifying any candidates from participating in the election or holding the office sought.
6. All decisions of the panel shall be submitted in writing to the general secretary no later than 15 days after receipt of all documentation by the panel. If the panel is unable to reach a decision, the complaint will be administered in accordance with the Board’s election complaint procedures found in *Rotary Code of Policies* section 26.100.
7. The general secretary will notify the parties of the panel’s decision upon receipt of the panel’s report. If the panel’s decision is to uphold the complaint, the general secretary will refund the cash bond submitted with the complaint.
8. The general secretary shall report all decisions of the panel to the RI Board at its next regularly scheduled meeting.

9. The club filing the complaint may appeal the decision of the panel to the RI Board no later than 21 days after the decision of the panel is communicated by the general secretary. All such appeals will be treated as election complaints and resolved in accordance with the Board's election complaint procedures found in *Rotary Code of Policies* section 26.100.

10. All appeals must be accompanied by an additional cash bond payable to RI of US\$3000. This amount will be refunded only if the appeal is upheld by the RI Board.

11. Unless otherwise stated, all existing deadlines and procedures in the RI bylaws and *Rotary Code of Policies*, including those found in RI bylaws section 10.070.1., are still in effect for clubs in this pilot project.

12. The RI Board reserves the right to seek clarification from or void any decision of the zone-level election complaint panel.

13. The pilot shall be effective for complaints concerning elections conducted between 1 July 2010 and 30 June 2016. It shall not apply to complaints filed in elections concerning the offices of RI director or RI president. (*June 2013 Mtg., Bd. Dec. 207*)

8.030. Basic Principles of Vocational Service

8.030.1. Statement on Vocational Service

Vocational Service is the manner in which Rotary fosters and supports the application of the ideal of service in the pursuit of all vocations.

The second Object of Rotary is the basis for vocational service, specifically, encouraging and fostering:

- high ethical standards in business and professions;
- the recognition of the worthiness of all useful occupations;
- the dignifying of each Rotarian’s occupation as an opportunity to serve society.

Inherent in the vocational service ideals expressed above are:

- 1) Faithfulness and fidelity to employers, employees and associates, fair treatment of them and of competitors, the public, and all those with whom one has any business or professional relationships;
- 2) The contribution of one's vocational talents to the problems and needs of society.

Vocational service is both the responsibility of a club and of its members. The role of the club is to implement and encourage the objective by frequent demonstration, by application to its own actions, by example and by development of projects that help members contribute their vocational talents. The role of the members is to conduct themselves, their businesses, and their professions in accordance with Rotary principles and to respond to projects which the club has developed. 8.040. Basic Principles of Community Service

8.040.1. 1923 Statement on Community Service

Community Service is to encourage and foster the application of the ideal of service in each Rotarian's personal, business and community life.

In carrying out this application of the ideal of service, many clubs have developed various Community Service activities as affording opportunities for service by their members. For the guidance of Rotarians and Rotary clubs and to formulate a policy for Rotary toward Community Service activities, the following principles are recognized and accepted as sound and controlling:

1) Fundamentally, Rotary is a philosophy of life that undertakes to reconcile the ever present conflict between the desire to profit for one's self and the duty and consequent impulse to serve others. This philosophy is the philosophy of service - "Service Above Self" - and is based on the practical ethical principle that "One profits most who serves best."

2) Primarily, a Rotary club is a group of representative business and professional people and community leaders who have accepted the Rotary philosophy of service and are seeking:

First, to study collectively the theory of service as the true basis of success and happiness in business and in life; and second, to give, collectively, practical demonstrations of it to themselves and their community; and third, each as an individual, to translate its theory into practice in business and in everyday life; and fourth, individually and collectively, by active precept and example, to stimulate its acceptance both in theory and practice by all non-Rotarians as well as by all Rotarians;

3) RI is an organization that exists:

- a) for the protection, development and worldwide propagation of the Rotary ideal of service;
 - b) for the establishment, encouragement, assistance and administrative supervision of Rotary clubs;
 - c) as a clearinghouse for the study of their problems and, by helpful suggestion but not compulsion, for the standardization of their practices and of such Community Service activities, and only such Community Service activities, as have already been widely demonstrated by many clubs as worthwhile and as are within, and will not tend to obscure, the Object of Rotary as set out in the RI Constitution.
- 4) Because they who serve must act, Rotary is not merely a state of mind, nor Rotary philosophy merely subjective, but must translate itself into objective activity; and the individual Rotarian and the Rotary club must put the theory of service into practice. Accordingly, corporate action by Rotary clubs is recommended under the safeguards provided herein. It is desirable that every Rotary club sponsor a major Community Service activity each fiscal year, varied from year to year if possible before the end of the fiscal year. This activity is to be based upon a real community need and should require the collective cooperation of all its members. This is to be in addition to the club's continuing its program for the stimulation of the club members to individual service within the community.
- 5) Each individual Rotary club has absolute autonomy in the selection of such Community Service activities as appeal to it and as are suited to its community; but no club should allow any Community Service to obscure the Object of Rotary or jeopardize the primary purpose for which a Rotary club is organized; and RI, although it may study, standardize and develop such activities as are general and make helpful suggestions regarding them, should never proscribe any Community Service activity for any club.
- 6) Although regulations are not prescribed for an individual Rotary club in the selection of Community Service activities, the following rules are suggested for its guidance:
- a) Because of the limited membership of Rotary, only in a community where there is no adequate civic or other organization in a position to speak and act for the whole community should a Rotary club engage in a general Community Service activity that requires for its success the active support of the entire citizenship of the community, and where a chamber of commerce exists, a Rotary club should not trespass upon or assume its functions, but Rotarians, as individuals committed to and trained in the principle of service, should be members of and active in their chambers of commerce and as citizens of their community should, along with all other good citizens, be interested in every general Community Service activity, and, as far as their abilities permit, do their part in money and service;
 - b) As a general matter, no Rotary club should endorse any project, no matter how meritorious, unless the club is prepared and willing to assume all or part of the responsibility for the accomplishment of that which it endorses;

- c) While publicity should not be the primary goal of a Rotary club selecting an activity, as a means of extending Rotary's influence, proper publicity should be given to a worthwhile club project well carried out;
- d) A Rotary club should avoid duplication of effort and in general should not engage in an activity that is already being well handled by some other agency;
- e) A Rotary club in its activities should preferably cooperate with existing agencies, but where necessary may create new agencies where the facilities of the existing agencies are insufficient to accomplish its purpose. It is better for a Rotary club to improve an existing agency than to create a new and duplicative agency;
- f) In all its activities a Rotary club acts best and is most successful as a propagandist. A Rotary club discovers a need but, where the responsibility is that of the entire community, does not seek alone to remedy it but to awaken others to the necessity of the remedy, seeking to arouse the community to its responsibility so that this responsibility may be placed not on Rotary alone but on the entire community where it belongs; and while Rotary may initiate and lead in the work, it should endeavor to secure the cooperation of all other organizations that ought to be interested and should seek to give them full credit, even minimizing the credit to which the Rotary club itself is entitled;
- g) Activities which enlist the individual efforts of all Rotarians generally are more in accord with the genius of Rotary than those requiring only the mass action of the club, because the Community Service activities of the Rotary club should be regarded only as laboratory experiments designed to train members of a Rotary club in service. 8.040.2. 1992 Statement on Community Service

Rotary Community Service encourages and fosters the application of the ideal of service to the personal, business and community life of every Rotarian. In carrying out this application of the ideal of service, a variety of activities developed by Rotary clubs have afforded significant opportunities for service by their members. For the guidance of Rotarians and to formulate a policy for Rotary toward Community Service activities, the following principles are recognized:

Community Service is an opportunity for every Rotarian to exemplify "Service Above Self." It is the commitment and social responsibility of every Rotarian and Rotary club to improve the quality of life for those who live in the community and to serve the public interest.

In this spirit, clubs are encouraged to:

- 1) review regularly service opportunities within their communities and involve each club member in an assessment of community needs
- 2) capitalize on the unique vocational and avocational talents of members in implementing their Community Service projects

- 3) initiate projects in accordance with the needs of the community and commensurate with the club's standing and potential in the community, recognizing that every Community Service activity, however small, is important
- 4) work closely with the Interact clubs, Rotaract clubs, Rotary Community Corps, and other groups which they sponsor in order to coordinate Community Service efforts
- 5) identify opportunities to enhance Community Service projects through Rotary programs and activities at the international level
- 6) involve the community, when desirable and feasible, in implementing Community Service projects, including the provision of required resources
- 7) cooperate with other organizations in accordance with RI policy, to achieve Community Service objectives
- 8) achieve proper public recognition for their Community Service projects
- 9) act as catalysts to encourage other organizations to work together in Community Service efforts
- 10) transfer responsibility for continuing projects, when appropriate, to community, service, or other organizations so that the Rotary club can become involved in new projects

As an association of clubs, RI has the responsibility to communicate news of Community Service needs and activities, and from time to time suggest programs or projects which advance the Object of Rotary and which would benefit from the concerted efforts of Rotarians, clubs and districts who wish to participate. 8.040.4. Participation in Community Service Activities by Clubs and Districts

As a basis for effective Community Service, all club presidents are encouraged to appoint Rotarians to serve on Community Service subcommittees, as needed, within the following groups: Human Development, Community Development, Environmental Protection, and Partners in Service. These subcommittees are urged to:

1. ascertain community needs by comprehensive survey and analysis of the particular relative circumstances in their respective localities;

2. encourage individual club members to supplement and strengthen such survey and analysis by exploring the locality of the club in their personal and vocational capacities for the purpose of discovering community needs;
3. meet with other community organizations for discussion and exchange of ideas where such meetings can be undertaken in harmony with established policy;
4. include as a factor in considering prospective members, their demonstrated active interest in and familiarity with community needs. (*November 2004 Mtg., Bd. Dec. 59*)

8.050. Basic Principles of Youth Service

Rotary International's Fifth Avenue, Youth Service, acknowledges the importance Rotary places on younger generations. It is through service to them, to their future and also to mankind itself that we, as Rotarians, strive to offer a variety of tools that may help the younger generations to master the challenges of the times to come. Combining the different programs and service projects for younger generations in one avenue should lead to a stronger approach and to more encouragement for clubs and districts to be fully engaged in this valuable cause.

Inherent in Youth Service are

1. The promotion of high ethical standards and ethical decision-making among all young persons
2. The understanding and recognition of the needs, desires and concerns pertinent to young persons
3. The provision of opportunities for younger generations through establishment of local programs
4. The encouragement of participation by young persons in the humanitarian, leadership and educational programs offered by Rotary International (*October 2013 Mtg., Bd. Dec. 31*)

8.050.1. Rotary's Vision and Philosophy for New Generations Programs

Rotary New Generations programs are an investment in the future—the future of our families, the future of our communities, and the future of Rotary.

Through Rotary's New Generations programs, Rotarians share the ideals and traditions of Rotary with the next generation, including:

- Friendship within the Family of Rotary
- Service to our communities and the global community
- Understanding of all people, their cultures, and their ways of life which creates the foundation for world peace
- Respect for all worthy vocations
- The value of the Four-Way Test as a guide for ethical decision-making
- Progressive leadership opportunities to foster a sense of investment in the future of Rotary

With the help of various programs and continuous interaction with young people, Rotary can glimpse our future—through the vision, hopes, and expectations of the world's future leaders. (*October 2012 Mtg., Bd. Dec. 95*)

8.050.2. Guiding Principles for Rotary's Partnerships with New Generations

As Rotarians, we

- Welcome New Generations participants as full partners in Rotary service, offering positive cooperation and progressive responsibility as they develop leadership skills through Rotary's New Generations programs
- Encourage Rotaract and Interact clubs to work together in cooperative activities and projects
- Encourage and help facilitate the transition of Interactors and Rotaractors to the next level of New Generations programs and to Rotary
- Encourage and help facilitate the transition of Rotary alumni to membership in Rotary
- Encourage talented young people to take part in Youth Exchange and RYLA programs, support Interact and Rotaract activities and keep contact with the Family of Rotary
- Ensure the safety of New Generations participants, protecting them from physical, sexual, and emotional harm
- Encourage outcomes for New Generations programs to measure success and continually improve our programs
- Invite New Generations program participants to share their experience with relevant RI committees
- Help New Generations program participants tell their stories to their communities and within the world community
- Maintain contact with New Generations participants to connect them with meaningful Rotary experiences at every stage of life

It is the responsibility of each Rotarian to prepare the New Generations - all people from birth to young adult - by improving their life skills to ensure a better future, while recognizing the diversity of their needs. All clubs and districts are encouraged to undertake projects that support the fundamental needs of the New Generations: health, human values, education, and self-development.

The foundation for effective New Generations partnerships lies in the opportunities for young people and Rotarians to work side by side in friendship in the service of humanity. *(October 2012 Mtg., Bd. Dec. 95)*

8.050.3. Youth Conferences and Meetings

Districts should conduct local- and district-level conferences for Interactors and other young people, and meetings for Rotarians and other adults focusing on youth issues.

At the community level, clubs should be encouraged to provide a forum for youth and young adults to share with leaders of the community their concerns; express their hopes, dreams and ambitions; seek solutions to problems that can beset them and the communities in which they live, and offer services through which Rotarians can assist in providing these solutions. *(June 2013 Mtg., Bd. 9.050.6. Adverse Public Relations

Every club should take positive steps to prevent or correct any attitudes within its community or conditions within the club that may harm Rotary's reputation and limit its effectiveness. 11.020.6. Guidelines for Use of Rotary Marks by Rotary Clubs, Rotary Districts and Other Rotary Entities for Sponsorship and Cooperative Relationship Purposes

1. These Guidelines govern the use of the Rotary Marks, including the Rotary International emblem (the "Rotary Marks" are defined in paragraph 6, below) by any Rotary club(s), Rotary district(s) or any other Rotary Entity when used in combination with the emblem of another organization for sponsorship or cooperative relationship purposes.
2. Sponsorships are considered to be short-term, event-specific relationships with another organization which benefit RI, TRF, Rotary club(s), Rotary district(s) and other Rotary Entities in image-enhancing, promotional, monetary or other ways. Each sponsorship relationship should terminate with the completion of the sponsored event.
3. "Rotary Entities" includes Rotary International, The Rotary Foundation, a Rotary club or group of clubs, a Rotary district or group of districts (including a multidistrict activity), a Rotary Fellowship, Rotarian Action Group, and administrative territorial units of Rotary International. Entities not included in this definition are not permitted to enter into sponsorship or cooperative relationships which use the Rotary Marks without seeking prior Board approval. Individual RI Programs are not considered Rotary Entities.
4. Cooperative relationships are considered to be longer term relationships which may or may not be tied to specific events, with another organization which benefit RI, TRF, Rotary club(s), Rotary district(s) and other Rotary Entities in image-enhancing, promotional, program-enhancing, membership, monetary or other ways.
5. The information in these Guidelines should be referenced in any agreement between any Rotary club(s), Rotary district(s) or any other Rotary Entity and a sponsor or cooperating organization, especially the information contained in paragraphs 6, 9, 10, 11, 12, 13, 14, 15, 16, 17 and 18, below.
6. RI is the owner of numerous trademarks and service marks throughout the world, including, but not limited to, "Rotary," the Rotary emblem, "Rotary International," "RI," "Rotary Club," "The Rotary Foundation," the Rotary Foundation logo, "Rotarian," "The Rotarian," "Rotaract," "Rotaract Club," the Rotaract emblem, "Interact," "Interact Club," the Interact emblem, "Interactive," "Paul Harris Fellow," the image of Paul Harris, "PolioPlus," the PolioPlus logo, "Service Above Self," "One Profits Most Who Serves

Best,” and the Rotary Centers for Peace and Conflict Resolution logo (the "Rotary Marks"). RI extends the right to use these Marks to Rotary clubs, Rotary districts and other Rotary Entities under certain limited guidelines for specific authorized uses which are further set out in Chapter 5 of the *Manual of Procedure*, which is incorporated herein by reference.

7. For sponsorship and cooperative relationship purposes discussed herein, RI permits Rotary clubs, Rotary districts and other Rotary Entities to use the Rotary Marks in the following manner(s) and subject to the following provisions.

8. Sponsorships or cooperative relationships for the purposes contemplated herein, should be in furtherance of the Object of Rotary.

9. Nothing in the limited use granted herein will constitute an assignment or license of any of the Rotary Marks to any sponsor or cooperating organization.

10. In sponsorship or cooperative relationship situations involving Rotary clubs, Rotary districts and other Rotary Entities, RI will only allow the use of the Rotary Marks in combination with the emblem of another organization for the limited and specific purpose of promotional materials for the event or project of, or cooperative relationship with, the Rotary club(s), Rotary district(s) or other Rotary Entity, as further set out in paragraph 11, below.

11. When such a combined emblem use as discussed in paragraph 10, above, is desired, further identifying language of the name of the Rotary club(s), Rotary district(s) or other Rotary Entity must also be used in close proximity to and in equal prominence with the Rotary Marks. (This is in concert with recent RI Board determinations that whenever the name, “Rotary,” or any of the Rotary Marks are used by themselves, they normally refer to the entire organization, Rotary International. Therefore, whenever a Rotary club(s), Rotary district(s) or other Rotary Entity is using either the word, “Rotary,” or any of the Rotary Marks, further identifying language must also be used of the name of the Rotary club(s), Rotary district(s) or other Rotary Entity.)

12. Whenever any of the Rotary Marks are used in combination with the emblem of another organization for sponsorship or cooperative relationship purposes, including any advertisement or promotional materials directly related to a sponsored Rotary event or project (including, but not limited to, banners or signs) the emblem of the other organization must be of equal or lesser unit size to that of the Rotary emblem (or other Rotary Marks, at the sole discretion of the Rotary club(s), Rotary district(s), other Rotary Entity or RI), unless the Rotary emblem or other Rotary Mark is part of a repetitive background screen. RI allows for overwriting of the Rotary emblem (or other Rotary Marks) (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed. RI agrees that in cases where a sponsor might wish to highlight its role in sponsoring a Rotary event or project in conjunction with its regular advertising, the Rotary emblem may be smaller than the sponsor’s logo.

13. Current RI policy mandates that, without altering the provisions set out in paragraph 12 above, the Rotary Marks may not be altered, modified or obstructed in any way but must be reproduced in their entirety. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up.”

There should be no overlap between Sponsor's or Cooperating Organization's logo and the Rotary emblem or other Rotary Mark; the two images should be clearly spaced so as to be two separate and distinct images.

14. The Rotary Marks may be reproduced in any one color but if they are to be reproduced in more than one color they must be reproduced in their official colors of royal blue and gold (PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U | 130C Yellow) for the Rotary emblem and the TRF logo; information available on other Marks, as necessary).

15. Current RI policy mandates that the Rotary Marks may only be reproduced by a vendor authorized to do so. Whenever, possible, therefore, reproductions of the Rotary Marks should be done by an officially licensed vendor. If the desired goods are not reasonably available from a RI licensee, a release must be obtained from the RI Licensing Section.

16. Each sponsorship or cooperative relationship use of any of the Rotary Marks in combination with the emblem of another organization should be subject to a pre-publication review and approval process on the part of the Rotary club(s), Rotary district(s) or other Rotary Entity. Such use may also be subject to a pre-publication review and approval process on the part of RI's Intellectual Property counsel. RI, the Rotary club(s), Rotary district(s) or other Rotary Entity should retain the sole right to specific denial or authorization or, in the case of alteration (of copy or layout), to be mutually agreed upon by the parties.

17. RI, the Rotary club(s), Rotary district(s) or other Rotary Entity should retain control over where promotional materials are published in any medium, including where banners or signs are allowed to be displayed when any of the Rotary Marks are used in combination with the emblem of another organization in connection with the sponsorship or cooperative relationship contemplated herein.

18. RI, the Rotary club(s), Rotary district(s) or other Rotary Entity should reserve the right to approve publications or other media in which any sponsor wishes to advertise or otherwise promote the relationship using the Rotary Marks.

19. Membership lists, except by Board authorization, must not be used for sponsorship or cooperative relationship purposes and must stay within the control of RI, the district(s) and/or the club(s) involved. However, any determination to allow access to membership lists must respect the individual rights of Rotarians, including relevant legal restrictions.

20. No Rotary club(s), Rotary district(s) or other Rotary Entity shall accept a sponsorship or a cooperative relationship that

- a. Conflicts with Rotary's ethical and humanitarian values
- b. Undermines internationally recognized standards for human rights
- c. Supports the use of addictive or harmful products and activities including but not limited to alcohol (when inappropriate in a specific cultural context), tobacco, gambling, and weapons or other armaments
- d. Promotes a particular political or religious viewpoint
- e. Involves abortion
- f. Unfairly discriminates based on race, ethnicity, gender, language, religion, political or other opinion, national or social origin, property, or birth or other status
- g. Weakens the autonomy, independence, reputation, or financial integrity of Rotary International, The Rotary Foundation, or the specific Rotary club, district or other Rotary entity
- h. Involves any subject matter which is not in accord with the Object of Rotary

21. Individual Rotarians shall not benefit from sponsorships or cooperative relationships. (*June 2013 Mtg., Bd. Dec. 242*)

16.010. Guidelines for Multidistrict Activities and Projects

Rotary-sponsored service activities and projects involving clubs in two or more districts are encouraged subject to the following:

A) Multidistrict activities and projects:

- 1) shall be, in nature and scope, within the capability of the clubs and Rotarians in the districts to undertake successfully without interfering with or detracting from the scope and effectiveness of club activities in furthering the program of Rotary at the club level;
- 2) shall not be undertaken initially unless each governor concerned has agreed to such a joint activity and then, only after approval of two-thirds of the clubs in each district;
- 3) shall be under the direct supervision of the governors concerned; the custody of all funds contributed or collected for such activities shall be the responsibility of the governors concerned, though a committee of Rotarians from within the districts involved may be appointed to assist in administering any such activity and related funds;
- 4) shall involve participation by Rotary clubs and/or individual Rotarians on a voluntary basis, clearly presented as such; the cost of participation by a club or individual Rotarian, if any, should be kept to a minimum, and not implicitly or directly be made an obligation in the form of a per capita assessment or otherwise;
- 5) when desiring to request the cooperation of clubs or Rotarians outside its own membership in connection with any matter whatsoever, shall first submit its purpose and plans to the respective governor or governors and secure his, her, or their approval.

- B) The policy on this matter does not include projects involving cooperation between districts partnering for an international service project when one district serves as a "donor" and the other district a "sponsor" or "recipient";
- C) Any participating district that seeks to terminate its participation in a multidistrict activity or project must secure the approval of two-thirds of the clubs in the district to withdraw.
- D) The governors involved in any multidistrict activity shall also be responsible for ensuring that an annual financial review by a qualified person or an audited financial statement of multidistrict finances is prepared for the activity or project and distributed to the participating clubs.

16.010.1. Form of Incorporation of Multidistrict Activities

In instances where multidistrict activities and projects are incorporated, the members of the corporation should be the governors of the districts involved or their appointees. The board of directors of any such incorporated activity should be elected by the members of the corporation. 16.030. Use of the Name “Rotary,” the Rotary Emblem or other Rotary Marks in Multidistrict Activities

All club, district, multidistrict and other Rotary Entity activities must include identifiers of the club, district, multidistrict group or other Rotary Entity when using the name “Rotary,” the Rotary Emblem or other Rotary Marks. Such identifier must be in close proximity to and in equal prominence with the Rotary Emblem or other of the Rotary Marks.

The Rotary Marks must always be reproduced in their entirety. No abbreviations, prefixes or suffixes such as “Rota” are permitted. No alterations, obstructions or modifications of the Rotary Marks are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up.”

Rotarians planning any club, district, or multidistrict community projects that are to include the name “Rotary” or the Rotary Emblem without a further identifier must be licensed by RI under the provisions of *Rotary Code of Policies* section 33.040.7. Other Rotary Entity projects or programs that are to include the name “Rotary,” the Rotary Emblem, or other Rotary Marks without a further identifier must first secure the approval of the Board. Rotarians coordinating existing doctor banks and similar club, district, multidistrict and other Rotary Entity projects or programs should review and make necessary changes to the project or program names and materials, consistent with this policy. 17.010. Rotary Districts, General

17.010.1. Role of the District

A district is a group of clubs within a geographical boundary established by the RI Board pursuant to the bylaws for RI administrative purposes. The activities and organization of a Rotary district shall exist solely to help the individual club advance the object of Rotary and should not tend to diminish services provided by clubs and individual Rotarians on the local level. Source: January 1973 Mtg., Bd. Dec. 123; Amended by March 2005 Mtg., Bd. Dec. 199; June 2005 Mtg., Bd. Dec. 322

17.010.2. Size of the District

Because districts with a large membership base have distinct advantages over districts with a small number of clubs and Rotarians, and the continual proliferation of small districts has a detrimental effect on the administration and finances of RI, the Board encourages all districts with fewer than 75 clubs and 2700 Rotarians to strive to reach those numbers and encourages districts to merge with neighboring districts or form international districts, as appropriate, so that those minimums are met. (*November 1999 Mtg., Bd. Dec. 172*)

17.010.3. Establishment of Districts within Zones

At its first meeting of each year, the RI Board shall establish the composition of the zones (currently 34) for that year, noting particularly any new districts and the possibility of any needed adjustments to the sections within certain zones. (*February 1999 Mtg., Bd. Dec. 196*)

Source: July 1995 Mtg., Bd. Dec. 17

17.010.4. Districting Procedures

The procedures for districting shall be as follows:

1. Proposals will be considered for the establishment of additional districts, realignment of clubs within districts, or the consolidation of existing districts
2. Districting proposals shall consider geographical boundaries, potential for district growth, and cultural, economic, language, and other relevant factors

3. Proposals for the creation of additional districts with at least 60 clubs and/or 2,100 Rotarians that demonstrate a potential for growth to at least 75 clubs and 2,700 Rotarians in the next ten years will be looked upon with favor by the Districting Committee
4. The governor(s) of the existing district(s) shall prepare and send a proposal to the general secretary. The proposal shall include information from the governors of the existing district(s) and be evaluated by the Districting Committee based on the following guidelines:
 - a) The reasons for the proposal, including issues such as but not limited to cultural and ethnic factors, geographic distances, as well as financial and economic conditions encountered in administering the present district(s)
 - b) A map clearly showing the extent of the area, the boundaries of the existing and proposed districts
 - c) A list of existing clubs with their charter dates and number of members as of 1 July over the last three years, noting each club's continuous operation and good financial standing with RI and illustrating that no more than 10% of clubs in each district has membership of 20 Rotarians or less in the proposed district(s)
 - d) A statement signed by the governor(s) stating the proposal has been referred to clubs in the district(s), that the governor has communicated effectively the origin of the proposal, the necessity of each club to carefully consider the proposal for vote by the majority of club members, and that clubs have 30 days from receipt of the proposal to object and that afterwards their opportunity to object ends
 - e) The governor shall provide a list of clubs that have approved the proposal, and a list of clubs that have objected to the proposal
5. Upon study of the proposals, the committee shall report its recommendations to the RI Board for its consideration.
6. The board may eliminate or change the boundaries of any district with fewer than 33 clubs or fewer than 1,100 Rotarians in accordance with RI Bylaws section 15.010. When districts are consolidated, all elected future governors from the former districts shall be offered the opportunity to serve in the newly merged district.
7. When a district consolidation proposal fails because a majority of clubs in the affected district(s) objected within 30 days of receiving the proposal, the Board may take action including but not limited to placing Rotary clubs into non-districted status, reducing the governor's allocation in the district, and by not providing funding to send a district's representative to the Council on Legislation.
8. The general secretary is authorized, acting on behalf of the Board, to approve all district boundary description changes where the district boundaries remain the same.
9. The general secretary is authorized to act on behalf of the Board to approve a minor district boundary modification affecting the transfer of up to ten clubs, or an area containing no Rotary club, from one district to another district. The boundary modification shall become effective 1 July following the decision. In districts with 33

or more clubs and 1,100 or more Rotarians, such action shall be taken if the majority of the clubs do not file objections within 30 days of receiving the governor's proposal. (*June 2013 Mtg., Bd. Dec. 236*)

17.010.5. Quarterly District Membership Updates to Directors

The general secretary is requested to provide quarterly updates to each director listing those districts in his or her area that are near or have fallen below 33 clubs and/or 1,100 Rotarians. Those directors who receive such a list are requested to work with the Rotary coordinators serving the district and district leadership to develop a broad, long-term strategy for possible redistricting and for increasing membership growth in the region. The Districting Committee is requested to consult with those directors when reviewing districting issues. (*June 2013 Mtg., Bd. Dec. 196*)

The president is requested to, where necessary, appoint regional advisory committees to help club and district leadership consider redistricting proposals in their regions and address long-term districting and membership strategies, such committees to work at no cost to Rotary, for report to the Board at their earliest opportunity. 17.010.7. Additionally-Supported Districts

The board may authorize the general secretary to provide additional support to strengthen a newly created district because of unique geographical, language, cultural, economic, social, political, or other factors.

An additionally-supported district allows the Board to create or maintain a district that does not meet the minimum numbers of clubs or members as designated in RI Bylaws 15.010. The additional support provided to a district lasts for a period of up to three years, unless the Board extends the timeframe.

The RI Board will provide the following to additionally-supported districts:

- Up to US\$200,000 annually for additional training, membership development, promotion of participation in The Rotary Foundation and other support as determined by the general secretary in consultation with the director and district leadership
- Tools, advice, and other resources needed to reach membership targets and other benchmarks designated by the general secretary
- An exemption from having to hold their district governor selection process 24 months in advance of the term of office

Additionally-supported districts will be reviewed annually at the Board's third meeting (January) each year. At the Board's second meeting held just prior to the third year as an additionally-supported district, the Board will decide on extending or removing the additional support, the need to transfer clubs into another district, and if a governor-elect will attend the next International Assembly. 17.020. Incorporation of Districts

17.020.1. Definitions

For purposes of this section the following words shall have the following meanings:

- 1) "Corporation" shall mean a corporation, association, limited-liability company, or other similar entity recognized by a local jurisdiction.
- 2) "Incorporate" shall mean the process of establishing a corporation.
- 3) "Corporate Documents" shall mean the documents formally adopted by a corporation establishing its processes for governance and operation, including its articles of incorporation or association, bylaws and similar documents. (*March 2005 Mtg., Bd. Dec. 199*)

Source: March 2005 Mtg., Bd. Dec. 199

17.020.2. Incorporation Process

It is recognized that for a variety of reasons districts may desire to incorporate. The decision to seek approval of the Board to incorporate is left to the discretion of the clubs in each district in light of local circumstances.

A district may seek the approval of the Board to incorporate upon the approval of at least two-thirds of the clubs in the district in a vote at a district conference, or in a ballot-by-mail. In either process, each club shall be entitled to one vote. Upon approval of the Board, the district may incorporate.

When a district is incorporated, the corporation and the former unincorporated district shall become one entity. The incorporated district shall, in all respects, possess all of the powers, rights and privileges, and shall perform all of the obligations and requirements of a district under the constitution, bylaws, and policies of RI.

Insofar as the provisions of the laws of the local jurisdiction shall permit, the corporate documents of an incorporated district shall be consistent with the constitution, bylaws, and policies of RI. In the event that there is any amendment to the constitution, bylaws, or policies of RI that cause a district's corporate documents to be inconsistent with the amended constitution, bylaws, or policies of RI, the district shall immediately amend its corporate documents so that they shall again become consistent. District corporations shall act in accordance with the constitution, bylaws, and policies of RI, and shall not take any action inconsistent with the constitution, bylaws, and policies of RI.

A district shall immediately notify the general secretary if a provision of the laws of the local jurisdiction precludes the incorporated district from taking any action necessary or requires the incorporated district to take any action prohibited under the constitution, bylaws, or policies of RI.

The district must submit to the general secretary on behalf of the Board the corporate documents required to be submitted to the local jurisdiction in order to incorporate. Upon completion of the incorporation process, subsequent amendments to these corporate documents need not be submitted to the Board for review. However, any amendments must be consistent with the constitution, bylaws, and policies of RI.

The district governor shall be responsible for supervising the incorporation process.

The incorporated district shall be structured in furtherance of the District Leadership Plan.

The corporate documents of each incorporated district shall include provisions assuring that the district corporations comply with the following requirements:

- 1) The name of the incorporated district shall be “Rotary International District (district number), (Inc., LLC, etc.)”
- 2) The corporation shall be a not-for-profit entity, and it shall pay no dividend and no part of its money, property or other assets shall be distributed to its members, directors, or officers
- 3) Where any provision of the corporate documents of the incorporated district is not in conformity with the constitution, bylaws, or policies of RI, the terms of the constitution, bylaws, or policies of RI shall prevail at all times
- 4) All Rotary clubs in the incorporated district shall be members of the incorporated entity
- 5) The initial membership of the district shall be the Rotary clubs in the district as of the time of the incorporation. The addition or removal of a club or clubs from a district pursuant to the RI bylaws shall immediately and automatically result in a corresponding change in the membership of the district corporation
- 6) Only Rotary clubs in the district may be members of the incorporated district
- 7) The district corporation shall immediately and automatically cease operations and begin dissolution upon directive of the RI Board or upon the approval of two-thirds of the clubs in a vote at the district conference or in a ballot-by-mail. The district governor shall provide the Board notice of a decision by the district to dissolve the corporation, and shall provide a final report upon the completion of the dissolution process
- 8) The board of directors and officers of the district corporation shall be limited to Rotarians who are members of clubs in the district

9) The directors of the district corporation shall include the current district governor, the district governor-elect, and the most recent past district governor who served in that district, and such other Rotarians, if any, as may be determined by the district. The number and terms of the directors shall be as required by local law and as provided for by the incorporated district's corporate documents

10) The current district governor shall be the highest officer of the incorporated district and shall serve as chairman of the board of directors. The district may elect such other officers as required by local law and as provided for in its corporate documents

11) The governor shall report annually to the clubs on the status of the district incorporation. (*March 2005 Mtg., Bd. Dec. 199*)

17.020.3. Districts with Clubs in More Than One Jurisdiction

A district with clubs in more than one jurisdiction may incorporate in any of the jurisdictions and shall take such further steps to register in the other jurisdiction(s) as appropriate.

No district with clubs in more than one jurisdiction shall incorporate in a jurisdiction that would favor one club or Rotarian over another, or would place any limitations on the ability of any club or Rotarian to exercise all of the rights and privileges afforded them under the constitution, bylaws, or policies of RI. The required components of the DLP are as follows:

- a. Common terminology such as “assistant governor,” “district trainer,” “district committees,” and “club leadership plan”
- b. Defined responsibilities and duties for assistant governors, district trainers, district committee members, and club leadership
- c. District committees that ensure continuity of leadership within the district

17.030.1. District Leadership Plan

The District Leadership Plan provides for the appointment by the governor of assistant governors to carry out much of the administrative work associated with club operations, thereby giving the governor more time to:

- a) emphasize the importance of membership development and retention through attendance at charter events, induction ceremonies, membership development seminars, and new member orientation programs
- b) motivate Rotarians to participate in club and district activities and projects through attendance at specific events
- c) encourage participation in Rotary Foundation seminars, the programs of The Rotary Foundation, and financial support of the Foundation through Foundation recognition programs such as those for Paul Harris Fellows, Foundation Benefactors, and Major Donors
- d) recognize the work of *individual* Rotarians, through personal recognition, such as the Avenues of Service Citation, Service Above Self Award, Presidential Citations and district-level recognitions and awards
- e) plan for the future of the district
- f) address the long term development of the club through the Club Leadership Plan
- g) undertake the duties set forth in section 15.090 of the RI Bylaws

The District Leadership Plan strengthens Rotary at both the district and club level by providing:

- a) faster and more responsive support to clubs
- b) a larger supply of well-trained leaders in the district
- c) a larger and stronger field of district leaders
- d) improved participation in Foundation programs and district-level RI activities
- e) a more challenging role for the governor as an innovative leader

To establish a District Leadership Plan in the district, the governor must work with current, incoming and past district leaders to develop an organized plan that addresses the following issues:

- a) The number of assistant governors appointed based on the needs of each district, taking into consideration factors such as geography, language, culture, the balance of strong and weak clubs in each area, and the number of clubs an assistant governor can reasonably be expected to support. (In order to meet the needs of clubs in the district, it is recommended that between four and eight clubs be assigned to each assistant governor, but in no case shall an assistant governor be responsible for only one club.)
- b) How the assistant governors will be trained
- c) What committees the district will need
- d) Communication procedures between the governor, assistant governors and the district committees
- e) How the district will provide for continuity in leadership through the use of assistant governors
- f) How the district will provide for continuity within committees as appropriate or necessary
- g) Methodology used to appoint and/or remove assistant governors
- h) A corresponding Club Leadership Plan for clubs in the district

The current district governor, governor-elect, and governor-nominee should reach consensus on the following decisions relating to district administration:

- a) District's strategic plan
- b) District appointments that last more than one year
- c) District service projects that last more than one year. (*June 2010 Mtg., Bd. Dec. 223*)

- d) Assist club leaders in scheduling and planning for the governor's official visit
- e) Keep the governor informed on progress of the clubs and suggest ways to enhance Rotary development and address problems

- k) Participate in district activities and events, as necessary
- l) Attend club meetings, assemblies, or events, as invited
- m) Participate in the district team training seminar
- n) Attend the presidents-elect training seminar and the district training assembly

It is important that assistant governors assist in the development of the district goals *prior* to the appointment of committees. The objective is to reach a consensus for what the district wants to achieve, and to appoint committees only as necessary to achieve the district goals.

Minimum criteria in selecting assistant governors include:

- a) membership, other than honorary, in good standing in a club in the district for at least three years
- b) service as president of a club for a full term, or as a charter president of a club having served the full term from the date of charter to 30 June, provided that this period is at least six months
- c) willingness and ability to accept the responsibilities of assistant governor
- d) demonstrated outstanding performance at the district-level
- e) potential for future leadership in the district

Assistant governors are to be appointed on an annual basis, with no assistant governor serving more than three one-year terms to provide continuity in the district leadership. It is recommended that no past governor serve as an assistant governor.

Districts are responsible for determining any financial support provided to assistant governors in performing their duties and responsibilities. (*January 2014 Mtg., Bd. Dec. 79*)

A district finance committee shall be set up to review and study the necessary expenses of district administration. The governor shall appoint one member to serve one (1) year, one to serve two (2) years, and one to serve three (3) years, and thereafter, each succeeding year, the governor in office shall appoint one Rotarian for a period of three (3) years to fill the vacancy.

Where funds are raised for a specific purpose such as a joint district youth exchange, a budget of expenditure shall be prepared and submitted to the governor and the finance committee for approval, and this shall then be included as a separate item in the financial report submitted to the district training assembly or conference by the finance committee. It is essential to maintain a separate bank account for such funds and to have the chair of the joint youth exchange committee or such other committee as may be involved as one of the signatories.

19.010. Governor's Specific Duties and Responsibilities

19.010.1. District Governor Code of Ethics

1. Governors will adhere to applicable laws and regulations while conducting Rotary business. In addition, in conducting their private lives, governors will adhere to applicable laws in order to preserve and protect the positive image of Rotary.
2. Governors will adhere to the provisions of the RI Constitution and Bylaws. These documents embody the democratic will of Rotary's membership as represented at the triennial Council on Legislation; through them, the membership has established standards expected of Rotary officers. Adherence to their terms garners the trust of the membership and ensures that actions are consistent with members' expectations.
3. Governors will adhere to the provisions established by the RI Board as documented in the *Rotary Code of Policies*. Over the years, the Board has established policies and procedures to further the aims of the association and protect its mission. Many of these provisions are designed to ensure good governance and promote an ethical image. Adhering to these policies demonstrates a commitment to these ideals while protecting the association.
4. Governors will serve for the benefit of Rotarians and the purposes of RI. Governors should put the interests of the district first and avoid even the appearance of any impropriety in their conduct.
5. Governors will not use their office for personal prestige or benefit or for the benefit of family members. The authority inherent in an office of importance comes with access to special privileges not available to other Rotarians. Taking advantage of such privileges distracts from critical responsibilities and calls into question the commitment to the Objects of Rotary.
6. Governors will exercise due care in the diligent performance of their obligations to the district. Governors should perform their responsibilities with the care that an ordinarily prudent person in a like position would use under similar circumstances. Before making a business decision, governors should gather all material information reasonably available to them in order to select the best course of action for all concerned.

7. Governors will act based on fairness to all concerned. Governors are often faced with decisions that will significantly affect various Rotary clubs and individuals. In a manner consistent with The Four-Way Test, governors should weigh the potential impact of their decisions and treat equally all people who will be affected.

8. Governors will promote transparency of financial information and will ensure compliance with all local and national laws relating to financial management. Governors are the stewards of the association acting on behalf of Rotary clubs and Rotarians. Rotarians have a right to access accurate information about the financial condition of the association. Transparency in financial operations encourages ethical behavior.

9. Governors will prohibit and restrict the disclosure, communication, and use of confidential and proprietary information. Governors should use this information only for intended purposes, never for personal ones, and take precautions against accidental disclosure.

10. Governors will comply with expense reimbursement policies. The RI Board has adopted procedures for reimbursement of Rotary-related expenditures. Following these procedures ensures compliance with applicable laws and precludes the appearance of impropriety. (*November 2008 Mtg., Bd. Dec. 96*)

3. Ongoing educational opportunities are available for current members
4. A leadership skills development program for all members

19.010.4. District Records and Files

It is recommended that governors develop and maintain a district record book or manual to include information useful to the next governor in preparing for office, conducting district affairs, and carrying out other duties. The district record book should be kept up-to-date by the governor and handed over to the incoming governor. (*July 1998 Mtg., Bd. Dec. 20*)

Dec. 348)*

19.010.7. Resignation of Governor Who Moves from District

A governor residing outside of the district boundaries where he or she holds club membership is not in a position to participate fully and regularly and actively in the affairs of the club and district. Such Rotarian is not in a position to function effectively as governor. It is in the best interests of RI, that such governor tender his/her resignation from office to permit the election by the Board of a governor who is situated in the district and able to fulfill completely the duties of governor. *(November 2004 Mtg., Bd. When the aforementioned procedure is not practical, the Board, the president acting on its behalf, shall authorize a ballot-by-mail and shall designate a governor to conduct the ballot-by-mail. 26.020.1. Corporate Social Responsibility Practices

The RI Board has adopted the following statement to relate the Object of Rotary to corporate social responsibility practices:

“From its origins, Rotary has built a philosophy based upon integrity in businesses and professions. Rotary clubs and individual Rotarians are committed to Vocational Service and high ethical standards in all of their interactions. These are summed up in the Object of Rotary, our core values (Service, Fellowship, Diversity, Integrity, Leadership), The Four-Way Test, and the Rotary Code of Conduct, carried out through our worldwide network of Rotary clubs and Rotarians.

For Rotary International, as a corporate entity, its social responsibility philosophy can be summed up by our commitment to transparency in governance, stewardship of financial resources and the environment, and fair labor practices.” (*January 2012 Mtg., Bd. Dec. 158*)

26.030. RI Administration

The administration of RI is important only in so far as it advances the Object of Rotary through the application of the ideal of service by member clubs and individual Rotarians.

A fundamental principle underlying the administration of RI is the substantial autonomy of the member clubs.

The constitutional and procedural restrictions on the administration are kept to a minimum necessary to preserve the fundamental and unique features of Rotary. Within that provision there is the maximum flexibility in interpretation and implementation of RI policy, especially at the local level.

The advancement of the ideal of international understanding, good will, and peace through Rotary requires general recognition of the vital importance of preserving and promoting the international fellowship of member clubs throughout the world, based not upon the grouping of clubs in national and multinational areas, but upon the direct relationship and common responsibility of the member clubs to RI. 26.090.5. Rules Regarding Campaigning, Canvassing and Electioneering

It is a fundamental principle in Rotary that the best qualified candidate should be selected for service in Rotary's elective offices. Therefore, any effort to influence the selection process in a positive or negative manner by campaigning, canvassing, electioneering or otherwise is prohibited under the RI Bylaws.

The following rules shall be followed concerning campaigning, canvassing and electioneering for any Rotarian considering election to the office of president, director, Governor, or representative to the Council on Legislation, or the nominating committee for any such office. These rules are designed to ensure that the best qualified candidate is selected for office:

- 1) Rotarians should at all times conform to the prohibitions of the RI Bylaws concerning campaigning, canvassing or electioneering. All Rotarians should observe both the letter and the spirit of the bylaws and refrain from any activity whose purpose or effect is to influence others by promoting or soliciting support for a candidate's or another Rotarian's candidacy. Such activity is repugnant to the spirit of the bylaws and the principles of Rotary and will be grounds for disqualification of a candidate.
- 2) Campaigning, canvassing or electioneering is any action seeking to promote, attack, support, or oppose a candidate, either directly or indirectly, in any medium, including, but not limited to, any action seeking votes, requesting support in a forthcoming election, distribution of literature or promotional materials or other overt actions intended to promote one's candidacy for an elected Rotary office.
- 3) The periods of candidacy for elective office begin when individual Rotarians begin to give serious consideration to submitting their names for a position covered by the RI rules for nominations and elections. Commencing at that time, candidates should be particularly careful to avoid any actions designed to publicize their names or achievements, to call attention to the applicable nominations or elections, or to give candidates an unfair advantage over other candidates for the same position.
- 4) The normal performance of duly-assigned Rotary activities would not be considered to be a violation of the policies related to campaigning, canvassing or electioneering.
- 5) Should a candidate become aware of any campaigning or electioneering activities which are undertaken on the candidate's behalf, the candidate shall immediately and in writing express disapproval to all concerned and instruct them to terminate such activity.

6) Contacting clubs to inform them to request their concurrence for a proposed challenge or election complaint is not prohibited provided that such contact is limited to the exchange of factual information. (*February 2007 Mtg., Bd. Dec. 149*)

26.100. Election Complaint Procedures

The following procedures for review of RI elections shall be followed whenever a complaint is made and filed in accordance with the applicable sections of the RI Bylaws:

26.100.1. Advising the Parties of a Complaint

After receiving any election complaint, the general secretary shall inform the party in question of the allegation, request a written response with documentation by a certain date, and notify the parties of the proper procedure to be followed. (*June 2001 Mtg., Bd. Dec. 326*)

26.100.2. Methods of Resolution

The president, or the general secretary acting on the president's behalf, shall resolve an election dispute in the following situations:

- a) there has been a misunderstanding about the requirements of the relevant constitutional documents;
- b) information has been received and certified by the general secretary that a candidate has appealed to a "non-Rotary agency" prior to completing the RI election review procedures. In such instances the president shall, in accordance with RI Bylaws 10.070.5. and on behalf of the Board, send a "show-cause" letter by priority mail to the candidate requesting information within 15 days indicating that the lawsuit was not filed on his behalf. Upon the candidate's failure to provide adequate evidence that the action was not taken on the candidate's behalf, the President, on behalf of the Board, shall notify the candidate that he or she is disqualified for the election in question and from contesting any elective office of RI in the future for a period as determined by the board, without referral to the RI election review committee. The president shall also notify the executive committee of any action taken pursuant to this subsection.

In all other situations, the president shall, in consultation with the chair of the election review committee, select three members of that committee (one of whom shall be designated as convener) to serve as a panel to evaluate the complaint. Any member of the committee, however, may disqualify himself or herself from considering a particular complaint. Any vacancy on the panel shall be filled in the same manner. The election complaint will be administered in accordance with the procedures set forth below. (*June 2013 Mtg., Bd. Dec. 196*)

26.100.3. Requirement for Cash Bond

At the time a club files a complaint with the General Secretary, such club shall pay to Rotary International a cash bond. If such complaint addresses a district level office, e.g., governor, council on legislation representative, member of a nominating committee for governor or director, the amount of the cash bond shall be US\$1000. If such complaint addresses the election of an individual to any other position, the amount of the cash bond shall be US\$2,500. The General Secretary shall take no action with respect to any such complaint until the cash bond is paid. No complaint shall be considered as received by the General Secretary until the cash bond is paid. In the event that it is determined that the proper election procedures were followed and that no improper campaigning, canvassing, or electioneering occurred, the cash bond shall be forfeited and retained by Rotary International. Otherwise, the General Secretary shall cause the cash bond to be refunded without interest. *(February 2007 Mtg., Bd. Dec. 149)*

26.100.4. Summary and Analysis of Complaint

The general secretary shall prepare and convey to the panel of the election review committee a summary and analysis of the complaint (and response, if one has been received by the set date), with copies of all documents submitted. Any document submitted by the parties to the complaint may be made available to all parties upon request. *(July 2003 Mtg., Bd. Dec. 19)*

26.100.5. Consideration of Bylaws, Board Decisions and Other Information

In considering a complaint, the panel of the election review committee shall take into account the relevant RI Bylaws provisions and the policies established by the Board in the interpretation and application of those Bylaws provisions. The committee may request the general secretary to obtain additional evidence or information from the complainant, the candidate or any other concerned party. The committee may also, on behalf of the Board, grant a waiver of any Board-imposed confidentiality requirements to the extent it believes is necessary to ascertain additional information. *(February 2007 Mtg., Bd. Dec. 149)*

26.100.6. Review of Elections for President and Director

The panel of the election review committee shall evaluate a complaint by correspondence. However, should the election be for the general offices of president or director, the president (or the general secretary acting on the president's behalf) may, upon the recommendation of the committee and after consultation with the chair of the election review committee, authorize a meeting of the panel at a time and place determined by the general secretary. At such a meeting, the committee may grant a personal appearance to any party directly concerned in the election under review, at that

party's expense. However, there shall be no disqualification of a candidate for election as a general officer of RI without there having been an opportunity offered to the candidate to appear personally before the committee, at the candidate's expense. *(July 2003 Mtg., Bd. Dec. 19)*

26.100.7. Committee's Report to Board

Based on its review of the available information, the panel of the election review committee shall report to the Board its findings of fact, its conclusions and recommendations and reasons therefor. Prior to making its recommendation to the Board, the panel must reach a consensus. A copy of the report shall go to the chair of the election review committee, if the chair is not a panel member. *(July 2003 Mtg., Bd. Dec. 19)*

In the event that the general secretary or president become aware of alleged irregularities within the election process that require immediate resolution, but that are not the subject of an election complaint, including, but not limited to, such matters as the certification of votes by the district governor, the operational procedures utilized by a nominating committee or balloting committee, such issues shall be directed to the chair of the RI

Election Review Committee, or his or her designee, for examination and decision. All such decisions made pursuant to this paragraph shall be reported to the Board at its next meeting. (*June 2007 Mtg., Bd. Dec. 265*)

27.010.2. Procedures for the Functioning of the Nominating Committee for President

The RI board has adopted procedures for the functioning of the Nominating Committee for RI president as follows:

Confidentiality

Members of the nominating committee, prior to and following the meeting of the committee, shall not discuss with other members of the committee or any other person the work of the committee, and shall at no time discuss or divulge any of the deliberations or discussions of the committee, except as they may participate in the deliberations of the committee at the time of its meeting. This confidentiality may be waived solely by the Board, or the RI Election Review Committee acting on its behalf, in order to investigate any duly filed election complaint.

Preparation for the Committee Meeting

1. The general secretary will assign a member of the Secretariat staff to work with and for the committee with instructions that all aspects of the work of the committee are to be kept in strict confidence.

2. The assigned staff person shall open all communications addressed to the committee and will tabulate submissions and assemble background information.
3. If for any reason a communication addressed to the nominating committee is not received in a sealed envelope or should such communication be inadvertently opened because it was not properly addressed to the nominating committee or otherwise, such communication shall be sealed immediately and be placed with other mail for the committee.
4. Candidates for RI president shall be asked to submit a statement not to exceed 300 words outlining their vision and goals for Rotary. Additional words will be stricken and disregarded.
5. Candidates shall be invited to submit a DVD of no more than five minutes in which they explain their vision and goals for Rotary. A candidate who does not submit a DVD shall not be disqualified or disregarded. DVDs longer than five minutes will not be transmitted to the committee.
6. In accordance with RI bylaws section 11.050.2., which provides for candidates for RI president to be given an opportunity to be interviewed by the committee, the RI Board will develop three to five questions annually that candidates will be asked to answer in writing.
7. The general secretary shall send the interview questions to those Rotarians who submit their names for consideration by the nominating committee. A candidate who declines the opportunity to be interviewed shall not be disqualified or disregarded.
8. In accordance with RI bylaws section 11.040.3., at least one week prior to the committee meeting the general secretary shall forward to committee members an alphabetical list of the past directors who have notified the general secretary that they wish to have their names listed as being willing and able to serve as president with the name of the Rotary club in which each holds membership indicated in capital letters.
9. The assigned staff person shall prepare a packet for each committee member containing the following:

 - 1) a copy of a current photograph submitted by the candidate
 - 2) a copy of the submission form from the candidate containing a one-page background statement
 - 3) a copy of written answers to interview questions developed by the RI Board
 - 4) a copy of the written statement of vision and goals for Rotary

- 5) a chronological list of RI committees on which the candidate has served
- 6) a copy of the general biographical data on record in the secretariat

These materials shall be delivered by the general secretary the day before the meeting.

10. The assigned staff person shall prepare a packet for use by the committee chairman containing a draft copy of the Report of the Committee, a draft letter of transmittal to the general secretary, copies of a ballot containing an alphabetical list of candidates, and the DVDs submitted by candidates explaining their vision and goals.

11. All original submission forms and correspondence shall be placed in a single sealed container, to be delivered to the committee chairman for disposition.

12. The general secretary should schedule an optional and informal fellowship dinner for members of the committee to dine as a group on Sunday evening preceding the committee meeting.

At the Committee Meeting

13. The members of the nominating committee shall be seated in alphabetical order.

14. The general secretary shall inform the committee that RI bylaws (section 11.050.1.) provide that “The committee shall meet and nominate from among the list of past directors who have indicated they are willing to serve as president the best qualified Rotarian available to perform the functions of the office.”

15. The committee shall elect a member of the committee as its chairman. Another member shall be elected as secretary. The election of the chairman and secretary shall be conducted under the direction of the general secretary, who shall prepare and distribute a ballot listing each member of the nominating committee. Each member of the committee shall cast one vote for the chairman. The general secretary, or a member of his staff, shall count the votes and announce the results. If nine (9) votes are not received by any member of the committee, a second ballot shall be held. Voting shall continue on successive ballots until nine (9) votes are received. After the election of the chairman, the procedure outlined above shall be used to select a committee secretary.

16. Following the election of the chairman and secretary, no one is to be in attendance during the meeting of the committee other than the duly elected members of the nominating committee and any interpreters needed for members of the committee, except that the general secretary or his assigned staff member may be called into the meeting upon the request of the chairman or other member of the committee. This staff person shall assist the committee during the course of its meeting, should any assistance be required, and shall work under the direct supervision of the chairman of the committee.

17. Before the committee begins its deliberations, the chairman shall inquire whether any member of the committee has been contacted by or on behalf of any candidate, or is aware of any effort to influence members of the nominating committee, either directly or indirectly, and, if so, to bring these to the attention of committee at this time.

18. Before conducting a ballot for president, the nominating committee shall discuss the qualifications of each candidate. Following the discussion of all of the candidates, the chairman shall distribute ballots prepared by the general secretary containing an alphabetical list of candidates and instruct each member of the committee to vote for six candidates. All voting conducted under this paragraph shall be conducted by secret ballot. The secretary shall tabulate the results and announce the six highest vote-getters. Each of these candidates shall be discussed further by the committee, and the secretary shall distribute another set of ballots with the names of all but the remaining candidates crossed out. Each member of the committee shall be instructed to vote for four candidates. After the secretary announces the results of this ballot, similar steps shall be followed to reduce the number of candidates to two and, finally, to one. Notwithstanding the foregoing, a candidate eliminated during a previous round of balloting may be reconsidered at any point if requested by at least six members of the committee. Voting must continue until there are two candidates remaining and one of the final two candidates receives at least ten votes, regardless of whether any candidate received ten or more votes in a previous round of voting. The committee shall not select an alternate, and the candidate who finishes second in the final vote shall not be considered to be an alternate.

19. The RI bylaws (section 11.050.3.) provide that "Twelve members of the committee shall constitute a quorum. The transaction of all business of the committee shall be by majority vote, except that in the selection of the committee's nominee for president, the votes of at least ten members of the committee shall be cast in favor of such nominee."

20. The report of the committee naming its nominee shall be signed by the chairman on behalf of the committee and be delivered and certified to the general secretary. (In the past, this has been done before the committee adjourned.) This report is to be the only formal record of the committee. The general secretary will notify each club of the contents of the report and the names of the nominating committee in accordance with the RI bylaws.

21. The RI bylaws (section 11.050.4. and subsections 1. through 4.) further provide that

23. The committee shall assemble all materials, place them in a sealed container, and transmit them by letter to the general secretary for safe keeping until 1 July, at which time they may be destroyed by him within ten days unless there are circumstances which require that the materials be retained. 28.005. Policies Relating to the Board

The Board has adopted policies governing its work that are set forth in this Article 28.005. These policies should be reviewed at the Board's first meeting each Rotary year and are as follows:

A. The Structure of Rotary International

Rotary International is a not-for-profit association of member clubs. The association represents, protects, encompasses, and promotes the interests of its membership, and it exists to serve the membership. The association belongs not to its leaders, but to its members, who determine through a democratic process who the leaders will be and who will represent them at the association level.

The leaders in turn make policy and financial decisions that affect and best serve the interests of the membership. In RI, these leaders are the general officers of the organization -- the president, other members of the Board of Directors, and the general secretary. The Board receives advice and guidance through the committee structure of RI, and it is assisted in the implementation of its decisions by the general secretary and his staff.

The staff, organizationally, is not a part of the policy-making or decision-making structure of RI. Rather, it represents the operational structure of the association, directed by the general secretary. The staff nevertheless has a role to play in assisting the decision-making process by providing background to, and serving as a resource for, the decision-makers, and by making observations, suggestions, or recommendations, as appropriate.

Good management practice requires that the policy-making or decision-making structure should be differentiated from the operating structure, as each fulfills a different purpose and role in the administration. The best interests of the association are served when the two structures do not

overlap or conflict. Indeed, the administration of the association runs most smoothly when each level of its structure functions as intended. (*July 2013 Mtg., Bd. Dec. 11*)

B. The Role of the Board of Directors of RI

The Constitution and Bylaws of RI place certain duties and responsibilities on the Board of Directors of the association, and give to the Board certain powers to carry out those duties and responsibilities:

The affairs and funds of RI, shall be under the direction and control of the Board, in conformity with the constitution and bylaws and the Illinois General Not-for-Profit Corporation Act of 1986, and any amendments thereto. (RI Constitution, art. 6, sec. 2).

The Board of Directors of Rotary International shall be responsible for doing whatever may be necessary for the furtherance of the purposes of Rotary International, the attainment of the Object of Rotary, the study and teaching of its fundamentals, the preservation of its ideals, its ethics, and its unique features of organization and its extension throughout the world. In order to fulfill the purposes of Article 3 of the RI Constitution, the Board shall adopt a strategic plan. The board shall oversee its implementation in each zone. The Board shall report on the progress of the strategic plan at each meeting of the Council on Legislation. (RI Bylaws section 5.010.) The Board shall review the strategic plan regularly.

The Board directs and controls the affairs of RI by: (a) establishing policy for the organization; (b) evaluating implementation of policy for the organization; (c) exercising such other powers conferred upon the Board by the constitution, by these bylaws, and by the Illinois General Not-for-Profit Corporation Act of 1986, and any amendments thereto. (RI Bylaws section 5.040.)

The Board shall exercise general control and supervision over all officers, officers-elect, and officers-nominee, and committees of Rotary International. (RI Bylaws section 5.040.)

The Board elects the general secretary. (RI Bylaws section 6.030.)

The administration of clubs shall be under general supervision of the Board. (RI Constitution, art. 8, sec. 2.)

In fulfilling its duties and responsibilities, the Board functions in a number of ways.

1. The Board functions as a policy maker for the association. While the Council on Legislation and the convention may consider and act on proposed legislation, and thus constitute the legislative arm of the association, it is the Board of directors that more often is called upon to develop and establish new policy, review existing policy, and modify policy where appropriate.
2. The Board functions as the program planning body for the association. It establishes goals and objectives -- both short-range and long-range -- and it considers proposals for new programs or changes in current programs. It may establish new programs, review existing programs, or may discontinue programs that have served their purpose or are no longer viable.

3. The Board controls the finances and adopts the annual budget of the association (with per capita dues being determined by the member clubs through the Council on Legislation).
4. The Board serves as an advocate for the association in promoting the ideals and programs of Rotary. It not only creates policy and programs, it has a responsibility for serving as a spokesman for the association in promoting and extending the fundamental ideals and object of the association and in gaining acceptance for its programs.
5. The Board, and its individual members, also have a responsibility to motivate the leaders of the association, its officers and committees, the member clubs and Rotarians generally in furtherance of the purposes of the association. The Board, in this role, becomes an initiator of action.
6. The Board identifies problems or trends in Rotary that may warrant the attention of the Board.
7. The Board discharges responsibilities as may be assigned by the president.
8. The general secretary shall be responsible to the president and the Board for the implementation of its policies and for management and administration, including the financial operation of RI. The general secretary and the Secretariat staff provide necessary support to assist the Board in fulfilling its duties and responsibilities. The performance of the general secretary shall be reviewed by the Board with him at least once each year.
9. In the interest of motivation and communication, the president is encouraged to inform the staff periodically on the work of the Board and the progress of RI.
10. Action by the Board shall be subject only to appeal through a ballot-by-mail submitted to the district representatives of the most recent Council on Legislation under rules to be established by the board. (RI Bylaws 5.030.) (*July 2013 Mtg., Bd. Dec. 11*)

C. The Board of Directors and the Legislative Process of RI

As provided in the RI Bylaws, RI Directors are non-voting members of the Council on Legislation. A director cannot serve on the Council as the representative of the clubs of his district. A director's primary responsibility is as a member of the Board (see section 59.030.1.).

1. It is the responsibility of the Board of Directors of RI to make its leadership effective in the legislative process of RI in harmony with the function of the Board as the policy-making body of RI.
2. Legislation offered by the Board shall be limited to subjects that:
 - a. are administrative in nature and relate either to the functioning of the Board or to the organization of Rotary International, or
 - b. have broad impact on the program of Rotary.

3. The Board shall take steps to further in the deliberations of the Council proposed legislation the Board has offered.
4. The Board may establish a position or organize members of the Board to speak in the Council on behalf of the Board, for or against pending legislation, when:
 - a. items of proposed legislation are offered by the Board, and
 - b. items are offered by others on matters which the Board considers to be of concern to the interests of the organization.

The Board shall actively participate in the deliberation of the Council with respect to such matters.

5. Participation by Directors in the deliberations of the Council will be on behalf of the Board, rather than a reflection of individual views. Moreover,
 - a. if the chair of the Council on Legislation feels that an item of proposed legislation from the Board requires clarification, the president may designate a director to speak on behalf of the Board;
 - b. in the event a criticism of the Board is made during a session of the Council on Legislation, the Board may reply to such criticism through a designated spokesperson;
 - c. in the event the Board withdraws its proposal from consideration by the Council, an explanation of the Board's reasons for such withdrawal may be provided by a designated spokesperson.
6. With respect to proposed legislation offered by the Board at the instruction of a Council, the Board shall make clear that it is offering such proposed legislation in compliance with such instruction.
7. Proposed enactments and proposed resolutions offered by the Board as emergency legislation shall be limited to those matters which are clearly emergencies, and the Board shall provide to the Council on Legislation information with respect to the need for such emergency legislation. *(May 2003 Mtg., Bd. Dec. 325)*

D. Criteria for Items Coming to the Board

The primary role of the Board of Directors is to determine policies for RI and to evaluate their implementation by the general secretary, who shall be responsible to the Board for the implementation of its policies and for management and administration.

The Board functions most effectively when it is able to devote its time and attention to policy and program matters at the association level, and is not called upon to devote considerable time to matters of a routine, administrative character where authority has been delegated to the General

Secretary. To enable the Board to focus only on matters that require its attention, criteria exist to aid in determining items that may be included on a Board meeting agenda.

1. Items submitted for consideration by the Board may emanate from the following sources:

- a. Individual Rotary clubs (by petition)
- b. Rotary District Conferences
- c. Rotary institutes for present, past, and incoming officers of RI
- d. Councils on Legislation
- e. RI committees
- f. Trustees of The Rotary Foundation
- g. General Council of RIBI
- h. Current RI general officers, including the general secretary
- i. Current RI officers
- j. Past RI general officers
- k. Any committee of the Board

Other than the above-named persons, individuals may not submit items for the agenda of Board meetings.

2. The Board considers items on the basis of written presentations and background statements, including, when appropriate, proposals and recommendations for action by the Board. Except in cases where the president may determine that a personal presentation will be beneficial to the Board's consideration of a matter, the Board does not receive groups or individuals who may wish to appear personally before the Board.
3. Items on which the president, or the Executive Committee, or the general secretary is authorized by the Board to act on behalf of the Board shall be reported to the Board.
4. Items included in the agenda for consideration at a meeting of the Board shall normally be limited to those that involve or relate to:
 - a. duties and responsibilities placed on the Board by statute and that have not been delegated by the Board;
 - b. establishing new policy or modifying or terminating existing policy;
 - c. short-range and long-range planning for the international association;
 - d. establishing a new program of RI, modifying an existing program, or terminating a program previously established by the Board;
 - e. authorizing an expenditure not provided for in the RI budget as adopted by the Board, or modifying a budget appropriation as previously approved by the Board;
 - f. a change in RI policy, procedures or programs that would require action by a Council on Legislation;
 - g. programs and expenditures of The Rotary Foundation;
 - h. internal audit matters.
5. All matters of an administrative nature that can properly be considered to fall within the duties and responsibilities of the general secretary, shall be referred to the general secretary for attention and, as needed, for decision, thus relieving the Board of the task of dealing with such matters and preserving to the Board the time at its meetings to consider and act on those

matters of a policy-making nature that by statute or otherwise require consideration by the Board of Directors of the international association.

6. Program proposals from clubs or individuals requiring Board approval should be referred to appropriate advisory committees by the general secretary for consideration and report to the Board. (*July 2013 Mtg., Bd. Dec. 11*)

E. Decisions Made by the Board of Directors

In the consideration of any subject, RI Directors may consider themselves as individuals until a decision is reached by the Board, after which time the decision is to be deemed, reported, and discussed as a decision of the entire Board. The vote and utterances of individual Directors in arriving at the decision shall remain confidential and shall not be made public. Staff attending the Board meeting shall also be expected to maintain confidentiality as above. A director, however, may have his vote recorded upon request, except when the vote has been taken by a secret ballot. On any motion to provide for a secret ballot, a director may record his opposition to having such secret ballot.

All decisions, unless specified otherwise, take effect immediately upon the adjournment of the meeting at which they are made. (*August 1999 Mtg., Bd. Dec. 43*)

Source: July 1999 Mtg., Bd. Dec. 9

F. Consent Items at Board Meetings

At each meeting of the Board for which an advance memorandum is prepared and which includes a listing of items for consideration at the meeting, the Board may take action on one or more agenda items by general consent, i.e., by agreeing to a draft decision without general discussion on an item.

The purpose of consent items is to enable the Board to act expeditiously on matters on which there is general agreement, making discussion of such items unnecessary.

The consent items procedure shall operate in the following manner:

1. Prior to each meeting, the general secretary or a designated member of the staff will develop from the list of agenda items a suggested list of items that might be acted on by the Board by consent. This list must be approved by the president and sent to Directors with the advance memorandum.
2. The list of consent items will be presented early in the Board meeting, at which time any director may ask to have an item removed. If a director wishes to ask for clarification of an item on the list, and if clarification can be provided without general discussion, the item need not be removed from the consent list. Items removed from the list are assigned to the appropriate committee of the Board for discussion and recommendation to the Board.

3. Items may be referred by the president to committees of the Board for discussion and recommendation to the Board. For each item considered, the committees should prepare for the Board a recommended draft decision.
4. Recommended drafts from the committees will be provided to the Board in advance of the Board coming together for consideration of such drafts. A second list of consent items from such recommended drafts will be prepared by the general secretary for consideration by the Board. Any director may ask to have one or more of the recommended decisions removed from the list for full discussion and decision by the Board.
5. On recommendation of the president or any other director, the Board may defer to a subsequent meeting any item or items for which it is felt that the Board does not have sufficient time to consider, or that additional information is needed by the Board before a decision can be taken. (*August 1999 Mtg., Bd. Dec. 43*)

G. Board Agenda Procedures

1. Recommendations from RI committees that are received by the general secretary less than 30 days before a Board meeting shall not be considered by that meeting, unless the president, taking into consideration the expressed views of the liaison director to that committee or any other member of the Board, determines that the subject matter is too urgent to wait until the next meeting of the Board.
2. Approximately 45 days before the beginning of a Board meeting, the president shall meet with the general secretary to review all items suggested to be considered by the Board at that meeting.
3. All advance memorandum items presented for RI Board consideration which have any financial impact on capital or operating budgets of Rotary International must be submitted to Financial Services through the Chief Financial Officer no later than 30 days prior to the Board meeting for analysis of that impact. (see section 68.010.5.)
4. The general secretary shall establish a deadline for the submission of items for consideration by the Board at a particular meeting. Not less than 21 days before the beginning of a Board meeting, the general secretary shall see that the entire advance memorandum, in the form approved by the Board, is e-mailed to each director, except for those few items which for good reason could not be prepared earlier and will be provided later.
5. The president shall refer all items for the Board's consideration to the Administration, Programs, or Executive Committee of the Board, provided that the president may direct that an item be considered only by the full Board.
6. The committees shall recommend a draft decision for each item for the Board's consideration. If the recommendation of the committee is less than unanimous, the recommendation shall state the vote of the committee.
7. The Board's meeting agenda shall be established by the president or a person designated by the president. Agenda items may be suggested by individual directors, the general secretary,

and any group or individual listed under paragraph D.1. of Rotary Code section 28.005. A director may place an item on the agenda during the course of a meeting. Every effort shall be made to distribute such late item(s) to the Board a day before its consideration or, at the request of any director, its consideration may be delayed until after a recess of at least one hour.

8. The president shall establish the order of consideration of agenda items, subject to revision by the Board.
9. A Board meeting committee shall make every effort to finish its consideration of its assigned items within the specified time period; items not considered by that time shall go to the full Board without a committee recommendation.
10. A director's primary responsibility is to his own committee. However, he is encouraged to attend other committee meetings when his interest or expertise on a particular subject would assist the committee in its deliberations.
11. Unless there is a matter deserving extended consideration by all, or unless a director has some information which was not available to the committee during its consideration of the matter, Directors should normally be content with a brief discussion of items that have already been fully considered by a committee of their peers.
12. So that each director shall be informed of the items that will probably be discussed by the Board in the near future, the advance memorandum shall also include a tentative agenda for the next meeting of the Board. (*October 2013 Mtg., Bd. Dec. 30*)

28.010. Selection Methods for Directors

The selection of a director should be conducted in a dignified, responsible manner in harmony with the principles of Rotary. Activities in support of a Rotarian suggested to the nominating committee for director in a zone as a candidate for director should be limited to the submission of the official suggestion form, required photograph and biographical data by the proposing club.

If the nominating committee for director believes that efforts on behalf of a suggested candidate for director exceed the scope of a dignified, responsible suggestion of the candidate, it is the prerogative of the committee to disregard the proposal of such suggested candidate. (*June 1998 Mtg., Bd. Dec. 348*)

28.010.1. Declaration of Duties and Responsibilities of RI Directors

Each candidate for director, and conveners of director nominating committees, shall be provided with a summary of the duties and responsibilities of Directors as set out in the RI Bylaws and in the *Rotary Code of Policies*. The prescribed form used in suggesting candidates for director shall include a signed declaration by the candidate that he or she

has read, understands, and is willing to comply with such duties and responsibilities as they may be amended from time to time. (*February 2002 Mtg., Bd. Dec. 164*)

28.010.2. No Eligible Past Governor Available to Serve on Nominating Committee

Where there is no past governor available for election in a district who meets the qualifications provided in RI Bylaws section 12.020.3., a past governor who is not otherwise ineligible for membership on the committee may serve if the current governor certifies to the general secretary in writing that there are no past governors available for election from that district who meet the qualifications of RI Bylaws section 12.020.3. (*November 2001 Mtg., Bd. Dec. 45*)

28.010.3. Submission of Names for Membership on Director Nominating Committees

Notwithstanding RI Bylaws section 12.020.6., the RI Bylaws deadline of 1 June for submission of names for membership on the director nominating committee is firm. Any individual whose name is submitted by a governor after that deadline (except as provided in RI Bylaws section 12.020.8.) may not serve as a member of the director nominating committee. 28.010.4. Expenses of Nominating Committee for Director

The general secretary shall budget US\$1,500 for each convener of a director nominating committee, which may be used to offset costs of meeting room rental, coffee breaks, and one meal for the committee during its meeting, as well as for out-of-pocket postage, copying, telephone and miscellaneous expenses incurred in making arrangements for the committee meeting, and which may be reimbursed upon submission of an expense report form.

RI will not reimburse the expenses of nominating committee members other than the convener. Each district is encouraged to meet expenses of nominating committee members. (*November 2007 Mtg., Bd. Dec. 52*)

28.010.5. Guidelines for the Functioning of the Nominating Committee for Director

A. Prior to the Meeting

1. The convener shall make the necessary arrangements for the committee to meet at the time (which shall be between the fifteenth and thirtieth days of September) and place decided by the Board of Directors of RI.
2. As soon as possible following the final date (1 September) for receipt by the convener of forms from clubs submitting the names of suggested candidates for consideration by the nominating committee, the convener shall send to the other members of the committee copies of the suggestion forms filed with the convener.

3. There should be no other communication or exchange of information between members of the committee regarding a suggested candidate, prior to the meeting of the committee.
4. Prior to the time of the meeting, members of the committee, in reviewing the qualifications of a suggested candidate, should consider only the information provided in the official suggestion form. So that candidates may be considered on an equal basis, the nominating committee, and the individual members of the committee, should not take into consideration supplementary brochures, circulars, statements, etc., which may be attached to the official suggestion form or otherwise received by the members of the committee.
5. Personal interviews of candidates are not required. However, if the majority of the committee determines that interviews should be offered to all candidates at their expense, they shall be so notified no later than two weeks before the scheduled meeting of the nominating committee. If the committee decides to interview candidates, it must take care that no candidate is disadvantaged because of an inability to come for an interview.

B. The Meeting

1. After the convener has called the meeting to order and reviewed the responsibility of the committee and the work at hand, the first order of business should be the selection of a chair from among the members of the committee. It shall be the duty of the committee chair to ensure that the following criteria are carefully observed and adhered to by the committee.
2. The committee should thoroughly review the qualifications of each candidate. Committee members are encouraged to share their personal knowledge of candidates with one another. The chair, or a committee member appointed by the chair, may contact a candidate to ascertain correct information concerning the candidate's qualifications.
3. The committee should consider, but is not limited to, the following criteria in selecting its candidate:
 - a. Is the candidate a good speaker and able to communicate well?
 - b. Has the candidate demonstrated good leadership ability and relate well to others?
 - c. Do family or work responsibilities prevent the candidate from giving the time necessary to serving effectively as a member of the Board of Directors of RI?
 - d. Is the candidate in good health so as to serve ably as a RI director?
 - e. Has the candidate been active in Rotary beyond the district level and continued to serve Rotary at all levels?
 - f. Has the candidate demonstrated a broad knowledge of Rotary and a strong commitment to the total program of Rotary?
 - g. If married, has the candidate's spouse been supportive of Rotary activities?
 - h. What ideas does the candidate have for changes and improvements in Rotary?

4. A majority of the members of the committee shall constitute a quorum. The transaction of all business shall be by majority vote, except that in selecting the committee's nominee for director, the nominees for director and alternate must receive at least the same number of votes as the number which constitutes no less than a 60 percent majority of the committee.
5. The committee should select an alternate candidate, in the event the candidate who is the first choice of the committee subsequently is unable to serve. The name of the alternate candidate shall be kept confidential.
6. Prior to the adjournment of the meeting of the committee, the chair, on behalf of the committee, should contact by telephone the candidate selected by the committee to determine that person's willingness and ability to serve as director of RI if nominated and elected.

C. Subsequent to the Meeting

1. Immediately following the meeting of the committee, the chair shall notify by telephone or fax all the candidates suggested by clubs for consideration by the committee of its selection of the candidate for nomination as director of RI.
2. As soon as possible following the adjournment of the meeting of the committee, the chair shall telephone or telefax to the general secretary the name and address and acceptance of the nominee. The chair shall later file with the general secretary of RI the written report of the committee naming its selection of a candidate for nomination as director of RI, including an indication that the named candidate has been contacted by the committee and has indicated willingness and ability to serve as director of RI if nominated and elected. The report should also state that, to the best of the committee's knowledge, the selected candidate has not violated RI's rules against campaigning for office. In accordance with provisions of the Bylaws of RI, the written report of the nominating committee must be filed so as to be in the hands of the general secretary no later than ten days following the meeting of the committee.
3. The proposal forms for the candidate selected and the alternate selection shall be transmitted to the general secretary together with the committee's report of its selection; and the proposal forms for the remainder of candidates proposed shall also be transmitted to the general secretary to be destroyed not earlier than the second day of December. The name of the alternate candidate shall otherwise be kept confidential.
4. Members of the committee are not to discuss with anyone their deliberations within the committee at any time or reveal the name of the nominee until after all candidates have been notified. (*February 2000 Mtg., Bd. Dec. 298*)

28.020. Directors-elect

28.020.1. Director-elect Orientation

During the year before they begin their term of service on the Board, RI Directors shall receive informative mailings from the Secretariat and receive an orientation at the World Headquarters, supervised by the president-elect and general secretary. Directors-elect shall also attend as observers the last meeting of the Board prior to taking office.

As part of the annual orientation for Directors-elect, information regarding the role and responsibilities of the Board should be emphasized. The general secretary should include information regarding the legal and fiduciary responsibilities of members of a non-profit board, and update Directors as necessary throughout the year.

The Trustees of The Rotary Foundation are requested to consider giving the Directors-elect an orientation on the Foundation and the operations of the Trustees during each International Assembly. (*November 2004 Mtg., Bd. Dec. 47*)

The Board shall review and determine the dates and places of meetings of the Board annually at its second meeting preceding the Rotary year in which the meetings will be held. When possible, meetings will be spaced so that the Board meets one time in each calendar quarter. (*May 2011 Mtg., Bd. Dec. 187*)

28.030.4. Extension of Board Meeting Preceding the Council

The June Board meeting in the year preceding the Council may be extended by one or two full days, as necessary, for the following purposes:

- 1) To confer with the Council chair about the physical arrangements and the procedural aspects of the Council
- 2) To review all proposed legislation pursuant to Section 7.050. of the RI Bylaws
- 3) To consider the recommendations of the Constitution and Bylaws Committee and the Legislative Advisory Committee
- 4) To begin orientation and training before the Council with the Board Advisor. (*June 2007 Mtg., Bd. Dec. 226*)

28.030.5. Voting by Mail Ballot

The use of the ballot-by-mail method of voting by the members of the Board should be restricted to those cases of extreme urgency that do not involve the establishment of any new policy, and that cannot be delayed until the next meeting of the Board. (*June 2001 Mtg., Bd. Dec. 310*)

28.030.6. Prior Review of Board Items By Committee

The Administration, Programs, and Executive Committee of the Board shall consider all items referred to it by the president in accordance with section 28.005. G. 5. and 6.

A Board committee shall make every effort to finish its consideration of its assigned items within the specified time period. Items not considered by that time shall go to the full Board without a committee recommendation.

After completing their committee work, Directors are encouraged to attend other Board committee meetings as observers.

Unless there is a matter deserving extended consideration by all, or unless a director has some information which such director is reasonably certain was not available to the committee during its consideration of the matter, Directors should normally be content

with a brief discussion of items that have already been fully considered by a committee of their peers. (*January 2012 Mtg., Bd. Dec. 158*)

28.030.10. Closed Sessions at Board Meetings

28.030.11. Board Interaction with Staff

The following plan shall be followed in an effort to continue the good and productive relationship between the Board, the general secretary and the staff.

If feasible, at each meeting in Evanston of the Executive Committee, time will be allotted for an informal discussion of items of mutual interest between the committee and the general secretary and those senior managers who report to the general secretary.

Once each year, if feasible, the president will arrange with the general secretary to hold an informal meeting in Evanston of the Board and the general secretary and all senior managers, as defined by the general secretary, to discuss matters of mutual concern.

The president, in consultation with the general secretary, shall determine the items to be discussed at each meeting, after each has conferred with all Directors and senior staff respectively.

It is understood that other persons may be added to the meetings referred to above, as appropriate, at the discretion of the president and the general secretary.

If feasible, Directors should consult the appropriate Senior Manager before bringing to the Secretariat staff new assignments or requests for information or assistance. This procedure will maintain staff priorities, responsibilities and accountability. However, this procedure is not necessary when a regular working relationship on a similar matter has been previously established between a director and a staff member. A director may continue to use the Corporate Governance area to convey the new request to a senior manager. (*October 2013 Mtg., Bd. Dec. 30*)

The general secretary shall provide printed minutes of Board meetings within 60 days following each meeting of the Board. Appendices to the minutes shall be filed only with the official copy of the minutes only if the decision of the Board to which such appendix relates specifically states that such appendix is to be filed only with the official copy of the minutes. Statements shall be limited to approximately 300 words. The first party to file an appeal shall be given the first option to draft a statement in support of its appeal. If it declines, this option shall pass to the second club to file the appeal, if any, and so on. The general secretary is instructed to prepare and confirm appropriate arrangements to receive and recognize the officers and members of the Board at any meetings, gatherings or receptions to which they may be invited. Such arrangements include, but are not limited to, appropriate seating arrangements, translation service, assistance in conformity with local customs and similar matters. Extreme care should be taken not to schedule events that may affect the time required for the Board to transact its business.

General officers and incoming general officers shall be appropriately informed by the president with respect to events they may be required or expected to attend, as well as those at which their attendance would not be appropriate, with such information to be clearly provided to each such person in order to avoid possible embarrassment. (*June 2002 Mtg., Bd. Dec. 245*)

28.040.1. Invitations to Speak

Travels and speaking engagements by members of the Board need not be specifically approved by the president but should not conflict with the president's travel plans. To avoid conflicts in speaking engagements, Board members shall keep the general secretary informed of their travel plans and shall obtain from the general secretary information on the president's travel plans and those of other Board members. 28.040.2. Expenses for Club and District Visits

RI does not reimburse Directors or past Directors for unlimited travel and housing. Therefore, when clubs and districts invite Directors to an event, such clubs and districts should pay the reasonable travel and lodging expenses of the Directors. However, clubs and districts should not otherwise be expected to contribute, or be asked by any person or group to contribute, to the personal or program expenses of Directors, but may contribute on a voluntary basis toward the operating costs of Rotary institutes. 28.050. Spouse Training and Attendance at Rotary Meetings

Spouses of Directors must be informed of current developments in the international association, including the operations of the Secretariat, and therefore, the general secretary is requested to develop a program for directors' spouses who attend Board meetings in Evanston which includes,

but is not limited to, instructional sessions, seminars, public service programs, and presentations from senior managers and other relevant staff as determined by the general secretary regarding developments in Rotary programming, events, meetings and Secretariat operations, which programs should constitute a substantial portion of the spouse's activities at such meetings. Where such spouses do not attend such sessions, the general secretary is requested to treat the travel expenses of such spouses as personal expenses. (*June 2005 Mtg., Bd. Dec. 337*)

28.060. Relationship Between Directors and Governors

Directors represent all clubs in the administration of Rotary. Governors are under the general supervision of only the Board. However, because of the director's place of residence and familiarity with the zone, a special relationship exists between the director and the governors of districts in the zone from which the director has been nominated or the zone that alternates with it. Consistent with the basic roles of RI officers, the special relationship between Directors and governors can enhance the program of Rotary. Individual Directors should advise the Board in matters coming to the Board for which familiarity with the associated locale, its customs, practices and individuals would be helpful. Directors and governors should exchange information on district activities and Board action. Governors should consult informally with appropriate Directors about such matters as interpretation of Board action, serious district or inter-district problems or possible future formal communication to the Board. 28.070.1. Future RI General Officers Serving as Trustees

It is not appropriate for a general officer of Rotary International to serve at the same time as a Trustee of The Rotary Foundation and, therefore, the Board requests Trustees who have been elected as RI president or RI director to resign from the TRF Board of Trustees before beginning their term as an RI officer. 28.080. Conflict of Interest Policy

The RI Board has adopted a “Conflict of Interest Policy” for general officers and RI committee members as follows:

I. Statement of Policy

A. No member of the Board of Directors of Rotary International or any member of an RI committee shall use his or her position, or the knowledge gained therefrom, in such a manner that a conflict between the interest of Rotary International and his or her personal interest arises.

B. Each Board member and RI committee member has a duty to place the interest of Rotary International foremost in any dealings with the organization and has a continuing responsibility to comply with the requirements of this policy.

C. The conduct of personal business between a member of the Board or of a committee and Rotary International is prohibited.

D. Loans or indirect extensions of credit by Rotary International to a member of the Board or of a committee are prohibited.

E. If a Board member or an RI committee member has an interest in a proposed transaction with Rotary International in the form of any personal financial interest in the transaction or in any organization involved in the transaction, or holds a position of trustee, director, or officer in any such organization, he or she must make full disclosure of such interest to the President (or in the case of the President, to the Executive Committee Chairman) before any discussion or negotiation of such transaction. If a director is aware that another director has an undisclosed potential conflict of interest in a proposed transaction with Rotary International he or she must inform the President (or if the other director is the President, to the Executive Committee Chairman) as soon as possible. If an RI committee member is aware that another RI committee member has an undisclosed potential conflict of interest in a proposed transaction with Rotary International he or she must inform the President as soon as possible.

F. Any member of the Board or of a committee who is aware that he or she has a potential conflict of interest with respect to any matter coming before the Board or a committee shall not be present for any discussion of or vote in connection with the matter. The existence and nature of the potential conflict of interest shall be recorded in the minutes of the meeting.

G. Each member of the Board and RI committee member must disclose any family or business relationship that he or she has with another member of the Board, Trustee of The Rotary Foundation, key employees or highest compensated independent contractors of Rotary International or The Rotary Foundation as those individuals or firms are identified annually by the general secretary.

II. Disclosure

To implement this policy, Board members of Rotary International will submit annual reports on the attached form entitled “Potential Conflict of Interest Statement” and, if not previously disclosed, will make disclosure of all potential conflicts of interest prior to any relevant Board or committee action.

These reports will be reviewed by the Executive Committee, which will attempt to resolve any actual or potential conflicts and, in the absence of resolution, refer the matter to the Board of Directors. A potential conflict of interest will be deemed to exist upon an affirmative vote of a majority of the directors voting in the decision. The director with the potential conflict of interest shall not be present for the vote.

RI committee members will submit annual reports on a form entitled “Potential Conflict of Interest Statement” and, if not previously disclosed, will make disclosure of all potential conflicts of interest prior to any relevant committee action. These reports will be reviewed by the President, who will attempt to resolve any actual or potential conflicts or take further action as appropriate. (*May 2011 Mtg., Bd. Dec. 193*)

28.090. Code of Ethics

1. Directors will adhere to applicable laws and regulations in the conduct of Rotary business as well as in their personal lives. As a corporate business entity, Rotary International is subject to the laws of the various jurisdictions in which it conducts business. The Board should adhere to applicable law in order to protect the assets and mission of the association. In addition, in conducting their private lives, directors should adhere to applicable law in order to preserve and protect the positive image of Rotary.
2. Directors will adhere to the provisions of RI’s constitutional documents. Board members have a legal obligation to follow the provisions of RI’s constitutional documents. Moreover, these documents embody the democratic will of Rotary’s membership as represented at the triennial Council on Legislation. Through these documents the membership has established standards expected of the Board. Adherence to their terms garners the trust of the membership and assures that actions are taken consistent with members' expectations.
3. Directors will adhere to the provisions of the policies established by the Board as documented in the *Rotary Code of Policies*. Over the years, the Board has established policies and procedures, documented in the *Rotary Code of Policies*, to further the aims of the association as well as to protect its mission. Many of these provisions are designed to assure good governance and promote an ethical image. Adhering to these policies demonstrates a commitment to these ideals while protecting the association.
4. Directors will serve for the benefit of Rotarians and the purposes of RI. Directors will follow the requirements of the Board’s Policy on Conflicts of Interest. Directors have a duty of loyalty to RI. They should put the interests of the association first. The Board has adopted a Conflicts of Interest Policy that is designed to preclude even the appearance of any impropriety as to Board action. This assures continued confidence by Rotarians in their Board.
5. Directors will not utilize their office for personal prestige and/or benefit. With the authority inherent in an office of importance comes access to special privileges not available to other Rotarians. Taking advantage of such privilege distracts from critical responsibilities and calls into question the commitment to the Objects of Rotary.

6. Directors will exercise due care in the diligent performance of their obligations to the association. By law, directors have a duty of care to the association. Directors should perform their responsibilities with such care, including reasonable inquiry, as ordinarily prudent persons in like positions would use under similar circumstances. Directors should inform themselves, prior to making a business decision, of all material information reasonably available to them.
7. Directors will take actions based on an essential fairness to all concerned. Directors are often faced with decisions that will significantly impact various Rotarian groups and individuals. So as to maintain the confidence of Rotarians that the Board acts fairly and in the best interests of the association, Directors, in a manner consistent with the 4-Way Test, should weigh the potential impact of their decisions and treat equally all persons who will be affected.
8. Directors will promote transparency of important financial information. Directors are the stewards of the association acting on behalf of Rotary clubs and Rotarians. Rotarians have a right to access accurate information regarding the financial condition of the association. Transparency in financial operations encourages ethical behavior.
9. Directors will prohibit and restrict the disclosure, communication, and utilization of confidential and proprietary information. In fulfilling their responsibilities as members of the Board, directors necessarily have access to confidential and proprietary information. As part of their duty of loyalty, directors should utilize this information only for intended purposes, never for personal ones, and take precautions against accidental disclosure.
10. Directors will comply with expense reimbursement policies. The Board has adopted a policy on the procedures for reimbursement of Rotary related expenditures. Following these procedures ensures compliance with applicable laws and precludes the appearance of impropriety.
11. Directors will interact with RI and TRF staff in a professional and respectful manner and shall understand and abide by Rotary International's non-harassment policy. Directors come into regular contact with RI and TRF staff. Maintaining a professional and harassment free work environment is essential for staff to successfully perform their responsibilities in providing service to Rotarians. Moreover, harassment in the workplace can put the assets of the organization at risk. The General Secretary has developed a policy for prevention of harassment in the workplace. What constitutes acceptable interaction may vary among the different cultures represented on the Board and in the Secretariat. The harassment policy provides guidance on what is proper interaction with staff. Board members should be familiar with and adhere to the policy so as to avoid even unintentional improper interaction.
12. Directors will adhere to this Code of Ethics, encourage other board members to do so as well and report any suspected or potential violations to the General Secretary or the President. The efficacy of this Code of Ethics is dependent on compliance of the Board. By self-monitoring and encouraging other Board members to comply with the Policy, the Board can assure that the goals of the Policy will be accomplished. *(June 2005 Mtg., Bd. Dec. 272)*

28.090.1. Implementation

The Code of Ethics shall be distributed to and reviewed with directors-elect as part of their orientation session. It will also be provided to directors at least annually. Each director will annually acknowledge that he has read the Code and understands and will comply with his responsibilities hereunder.

The Code of Ethics will be made available to all Rotarians upon request and will be published on RI's website. Additionally, the Code will be published in RI's annual report, or alternatively, the annual report may refer readers to the version published on RI's website. (*June 2005 Mtg., Bd. Dec. 272*)

Source: June 2005 Mtg., Bd. Dec. 272

28.090.2. Interpretation and Enforcement

When made aware of a potential or alleged violation of the Code of Ethics, the General Secretary and the President will provide available details to the Executive Committee. The Executive Committee will then obtain all relevant information and take such action as it deems appropriate, including providing counsel to the alleged violator and providing recommendations to the Board for corrective action. Only the Board may take disciplinary action against a director, consistent with RI's constitution and bylaws and the *Rotary Code of Policies*. (*June 2005 Mtg., Bd. Dec. 272*)

28.100. Indemnification of RI Directors and Officers

The Board has adopted the following statement pursuant to its authority under Article 23 of the RI Bylaws:

Rotary International shall indemnify all of its present and former directors and officers to the full extent permitted by the Illinois General Not for Profit Corporation Act of 1986, or any successor legislation adopted by the State of Illinois of the United States of America, the relevant indemnification provisions of which act are hereby incorporated herein by reference. In addition, Rotary International may, upon approval of the directors, indemnify any committee member or agent of Rotary International to the full extent permitted under the said General Not for Profit Corporation Act. Rotary International shall also cause to be purchased insurance for such indemnification of its officers and directors to the full extent determined from time to time by the directors of Rotary International. To prepare for the ensuing year, to effect a smooth transition from one president to another and to enhance the continuity of one Rotary year with the next, the president-elect may schedule committees which are to function during the next Rotary year to meet up to three months in advance of that year, which will allow for advance planning. Such meetings should not interfere in any way with the current year's programs and meetings. 29.080. Guidelines for Aides to RI Officers

The RI Board has adopted “Guidelines for Aides to RI Officers.” RI presidents, Directors, or Foundation Trustees may develop guidelines that are specific to their special travel needs and that vary from these guidelines.

The duties will vary depending on the duration of the stay and the type of activities planned. The overall responsibility is to be sure that the officer is comfortable, arrives on time for all events, and enjoys the visit.

The following guidelines are to be followed by the aide(s):

1. Before arrival, the aide’s responsibilities are to:

- a. Send information to the officer giving details about himself/herself, such as address, telephone and fax numbers, and name of spouse and photos, if possible;
 - b. Inform officer of any special dress obligations (formal wear, etc.) during the time of the visit; ask for any specific requests from officer;
 - c. Send the officer, or confirm that event organizers have sent, complete program for the entire time of the visit, including information on all presentations or speeches the officer will be expected to make and any other commitments, visits or activities in which he/she will be expected to participate, as well as general background on the host club(s) and/or district(s);
 - d. Have information on hand as to medical help (hospital, doctor, dentist) for emergencies;
 - e. Inquire about any special accommodation needs or preferences the officer may have (type of beds, smoking/non-smoking, etc.) and any dietary restrictions or allergies;
 - f. Check hotel arrangements
 - 1) Pre-register officer (and spouse, if appropriate);
 - 2) Have key to deliver to the officer personally;
 - 3) Check room to make sure that it is ready for occupancy;
 - 4) Check billing instructions, so there are no problems with checkout. Be sure that arrangements for payment are clear. If the officer is expected to pay directly, be sure the officer is aware of this prior to check-in. Review the hotel bill on behalf of the officer;
 - g. If there are registration materials and/or badges for the event, secure that material in advance and check to be sure names are spelled correctly and that all necessary material and information is included in the materials.
2. During the officer's stay, the aide's responsibilities are to:
- a. Meet the officer at the airport (or other point of arrival), assist with baggage as needed and provide transportation, as needed, throughout the visit;
 - b. Be sure the officer knows how to contact you at all times during his/her stay;
 - c. Be sure the officer knows the exact time he/she is to be picked up for any activity;
 - d. Escort the officer and his/her spouse to each activity and stay with them at the activity. If possible, know the seating arrangements in advance and have your seats as close to them as possible;
 - e. Introduce the officer to other participants and provide as many opportunities as possible for the officer to interact with other Rotarians and guests. However, it may also be necessary to be available to help move the officer through a crowd or prevent one person from monopolizing the officer;
 - f. Be attentive to any need of officer and spouse during the activity; be protective and helpful, but not overbearing or intrusive;
 - g. Handle any gifts or literature the officer may receive. If possible, make sure a business card is attached to these items. If necessary, send gifts to the officer's home or office following the event. Please also send a list of the gifts received with the complete name and address of the giver;
 - h. Keep the event organizer(s) informed about any needs or desires of the officer;
 - i. Do not plan any activities other than those already planned by the coordinator of the event, unless specifically asked to do so by the officer;
 - j. Be ready for the unexpected; to the extent possible, anticipate situations; do not be afraid to ask officer what her/his wishes are;

- k. Be prepared to carry out various "ad hoc" responsibilities. For example, you may be called upon to serve as "photographer" for those wishing to have photos taken with the officer.
3. Following the event, the aide's responsibilities are to:
- a. Provide (or arrange) transportation back to the airport (or other point of departure) for the officer and spouse, including assistance with baggage;
 - b. If needed, ship large gifts or mementos to the officer. (*February 2004 Mtg., Bd. Dec. 159*)

29.080.1. Guidelines for the Selection of Aides to RI Officers

The RI Board has adopted "Guidelines for the Selection of Aides to RI Officers." RI presidents, Directors, or Foundation Trustees may develop guidelines that are specific to their special travel needs and that vary from these guidelines.

The role of the aide to the RI president or other RI officer is to provide assistance and information to the officer before, during and after the visit of the officer. The selection of the aide should be based on the ability of the individual(s) to fulfill the responsibilities of the assignment. Please take the following guidelines into consideration when appointing a Rotarian to serve as the aide to a visiting RI officer.

The aide must

1. be a knowledgeable and experienced Rotarian, preferably a past district governor or past director, with an understanding of Rotary protocol, and be well-versed in host club/district activities and information;
2. be available to the officer throughout the visit/event;
3. have the stamina to maintain the demanding schedule of the event;
4. be well organized, punctual and patient;
5. be fluent in the language of the officer and able to provide interpretation if the officer is not conversant in the language used in the host area;
6. provide/arrange transportation for the officer, if needed;
7. be fully informed on the officer's schedule and needs;
8. be able to carry out all duties outlined in the "Guidelines for Aides to Rotary International Officer."

If the officer is bringing a spouse/partner, the spouse/partner of the aide should also be available for the entire event and willing to serve as aide to the officer's spouse/partner. (*February 2004 Mtg., Bd. Dec. 159*)

31.010.6. Procedures For Selection/Resignation/Termination of General Secretary

The Board of Directors of Rotary International shall be the sole body which is authorized to employ, review, terminate or accept the resignation of the general secretary. Pursuant to its authority under the RI Constitution, RI Bylaws, and laws of the State of Illinois, the Board has adopted the following "Procedures for the Selection/Termination of the general secretary." These steps must be handled sequentially.

Selection

1. One year prior to expiration of the contract, the general secretary will notify the Executive Committee of the Board in writing as to whether or not he/she wishes to renew the contract as general secretary.
 - a. If a renewal is desired, the Executive Committee shall review the performance of the general secretary, including past performance reviews. The Executive Committee shall then report to the full Board who will decide whether to extend the contract. Before reaching a decision, the Board also may decide to open the position to a search;
 - b. If the Board agrees to extend the contract with the general secretary, the Executive Committee shall negotiate the new agreement as directed by the Board.
2. If the general secretary decides not to seek renewal of the contract, or if the Board does not extend the contract or desires to consider other candidates, the Executive Committee shall serve as a Search Committee. A member of The Rotary Foundation Board of Trustees shall be invited to serve as a member of the Search Committee.
 - a. The Search Committee shall retain an external executive recruiting and search firm to assist with the selection of the next general secretary;
 - b. Resumes will be sent to and collected by the external search firm. All resumes or summaries of the resumes will be forwarded to the Search Committee along with an analysis and recommendation of each candidate;

- c. The Search Committee will determine which candidates will be interviewed. Such candidates' expenses associated with the interview process will be covered pursuant to the RI Travel Policy;
- d. Working with the committee chair, the external search firm will schedule interviews with no fewer than five candidates;
- e. The Search Committee shall review the candidates' resumes, interview the candidates, and through its chair, present no fewer than three candidates to the Board. These three or more candidates shall be invited to appear before the full Board. The chair of the Executive Committee shall chair the interview process in full Board session;
- f. The full Board elects a new general secretary prior to 31 March pursuant to RI Bylaws 6.030. The Executive Committee or a sub-group of the Executive Committee, plus other Directors as determined by the Executive Committee, shall form a committee to negotiate the contract. The General Counsel will work with the Executive Committee to engage a U.S. employment law attorney to assist the committee in its negotiations with the new general secretary. After negotiation, the contract shall be shared with the full Board.
- g. The contract must be signed by 30 April and becomes effective the following 1 July.

Resignation

In the event that the general secretary tenders his/her resignation from office, the letter of resignation shall be addressed and forwarded to all members of the Executive Committee of the Board. The Executive Committee shall then forward such resignation letter to the members of the Board. The Board shall direct the Executive Committee pertaining to such resignation. The Executive Committee shall represent the Board in all matters pertaining to the resignation, and report its actions to the Board.

Termination

(Illinois is an "at-will" state in which an employee can be terminated or resign without reason or notice. However, employment contracts may define procedures for termination by either party.)

1. Any member of the Board can make a written recommendation to the Executive Committee Chair to terminate employment of the General Secretary. The Chair must pass the recommendation(s) to the Executive Committee.
2. The Executive Committee may or may not invite the writer to meet with it.
3. If the Executive Committee decides not to act upon the recommendation for termination, it will inform the member of the Board of its decision in writing.

4. If the Executive Committee decides to seek termination, it shall, in accordance with procedures outlined in RI bylaws section 5.040., invite the General Secretary to appear before the full Board. If the Board subsequently concurs by majority vote to terminate employment, the President will inform the General Secretary in writing.
5. The Executive Committee shall finalize any details regarding termination and report back to the Board. (*January 2011 Mtg., Bd. Dec. 119*)

All invitations for RI staff members to attend any Rotary institute, club or district function or any other Rotary meeting or event shall be sent to the general secretary, who shall determine whether such invitations should be accepted and which staff member(s) should attend which meeting or event. In making such determinations, the general secretary shall be satisfied that the requested attendance could enhance the work of the staff member(s) assigned or that the meeting or event itself is of such significance that staff representation could be considered complementary to the public relations, field service or other program objectives or the association.

For Rotary institutes, RI normally will pay the expenses of only one staff member to such institute, except for staff attending to conduct seminars or other events arranged by RI, or when the attendance of additional staff is consistent with the achievement of any authorized program activity for which funds have been appropriated and are available. The expenses of other staff invited and assigned by the general secretary to an institute shall be borne by that institute. Staff attendance at club or district functions shall be at no or minimal expense to RI.

Where practical, staff attendance at all club, district, regional/zone or other Rotary meetings or events shall be combined with other official travel by such staff. (*June 1998 Mtg., Bd. Dec. 348*)

33.030. Use of Emblem

33.030.1. Rotary Emblem Specifications

The official emblem of RI is a gear wheel of six spokes or arms, 24 teeth or cogs and a keyway; one tooth is placed on the center line of each arm and three in between the center lines of arms. The wheel is designed in accordance with the proportions given in the table below. The two words "Rotary International" appear in depressed spaces in the rim. With the wheel standing on edge, the word "Rotary" appears in the depression at the top which occupies a space of about five teeth, and the word "International" appears in the depression at the bottom which occupies the space of about nine and one-half (9 1/2) teeth. On each side and between these two depressions are two other depressions without lettering. The space between any two of these four depressions is about two units in accordance with the proportions given below and the space between the depressions and either edge of the rim is one and one-half (1 1/2) units. The arms are tapered and elliptical in cross-section. When the wheel is standing on edge with the word "Rotary" at the top, the center lines of two opposing arms form a vertical diameter of the wheel, and bisect the keyway which has reached the highest point in its revolution. The sides of the teeth are slightly convexed outward, so that the space left between teeth is approximately mechanically correct. The proportions for the correct design are

- Overall diameter 61 units
- Center to base or root of teeth 26 units
- Width of rim (inside edge to base of teeth) 8½ units
- Hub diameter 12 units
- Shaft diameter 7 units
- Arms or Spokes
 - Width where they join the rim (sides projected) 5 units
 - Width at center of shaft (sides projected) 7 units
- Vertical section of keyway
 - Width 1¾ units

Depth $\frac{7}{8}$ units
Teeth or cogs
Width at base $4\frac{1}{4}$ units
Width at tip $2\frac{1}{4}$ units
Height $4\frac{1}{2}$ units
Lettering
Width of depressed space $5\frac{1}{2}$ units
Height of letters 4 units

It should be noted that in order to make the wheel more emblematic of service, a keyway has been added to the above description. In a one-dimensional reproduction, the hub of the gear wheel should be demarcated by a circle surrounding the keyway. If it is a three-dimensional reproduction, the hub should be raised. And furthermore, the position of the spokes has been established.

The Rotary emblem may be reproduced in any one color. If it is reproduced in more than one color, it should be reproduced in its official colors of royal blue and gold. Gold can be represented as a metallic color or as a yellow. The following specific PMS colors should be used: PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U 1130C Yellow. The Rotary colors should be worked into the emblem as follows: The entire wheel should be of gold, with the four depressed spaces in the rim of royal blue. The words "Rotary" and "International" in the depression should be of gold. If it is a one-dimensional reproduction, the circle demarcating the hub should be of blue. The shaft opening, keyway, and areas between the arms/spokes should be left blank, as should the areas between the spokes. To allow for more clarity of the emblem against certain backgrounds, an outline around the outer perimeter of the emblem may be added. In such instances, the outline of the outer perimeter of the emblem should be of blue. (In a black reproduction of the emblem, a black line around the outer perimeter is a necessary feature of the mark.) (*June 2013 Mtg., Bd. Dec. 242*)

- d) On road signs of member Rotary club

The following constitute improper usage:

- c) On business stationery or business cards of individual Rotarians

33.030.5. Use of Distinctive Regalia to Indicate Position in Rotary

The use by Rotarians of distinctive badges, jewels, ribbons, etc., indicative of official position in Rotary is not in harmony with an organization of business and professional people and community leaders. Accordingly, the use of such regalia is disapproved except in those countries where local custom dictates otherwise, with the understanding that the simple and temporary nameplates and ribbon badges used at Rotary conventions and conferences are not included in this disapproval. 33.030.6. Use of the Rotary Emblem or other Rotary Marks by Rotary Entities

When used by itself, the word "Rotary" or the Rotary Emblem normally refers to the entire organization, Rotary International. It also means the ideals and principles of the organization. As a general rule, all club, district, multidistrict and other Rotary Entity activities must include identifiers of the club, district, multidistrict group or other Rotary Entity when using the Rotary Emblem or other Rotary Marks. Such identifier must be in close proximity to and in equal prominence with the Rotary Emblem or other of the Rotary Marks.

The Rotary Marks must always be reproduced in their entirety. No alterations, obstructions or modifications of the Rotary Marks are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up.”

The Rotary Marks may be reproduced in any one color, but if they are to be reproduced in more than one color, they must be reproduced in their official colors: royal blue and gold (PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U I 130C Yellow) for the Rotary Emblem, the TRF logo and the Interact emblem; red and gold (PMS 201 Red; PMS 871 Metallic Gold or PMS 129U I 130C Yellow) for the Rotaract emblem. Rotarians planning any club, district, or multidistrict community projects that are to include the name “Rotary” or the Rotary Emblem without a further identifier must be licensed by RI under the provisions of *Rotary Code of Policies* section 33.040.7. Other Rotary Entity projects or programs that are to include the Rotary Emblem or other Rotary Marks without a further qualifier, must first seek Board approval. Rotarians coordinating existing projects and programs should review and make necessary changes to the project or program names and materials, consistent with this policy. (*June 2013 Mtg., Bd. Dec. 242*)

33.030.7. Use of the Rotary Emblem with Program Emblems

The Rotary emblem may be incorporated in insignia which include names or other emblems descriptive of a Rotary program, provided that the insignia are under the exclusive control of the Board and that no such insignia will be used in a pin that can easily be mistaken for the RI emblem lapel pin reserved for Rotarians and honorary Rotarians.

All program logos currently used by RI and its Foundation, and all such logos deemed necessary in the future, should include the Rotary emblem.

The general secretary is authorized to approve, on behalf of the Board, specific insignia for Rotary-sponsored programs that incorporate the Rotary emblem for use by program participants, provided that such actions meet the requirements of the RI Constitution (article 13) and Bylaws. 33.030.8. Deviation from Official Emblem

No deviation from the official RI emblem shall be authorized. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up.” (*June 2013 Mtg., Bd. Dec. 242*)

33.030.9. Symbolic Representations of Rotary

No statue, icon or other permanent symbolic representation purporting to express or interpret the spirit of Rotary shall be adopted, accepted, authorized or recognized. Only the established official emblem of Rotary International shall be recognized. All other efforts to express the spirit of Rotary in symbolism should be and are discouraged. (*June 1998 Mtg., Bd. Dec. 348*)

33.030.10. Official Flag

The Official Flag of Rotary consists of a white field with the official emblem of the organization emblazoned in the center of the flag. The entire wheel should be of gold, with the four depressed spaces in the rim of royal blue. The words "Rotary" and "International" in the depressions should be of gold. The hub and the keyway white.

A Rotary club displaying this flag as a club flag may use in large blue letters above the wheel the words "Rotary Club" and below the wheel the names of the city and State [state], or province, or country. (*June 1998 Mtg., Bd. Dec. 348*)

33.030.11. Official Colors

The official colors of RI are royal blue and gold. (*Note: Gold can be represented as a metallic color or as a yellow. The following specific PMS colors are used when printing the Rotary Emblem and the Rotary Foundation logo: PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U 1 130C Yellow.* (*June 2013 Mtg., Bd. 33.030.12. Commercialization of the RI Name and Emblem

Sponsorship and cooperative relationships are not commercialization of the RI emblem and other Rotary Marks. The second sentence of RI Bylaws section 18.020. is sequential to the first, and hence would not prohibit,

- a) for sponsorship purposes, the use of the RI emblem and other Rotary Marks with the mark of another organization
- b) for cooperative relationship purposes, the use of the RI emblem and other Rotary Marks with the mark of another organization

Each sponsorship relationship should terminate with the completion of the sponsored event.

Any contract with a sponsor or cooperating organization of RI or TRF must contain restrictive language in concert with current Board policy regarding the use of the Rotary Marks. (*Aug 2000 Mtg., Bd. Dec. 64*)

33.030.13. The Rotary Marks in Combination with Other Marks for Commercial Purposes

Except as specifically allowed under RI's licensing system and under the provisions of RI's sponsorship and cooperative relationship policies, the use of the Rotary Marks in combination with any other name or emblem for any commercial purpose is not recognized by RI. None of the Rotary Marks may be combined with or incorporated into the logo or insignia of another organization or for any program not under the exclusive control of RI, no matter how worthy. 33.030.14. RI and TRF Guidelines for Use of the Rotary Marks by Sponsors and Cooperating Organizations

1. For the limited use granted herein, Rotary International (hereinafter "RI") (or The Rotary Foundation (hereinafter "TRF")) [~~strike out whichever does not apply~~] recognizes that [name of sponsor or cooperating organization] (hereinafter "Sponsor") may use the Rotary Marks, as defined below, in the following manner(s) and subject to the following provisions.

2. Sponsor recognizes that RI is the owner of numerous trademarks and service marks throughout the world, including, but not limited to, "Rotary," the Rotary emblem, "Rotary International," "RI," "Rotary Club," "The Rotarian," "The Rotary Foundation," the Rotary Foundation logo, "Rotarian," "Rotaract," "Rotaract Club," the Rotaract emblem, "Interact," "Interact Club," the Interact emblem, "Interactive," "Paul Harris Fellow," the image of Paul Harris, "PolioPlus," the PolioPlus logo, the convention logo, the Presidential Theme logos, "Service Above Self," among others (the "Rotary Marks").

3. Nothing in the limited use granted herein will constitute an assignment or license of any of the Rotary Marks by RI to Sponsor.

4. Sponsor recognizes that RI (or TRF) retains control over where recognition materials are allowed to be displayed in the various venues of RI authorized meetings, RI or TRF events or publicly displayed otherwise in connection with the sponsorship, partnership or alliance.

5. Sponsor recognizes that RI (or TRF) reserves the right to pre-approve publications and other media in which Sponsor wishes to advertise using the Rotary Marks, and to approve all uses of the Rotary Marks in any materials connected with the sponsorship or partnership in any and all media, including, but not limited to, for publicity and promotional purposes. Sponsor further recognizes that each use contemplated herein will be subject to a pre-publication review and approval process by Rotary or Rotary's legal counsel. RI retains the sole right to specific denial or authorization of such use or, in the case of alteration (of copy or layout), to be mutually agreed upon by the parties.

6. Sponsor agrees that any use of its logo in any advertisement or promotional materials directly related to a sponsored Rotary event or project (including, but not limited to, recognition materials such as banners or signs) must be of equal or lesser unit size to the

Rotary emblem (or other Rotary Marks, at the sole discretion of RI (or TRF)), unless the Rotary emblem or other Rotary Mark is part of a repetitive background screen. RI allows for overwriting of the Rotary emblem or other Rotary Mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed. RI agrees that in cases where the sponsor might wish to highlight its role in sponsoring a Rotary event or project in conjunction with its regular advertising, the Rotary emblem may be smaller than the sponsor's logo.

7. Sponsor recognizes that, without altering the provisions set out in paragraph 6 above, the Rotary Marks may not be altered, modified or obstructed but must be reproduced in their entirety. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with "Rotary" as part of the "digital and small space signature lock-up."

There should be no overlap between Sponsor's logo and the Rotary emblem or other Rotary Mark; the two images should be clearly spaced so as to be two separate and distinct images.

8. The Rotary Marks may be reproduced in any one color, but if they are to be reproduced in more than one color, they must be reproduced in their official colors of royal blue and gold (PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U 1 130C Yellow) for the Rotary emblem and the TRF logo; information available on other Marks, as necessary.

9. Sponsor recognizes that the Rotary Marks may only be reproduced by a vendor authorized by RI to do so. Whenever possible, reproductions of the Rotary Marks should be done by an RI officially licensed vendor. If the desired goods are not reasonably available from a RI licensee, a release must be obtained from the RI Licensing Section.

10. If goods are being produced in connection with an alcohol industry sponsor, the Rotary emblem should not be included on the labels of the alcohol products. (*June 2013 Mtg., Bd. Dec. 242*)

33.030.15. Rotary Marks on Publications

It is improper for the Rotary Marks to be used on a pamphlet, on a website, or in any other promotional materials issued by anyone other than RI or another Rotary Entity, except in accordance with RI's sponsorship and cooperative relationship policies and under the provisions of RI's licensing system. The Board has adopted specific guidelines for community projects for Rotary clubs and districts. (*See Rotary Code of Policies sections 33.040.6. and 33.040.7.*) (*May 2011 Mtg., Bd. Dec. 202*)

33.040.2. Use of Rotary Marks in Connection with Buildings and Other Permanent Structures

The use of the Rotary Marks without the further identifying language of the Rotary club, Rotary district or other Rotary Entity involved in connection with any project implies financial or moral RI obligation in connection with such project. Therefore, to avoid any future RI involvement, either directly or by implication, any Rotary club, Rotary district or other Rotary Entity which contemplates the construction or acquisition of a building or other permanent structure:

a) should ensure that neither the name of such venture nor any legal documents in connection therewith reference either the name, “Rotary,” without the further identifying language of the Rotary club, Rotary district or other Rotary Entity involved or the name, “Rotary International.”

b) should not affix any of the Rotary Marks thereto in any permanent manner, such as etching the Rotary name or emblem into the facade of a building or inlaying the Rotary name or emblem into a floor. The Board will not require the removal of any Rotary Marks which have been permanently affixed to a building prior to 2001 where the removal of such would cause permanent and irreparable damage to the building, and/or incur unreasonable costs to a Rotary club, Rotary district or other Rotary Entity.

The Board has adopted specific guidelines for community projects for Rotary clubs and districts. (*See Rotary Code of Policies sections 33.040.6. and 33.040.7.*) (*May 2011 Mtg., Bd. Dec. 202*)

33.040.3. Use of Rotary Marks by RI Officers in Publications

Incoming, current, and past officers of RI and those Rotarians appointed by the president or the Board to serve in various capacities are authorized to use the Rotary Marks in publications, printed or electronic, in connection with their roles as RI leaders. In each such instance, the use shall include a clear indication of the capacities in which they have served and the years of such service to RI. Rotary senior leaders may publish and sell books about their Rotary experiences without being licensed by RI, provided that all net proceeds from the book sales are donated to TRF and the book publisher is either licensed or released by RI to reproduce the Rotary Marks, with the approval of the general secretary. Each such publication shall include in a prominent location a statement that it is not an official publication of RI. (*January 2010 Mtg., Bd. Dec. 107*)

33.040.4. Use of Rotary Marks on Websites of RI Officers

Incoming, current, and past officers of RI and those Rotarians appointed by the president or the Board to serve in various capacities are authorized to use the Rotary Marks on websites developed in connection with their roles as RI leaders. In each such instance, the use shall include a clear indication of the capacities in which they have served and the years of such service to RI. Every consideration shall be made to ensure that it is clear that the website is that of the Rotarian and not a RI site, so as to avoid confusion among Rotarians and potential liability for RI. If necessary, the general secretary may require a disclaimer to be placed on such websites. Use of the Rotary Marks in domain names should comply with Board policy set forth in section 52.020.1. (*October 2003 Mtg., Bd. Dec. 77*)

33.040.5. Use of Name "Rotary" in Connection with Club or District Foundations

A Rotary club or group of clubs may use the name "Rotary" in connection with club or district foundation activities, provided:

1. such use relates the activity to the club or clubs concerned and not to RI;
2. the word "international" is not used in connection with or in the name of a club or district foundation activity;

3. the name of the club or district foundation activity begins with the name of the club or the district designation;
4. the words "Rotary" and "foundation," when used in connection with a club or district foundation activity, be separated in the name of the activity;

The general secretary may act in behalf of the Board in authorizing Rotary clubs to use the name "Rotary" in incorporating club or district foundation activities in accordance with the foregoing. For the purposes of this section the definition of "incorporate" is the same as for incorporation of a club or district. (*November 2008 Mtg., Bd. Dec. 104*)

33.040.6. Use of Name "Rotary," or other Rotary Marks by Rotary Entities

When used by itself, the word "Rotary" or the Rotary Emblem normally refers to the entire organization, Rotary International. It also means the ideals and principles of the organization. As a general rule, all club, district, multidistrict and other Rotary Entity activities must include identifiers of the club, district, multidistrict group or other Rotary Entity when using the name "Rotary," or other Rotary Marks. Such identifier must immediately follow or precede "Rotary." Such identifier must be in close proximity to and in equal prominence with the Rotary Emblem or other of the Rotary Marks.

The Rotary Marks must always be reproduced in their entirety. No abbreviations, prefixes or suffixes such as "Rota" are permitted. No alterations, obstructions or modifications of the Rotary Marks are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with "Rotary" as part of the "digital and small space signature lock-up."

The Rotary Marks may be reproduced in any one color, but if they are to be reproduced in more than one color, they must be reproduced in their official colors: royal blue and gold (PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U I 130C Yellow) for the Rotary Emblem, the TRF logo and the Interact emblem; red and gold (PMS 201 Red; PMS 871 Metallic Gold or PMS 129U I 130C Yellow) for the Rotaract emblem.

Rotarians planning any club, district, or multidistrict community projects that are to include the name "Rotary" or the Rotary Emblem without a further identifier must be licensed by RI under the provisions of Rotary Code section 33.040.7. Other Rotary Entity projects or programs that are to include the name "Rotary," or other Rotary Marks without a further qualifier, must first seek Board approval. Rotarians coordinating existing projects and programs should review and make necessary changes to the project or program names and materials, consistent with this policy. (*June 2013 Mtg., Bd. Dec. 242*)

33.040.7. Use of the Rotary Marks for Community Projects by Rotary Clubs and Districts

1. As an exception to Rotary Code section 33.040.6, “Rotary” and the Rotary emblem may be used without the further identifier of the name of a Rotary club or Rotary district by Rotary clubs and Rotary districts wishing to participate in the establishment of a community project in accordance with all of the below requirements:

a. The club or district must submit a complete application to the general secretary for the community project, for review and approval by the general secretary.

b. The club or district must enter into a license agreement with RI for use of the Rotary Marks in conjunction with the community project, the terms of which shall be determined by the general secretary and shall be consistent with other license agreements issued by RI, but which are to include, among others:

1) The club or district must carry liability insurance in an amount acceptable to the general secretary and must indemnify RI and TRF

2) A license to use a specially created Rotary club and district project logo

3) A provision requiring the club or district to incorporate its project, if reasonably possible.

c. The community project may not conflict with RI’s Strategic Plan or partnership plans, the Object of Rotary or with TRF’s fundraising goals, and must enhance RI’s public image, ideals and principles, in the discretion of the general secretary.

d. If the community project will not remain under the exclusive control of a club or district and/or if the club or district will not remain exclusively responsible for the day to day administration and operation of the community project, then the entity that will be responsible for the administration and operation must enter into a license agreement with RI for use of the Rotary Marks, the terms of which shall be determined by the general secretary and are to include, among others:

1) The third party entity must carry insurance in an amount determined by the general secretary and must agree to indemnify RI and TRF

2) A provision setting forth the scope of the relationship.

e. The application, instructional materials and license agreements are available from CDS representatives and online at www.rotary.org.

2. No sales of goods are permitted, whether for fundraising or commercial purposes, without a separate goods license agreement from RI. (*May 2011 Mtg., Bd. Dec. 202*)

33.040.8. Requests for Exception to Guidelines for Use of “Rotary” Name

When considering requests for exception to policy set forth in section 33.040.6., the Board may consider:

1. the organizing group’s attempt to work with the general secretary to bring the name of the project or program into compliance with Board policy

2. the ease or difficulty with which the organizing group could bring its name into compliance with Board policy
3. the length of time the organizing group has been using the non-compliant name, with greater consideration given to projects or programs with a longer, demonstrated period of use
4. the merit of the project or program and the benefit it brings to the Rotary movement as a whole
5. whether the proposed non-compliant name in some other way accurately identifies the organizing group involved
6. whether the proposed non-compliant name could create a likelihood of confusion with Rotary International or with any other Rotary Entity or with a project or program of Rotary International or any other Rotary Entity
7. whether the organizing group is a recognized Rotary Entity
8. whether the organizing group is otherwise compliant with Board policy
9. the degree to which the project or program or the name of the project or program could expose RI to liability (*November 2008 Mtg., Bd. Dec. 46*)

Source: November 2008 Mtg., Bd. Dec. 46

33.040.9. Use of Word "Rotary" by Other Groups

Except as concerns provisional Rotary clubs, the use of the word "Rotary" by any group in such manner as to indicate or imply status as a Rotary club or as an affiliate of a Rotary club or of RI is not authorized and shall not be permitted. Therefore, the Board instructs the general secretary to take such steps as may be practicable or necessary to stop any such unauthorized use of the word "Rotary." (*June 1998 Mtg., Bd. Dec. 348*)

Source: January 1948 Mtg., Bd. Dec. 108

33.040.10. Use of Name "Rotary " and Rotary Emblem by Former Rotarians

Except as concerns provisional Rotary clubs, the use of the word "Rotary" by any group in such manner as to indicate or imply status as a Rotary club or as an affiliate of a Rotary club or of RI is not authorized and shall not be permitted.

Inasmuch as the constitution and bylaws contain no provisions to cover the situation, it is manifestly impossible for the Board to recognize an organization of involuntary past Rotarians as a body having any connection with RI and particularly it is impossible for the Board to permit or encourage the use of any name by an organization which would indicate connection with RI which does not exist and cannot exist until such time as the constitution and bylaws of RI are amended so as to provide for it.

Notwithstanding its sympathetic understanding and appreciation of the interest and motives which may prompt former or involuntary past members of Rotary clubs to associate themselves in fellowship groups or other groups, the Board instructs the general secretary to call the foregoing policies to the attention of any group of former or involuntary past members of Rotary clubs, which may be making use of, or wish to use, the name "Rotary," "Rotarians," and/or the Rotary emblem, advising that the group does not have official status and that its use of the Rotary name and/or emblem is not authorized and further, calling upon such group not to use or to discontinue immediately use of the name "Rotary," "Rotarians," and/or the Rotary emblem. 33.040.11. Use of Rotary Name and Emblem by Other Organizations

No matter how worthy may be the purposes of such organizations or groups or the ambitions of such individuals, RI cannot permit them to appropriate the name or emblem of Rotary without thereby endangering the preservation of the name and insignia of Rotary for the exclusive use and benefit of Rotarians. RI does not seek to discourage organizations or groups desiring to emulate the example of Rotary clubs but believes that suitable names and insignia can be devised by such organizations and groups without infringing upon the terminology and insignia of Rotary, and all Rotarians are encouraged to give their sympathetic assistance and encouragement to any group seeking to emulate the example of Rotary. (*June 1998 Mtg., Bd. Dec. 348*)

33.040.12. National Designations for RI

No club or group of clubs should adopt and operate under any name other than that under which it or they are organized under the RI Constitution. Every district should use the name "Rotary International," thereby indicating the universality of the ideals, principles and objects of Rotary. (*June 1998 Mtg., Bd. Dec. 348*)

Source: June 1934 Mtg., Bd. Dec. 201

33.040.13. Use of Name "Rotary" in Connection with Club Activities

Use of the word "Rotary" in connection with or in the name of an activity of a club or group of clubs must relate the activity directly to such club or group of clubs and neither directly or indirectly to Rotary International. Use of the word "Rotary" is not authorized in connection with or in the name of an activity that is not under full control of a Rotary club or group of Rotary clubs or in connection with or in the name of any organization, the membership of which includes non-Rotarian individuals or organizations. The Board has adopted specific guidelines for community projects for Rotary clubs and districts. (*See Rotary Code of Policies sections 33.040.6. and 33.040.7.*) (*May 2011 Mtg., Bd. Dec. 202*)

All Rotary International business should be conducted on stationery bearing the name and emblem of the association. (*June 1998 Mtg., Bd. Dec. 348*)

33.050.2. Use of Rotary Marks by RI Officers on Letterhead Stationery of RI and Other Organizations, or for Commercial Purposes

The use of the RI letterhead is restricted to incoming, current and past officers of RI, or those Rotarians appointed by the president or the Board to serve in various capacities, with the understanding that, as to such capacities as may be listed, the years of service to RI should be clearly indicated. RI letterhead may only be used for Rotary-related business. No incoming, current, or past RI officer nor any Rotarian appointed by the president or the Board to serve in various capacities is authorized to use the Rotary Marks in conjunction with the trademarks or on the letterhead of any other organization or for any commercial purpose. 33.060. Program Emblems

33.060.1. Rotary Programs Logos

The general secretary shall create and update from time to time, logos and other indicia that are in alignment with current guidelines to be used for the various Rotary Programs, in order to create a standardized, coordinated identity for all Rotary materials. (See “Voice and Visual Identity Guidelines.”) (*October 2013 Mtg., Bd. Dec. 63*)

Source: October 2013 Mtg., Bd. Dec. 63

33.060.2. Use of Logo With RI or TRF Programs

The general secretary is, when reviewing future proposed logos for a program or activity of RI or its Foundation, to consider including the Rotary emblem in the logos if such can be done without lessening RI's legal trademark rights or creating a badge that could be understood to identify a non-Rotarian as a Rotarian. (*June 1998 Mtg., Bd. Dec. 348*)

Source: November 1991 Mtg., Bd. Dec. 136

33.060.3. Rotary Program Logos and RI Emblem

The design of Rotary program logos that do not in some manner incorporate the RI emblem weakens and impedes the communication to the public of the association of Rotary with successful programs and projects. Therefore, all program logos currently in use by RI and its Foundation, and all such logos deemed necessary in the future, should include the Rotary emblem. The public relations value of incorporating the Rotary emblem with program logos of RI and its Foundation outweighs the possible mis-identification of a non-Rotarian as being a Rotarian. The creation of lapel pins that incorporate the design of the Rotary emblem with any Rotary program logo is forbidden. The annual theme logo shall be the Rotary wheel along with the annual theme. All reproductions of The 4-Way Test should be in the following form:

- 1) Is it the TRUTH?
- 2) Is it FAIR to all concerned?
- 3) Will it build GOODWILL and BETTER FRIENDSHIPS?

The sole purpose of the reproduction should be the development and maintenance of high ethical standards in human relations. Any reproduction should not be a direct part of any advertisement intended to increase sales or profits. 34.010.2. Prohibition Against Altering Rotary Marks

Note: "Rotary Marks" are any emblems or names registered and owned by Rotary International. (See Section 33.005.)

The Rotary Marks should not be altered, modified or obstructed in any way, or reproduced other than in their complete form. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with "Rotary" as part of the "digital and small space signature lock-up." The general secretary should strictly enforce the prohibition of licensing products that alter, modify or obstruct the Rotary Marks, including situations where the general secretary becomes aware of products that do not reproduce the Marks in their entirety. 34.010.5. Limitation on RI Merchandise Solicitation

Individuals or companies who are not licensed to sell merchandise bearing the Rotary Marks may not solicit districts, clubs or Rotarians to purchase merchandise bearing the Rotary Marks. Only vendors properly licensed by Rotary International may solicit districts, clubs or Rotarians to purchase merchandise bearing the Rotary Marks.

On occasion, Rotarians will need to produce customized merchandise bearing the Rotary Marks for a specific event or purpose. All Rotarians should always first seek out licensed Rotary vendors for such customized merchandise. In the event that such customized merchandise is not reasonably available from a RI Licensee at a competitive price, RI shall issue a one-time release to a non-licensed vendor, provided that those goods are subject to the equivalent review and pre-approval process as Licensed Products. In each case, the non-licensed vendor must obtain the specific approval of RI to use any of the Rotary Marks. (*June 1998 Mtg., Bd. Dec. 348*)

- a) align with the strategic plan
- b) address one or more areas of focus
- c) provide opportunities for positive public image
- d) attract new members, contributions, or project volunteers

Given the extreme variety among potential partners, these guidelines are not exhaustive. All potential partners shall enter into an agreement with RI/TRF, and the nature of each agreement may be different.

The general secretary shall provide an annual report on all partnerships to the Board and the Trustees at their second meetings each year. (*September 2011 Mtg., Bd. Dec. 32*)

No officer of Rotary International or The Rotary Foundation shall enter into any agreement on behalf of the organization unless approved by the appropriate authority and any non-approved agreement shall be null and void. The general secretary may assign responsibility for officers, staff, and other individuals to open discussions with other organizations.

The general secretary maintains a “no contact list” of individuals, foundations, corporations, governments and other entities with which Rotary International or its Foundation is working to develop relationships and obtain funding at an international level. No representative of any Rotary Entity other than Rotary International or its Foundation shall contact or solicit any organizations on the “no contact list” for the purpose of obtaining funds or cooperation for their projects. Written requests for exceptions to this policy must be submitted to the general secretary, who will consult with the RI president and Trustee chair as appropriate, before responding to the requestor.

36.020. Cooperation with United Nations

36.030. Cooperation with Other Organizations and Groups

36.010. Guidelines for Sponsorship of RI Meetings, Events, Projects and Programs

The Board, acknowledging that RI meetings, events, projects and programs are supported in part through sponsorships by business entities and governmental agencies, has adopted the following terms for acceptance of sponsorship of RI meetings, events, projects and programs:

1. Sponsorships are considered to be short-term, event-specific relationships with another organization which benefit RI, TRF, Rotary club(s), Rotary district(s) and other Rotary Entities in image-enhancing, promotional, monetary or other ways. Each sponsorship relationship should terminate with the completion of the sponsored event.
2. RI will not accept a sponsorship that:
 - a. Conflicts with Rotary's ethical and humanitarian values
 - b. Undermines internationally recognized standards for human rights
 - c. Supports the use of addictive or harmful products and activities including but not limited to alcohol, tobacco, gambling, and weapons or other armaments
 - d. Promotes a particular political or religious viewpoint
 - e. Promotes abortion as a method of family planning or provide funding for abortion services
 - f. Unfairly discriminates based on race, ethnicity, gender, language, religion, political or other opinion, national or social origin, property, or birth or other status
 - g. Weakens the autonomy, independence, reputation, or financial integrity of Rotary International, The Rotary Foundation, or the specific Rotary club, district or other Rotary Entity
 - h. Involves any subject matter which is not in accord with the Object of Rotary.
3. Cultural and legal variances in business practices among nations should be identified and honored whenever possible in matters of RI meeting, event, project and program sponsorship. In realization that business practices are not universal, ethical guidelines appropriate to a given culture should be developed, published, and applied by those responsible for the solicitation and/or acceptance of RI meetings, events, projects or programs-related sponsorship.
4. Any sponsorships must comply with pertinent national governments' existing rules concerning not-for-profit organizations.
5. Any sponsorship revenue or donations-in-kind (the value thereof, see paragraph 7, below) received will be subject to the terms of any agreement between RI and any local organizing entity.
6. Sponsorships that would appear in revenue projections for RI meetings, events, projects or programs of necessity shall be guaranteed in writing by the intended sponsor. Moreover, such written intent shall clearly state what, if anything, the sponsor expects in return for its assistance.

7. Donations-in-kind shall be considered as sponsorship to the extent of their lowest reasonable fair market financial value.

8. Recognition for sponsorships shall occur--primarily during the actual meeting, event, project or program--in the form of published attribution and acknowledgment of thanks, verbal expression of gratitude, signage anywhere within meeting facilities, and to the extent that the planning committee for that meeting, event, project or program finds acceptable. In no instance, shall a sponsor name be included in the name, title or logo of any meeting, event, project or program. Sponsors of specific events or projects of Rotary may be identified in the following manner “[Rotary event or project name] presented by [sponsor’s name]”.

9. All sponsorship proposals, whether obtained by RI or by a local organizing entity, shall require the approval of the general secretary in consultation with the president. Such approval shall include but not be limited to the following aspects of each sponsorship proposal:

- a) appropriateness of the sponsor;
- b) nature of the sponsorship plan;
- c) extent of the sponsorship relationship;
- d) share of the sponsorship revenue between RI and any local organizing entity;
- e) nature of the sponsorship recognition.

10. “Official Sponsorship Designations”: The general secretary will review applications and bids for companies that will be designated “official.” For example, an “official” air carrier, and where appropriate, an “official” rental car company and other services, may receive a similar designation. Competitive firms are sought for the designations, and proposals are obtained and analyzed by the general secretary. For the air carrier, the general secretary considers not only the fare proposed but also the capacity of the carrier, the complimentary tickets and freight offered to RI.

The selection of “official” service firms should be recommended by the general secretary’s staff assigned to convention activities and approved by the general secretary and the president who will preside over the convention.

11. “Exclusive Sponsorship Categories”: Unless permission from RI is sought and obtained in advance of any solicitation on the part of a local organizing entity, RI reserves exclusive rights to solicit and accept sponsorships with airline companies and banking/financial institutions, due to RI’s long term agreements and relationships with such entities.

12. Alcohol industry sponsorships: Where culturally appropriate, an alcohol industry sponsor may be accepted upon the recommendation of the International Convention Committee (“ICC”) and approval of the RI Board. The specifics of each individual sponsorship proposal must be approved by the general secretary, in consultation with the president who will preside over the convention. Should there be any merchandising component to the sponsorship, whether for sale or give-away, including for fundraising purposes, the Rotary emblem should not be included on the labels of the alcohol products.

13. Gambling industry sponsorships: Where culturally appropriate, a gambling industry sponsor may be accepted upon the recommendation of the International Convention Committee (“ICC”) and approval of the RI Board. The specifics of each individual sponsorship proposal must be

approved by the general secretary, in consultation with the president who will preside over the convention.

14. First aid/medical sponsorships: The specifics and details involved with a medical/first aid sponsor must be approved by the general secretary, in consultation with the president, at least three months before the meeting, event, project, or program to ensure that the sponsoring organization can comply with RI's contractual requirements, including but not limited to insurance and indemnification requirements. First aid/medical sponsors sent to the general secretary later than three months before the meeting, event, project, or program will not be considered.

15. Internet sponsorships: The specifics and details involved with an internet sponsor must be approved by the general secretary, in consultation with the president, at least three months before the meeting, event, project, or program to ensure that the sponsoring organization can provide the internet services RI requires at its events and also comply with RI's contractual requirements, including but not limited to insurance and indemnification requirements. Internet sponsors sent to the general secretary later than three months before the meeting, event, project or program will not be considered.

16. Each RI sponsorship relationship should terminate with the completion of the sponsored meeting, event, project or program.

17. Membership lists, except by Board authorization, must not be used for sponsorship purposes and must stay within the control of RI. However, any determination to allow access to membership lists must respect the individual rights of Rotarians, including relevant legal restrictions.

18. All uses of the Rotary Marks for the sponsorship purposes contemplated herein must be governed by the "RI and TRF Guidelines for Use of the Rotary Marks by Sponsors and Cooperating Organizations" (Rotary Code Section 33.030.14.). A copy of these Guidelines must be attached to and incorporated in any contract entered into between RI or any local organizing entity and any Sponsor.

19. Individual Rotarians shall not benefit from sponsorships. (*October 2013 Mtg., Bd. Dec. 52*)

37.030. Intercountry Committees Guidelines

Intercountry committees promote contact between districts and clubs in two or more countries and increase fellowship and intercultural understanding among the people of various nations. Rotarians are encouraged to create new intercountry committees to foster stronger ties between Rotarians, clubs, and districts from different countries and establish networks across borders, continents, and oceans. Intercountry committees should be promoted at RI, district and club meetings. (*June 2007 Mtg., Bd. Dec. 281*)

37.030.1. Mission of Intercountry Committees

The mission of an intercountry committee is to build a force that will encourage Rotarians to visit each other's countries and homes, to strengthen friendships and projects so formed by encouraging clubs and districts to connect with clubs and districts in other countries, and to contribute to world peace.

Recommended activities:

- sponsor new Rotary clubs

Qualified Rotarians in each interested country should form a planning committee to establish an intercountry committee. The responsibilities of the planning committee include inviting district governors from each district in the country to participate, identifying potential projects, and organizing a planning meeting. After the planning committee has completed these tasks, a national section should be developed in each participating country with the approval of the national coordinator and at least one district governor. The name of an intercountry committee shall be taken from the names of the participating countries. (*June 2007 Mtg., Bd. Dec. 281*)

An intercountry committee is comprised of the national sections that represent the districts in each participating country. National sections coordinate the activities and projects of the intercountry committee within one country. National sections are autonomous and representatives from each shall meet during a general assembly to be held once a year, alternating from country to country. Leadership of the intercountry committee should rotate among the national section chairs on an annual basis. National sections must abide by the rules governing organizations in their country and should have officers including a chair, secretary, and treasurer. The chair of national sections should serve for three years.

While only districts may form and join intercountry committees, individual Rotarians, their spouses, Rotaractors, and Rotary clubs may participate in their activities. (*June 2007 Mtg., Bd. Dec. 281*)

37.030.4. National Section Chair

The national section chair must be a Rotarian, preferably a past district governor, and should be selected by the governor or group of governors representing the districts located in that country. In an advisory role to participating districts, the national section chair should assist the governor(s) in supervising and promoting the activity and projects of the committee, including the arrangement of contacts between clubs and districts in the partner countries. The national section chair appointment term should be three years to ensure continuity in the work of the intercountry committees. (*June 2007 Mtg., Bd. Dec. 281*)

37.030.5. National Coordinator

In countries that participate in more than one intercountry committee, a national coordinator should be appointed to oversee these activities and the individual national section chairs. The national coordinator collects reports from each national section chair in the country to forward the executive council each year. The national coordinator must be a Rotarian, preferably a past district governor, and should be selected by the governor or group of governors representing the districts located in that country. The national coordinator appointment term should be three years to ensure continuity in the work of the intercountry committees. (*June 2007 Mtg., Bd. Dec. 281*)

Source: June 2007 Mtg., Bd. Dec. 281

37.030.7. Finances

Intercountry committees shall function without financial support from Rotary International. Modest fees may be collected from participating districts to cover operating costs of the intercountry committee. Participating districts should fund the costs of national sections and intercountry committee activities in their district. (*June 2007 Mtg., Bd. Dec. 281*)

37.030.8. Executive Council

An executive council is comprised of national coordinators representing each country that participates in intercountry committees. The president, two vice-presidents, secretary and treasurer of the executive council should be elected by the national coordinator members. The president of the executive councils serves a three year term. The president of the executive council serves as the liaison between intercountry committees and Rotary

International and should submit an annual report to RI in July each year that provides contact information for national coordinators, a list of participating districts in each national section, and a summary of major projects and activities. (*June 2007 Mtg., Bd. Dec. 281*)

Source: June 2007 Mtg., Bd. Dec. 281

37.030.9. Relationship with Rotary International

The organization and functioning of intercountry committees is the independent activity of individual districts and is not a part of the program of RI. Clubs and districts are encouraged to use established intercountry committee relationships to enhance their participation in Rotary Foundation programs, especially in the development of Matching Grants.

Activities of and information about intercountry committees will be published on the RI website and in the Rotary World Magazine Press. (*September 2011 Mtg., Bd. Dec. 90*)

40.020.1. Plan for Evaluation of RI Structured Programs

Evaluation Criteria: Surveys drafted for the evaluation of RI structured programs can draw from the following as appropriate:

- a) number of clubs and districts (and individual Rotarians, if appropriate) participating in the program on a country, regional and worldwide basis;
- b) involvement of cooperating non-Rotary organizations;
- c) amount of funds expended at the club and district levels to participate in a program, to include restricted Rotary Foundation contributions, District Designated Fund (DDF) allocations
- d) the cost to Rotary International to support the program (including staff)
- e) the appropriateness and effectiveness of RI policies and procedures to support clubs and districts participating in the program
- f) the value and effectiveness of promotional and informational materials produced by RI for the program
- g) identification of the RI programs and/or Rotary Foundation programs that are most important to clubs and districts and are achieving the highest participation levels
- h) Rotarians' perception of the program's relevance to their communities' needs

- k) identification of local challenges to the successful implementation of a program (November 2008 Mtg., Bd. Dec. 58)

40.030. New RI Structured Programs

As a general guideline, the Board shall adopt a new RI structured program only when:

- c) the president and president-elect agree on its need and commit themselves to fully supporting it;
- d) the general secretary has submitted a complete program prospectus which specifies the new program's purpose and effect and indicates what is required to launch it successfully;
- e) there is sufficient time for adequate planning and preparation before the new program's implementation;
- f) there is sufficient staff and financial support for the first few years of the program;
- g) it is adopted initially as a three-year pilot program, after which the general secretary shall submit a detailed evaluation of the program to the Board, which shall then decide whether to make it a regular RI program. (*June 1998 Mtg., Bd. Dec. 348*)

40.030.1. Feasibility Study for New Structured Programs

Before any new structured program is adopted by the Board, the needs and desires of the Rotary world and the financial and staff feasibility for that proposed program should first be assessed by the Board. Other considerations should be the contribution of the program to fulfilling the objective of Rotary, the duties added by the program to the job of the governor, its relationship to established RI programs, possibilities for adaptation of the program in various parts of the Rotary world, the degree to which it involves personal participation by club members and plans for its future expansion, consolidation, or termination. 40.040. RI Projects

The purpose of Rotary is most effectively expressed through the activities of individual clubs and Rotarians covering the various avenues of Rotary service, determined by each club in consideration of its own abilities and resources and the interests of its members and particular needs and opportunities for service. However, from time to time, it is appropriate for RI, as an association of clubs, to promulgate programs or projects which help to advance the Object of Rotary and which would benefit from the collective effort of those clubs and individual Rotarians who wish to participate. - c) The RI Strategic Plan and specific service areas identified by the Board
- d) The mission of The Rotary Foundation, and its associated areas of focus
- e) Community needs assessments (*June 2010 Mtg., Bd. Dec. 223*)

40.060. Service in Youth Service Programs

The Object of Rotary is based on the ideal of service and should be incorporated into youth service activities. Clubs and districts are encouraged to include a service dimension in all youth programs where appropriate in the development of leadership skills, team-building skills, tolerance, and commitment to social responsibility, and to instill a lifelong dedication to service in young people. 41.010. Interact

This is a structured program of Rotary International, adopted by the Board in June 1962.

Note: The Board regularly reviews and, as necessary, amends the Interact “Statement of Policy,” “Standard Interact Club Constitution” and “Standard Interact Club Bylaws.”

The "Interact Statement of Policy" is as follows:

1. The Interact program was developed and created by and is an activity of Rotary International, and the authority for the establishment and enforcement of constitutional provisions, organizational requirements and standards of procedure, and for the protection and preservation of the Interact name and emblem is retained by Rotary International.
2. An Interact club is a Rotary club sponsored organization of young people, ages 12 to 18, whose purpose is to provide opportunity for them to work together in a world fellowship dedicated to service and international understanding and leadership development skills.
3. An Interact club is organized, sponsored and supervised by a Rotary club or clubs and is established following the endorsement of the governor and upon certification and recognition by Rotary International; it can be created and sustained in no other way, and its continued existence depends upon the continued sponsorship of its sponsor Rotary club and continued recognition by Rotary International.
4. Each Interact club shall be strongly encouraged to mention after its own name “sponsored by the Rotary club of (name).”
5. Within the framework established by Rotary International, the sponsor Rotary club is responsible for organizing the Interact club and for providing it with guidance and counsel thereafter and has complete control and supervision over all activities, policies, and programs of the Interact club; sponsor Rotary clubs shall determine the meeting format of the Interact club and approve any changes in meeting format.
6. Where the Interact club is school-connected, control and supervision by the sponsor Rotary club shall be exercised in full cooperation with the school authorities, with the understanding that such clubs are subject to the same regulations and policies established by the school authorities for all student organizations and extracurricular activities of the school.

7. All Interact club activities, projects, and programs shall at all times be conducted in harmony with the policies of Rotary International; continued sponsorship of an Interact club by a Rotary club and recognition of it by RI are contingent thereon.
8. All on-line activities, such as the club website and social media pages, shall be operated in accordance with applicable law and regulations; sponsor Rotary clubs shall obtain written consent of Interactors' parents or legal guardians in advance of Interact participation as necessary.
9. Rotary clubs and Interact clubs should meet jointly at least annually for the purpose of discussing plans and objectives for the upcoming year.
10. There shall be a "Standard Interact Club Constitution" prescribed by Rotary International and subject to amendment only by the Board of Directors of Rotary International. As a prerequisite of its organization and certification, each Interact club shall adopt the "Standard Interact Club Constitution" and shall automatically adopt all amendments thereto subsequently made by the Board of Directors of Rotary International.
11. Each Interact club shall adopt by-laws not inconsistent with the "Standard Interact Club Constitution" and with policy established by Rotary International. Such by-laws shall be subject to the approval of the sponsor Rotary club.
12. Interact clubs shall be sponsored only by Rotary clubs within the boundaries of the district in which they are located.
13. An Interact club may be organized and sponsored jointly by more than one Rotary club under the following conditions:
 - a) The governor must approve in writing that, in the governor's considered judgment, the best interests of the district, the Rotary clubs concerned and the Interact program would be served by the proposed joint sponsorship.
 - b) A substantial percentage of the members of the proposed Interact club must be drawn from the local community.
 - c) The circumstances must be such that the organization of separate Interact clubs, each sponsored by a single Rotary club, would create or result in an artificial division of what is essentially a single body of students within the school or community.
 - d) A joint Interact committee must be created with effective representation from each of the sponsor Rotary clubs.
14. Each member of an Interact club, by his acceptance of membership, agrees to accept and to adhere to the provisions of the constitution and by-laws of his Interact club.
15. Membership in an Interact club shall be evidenced by Interact membership identification cards that include the name of the sponsor Rotary club supplied to Interact clubs through sponsor Rotary clubs by Rotary International.

16. The Interact name and emblem, as used in or applied to the Interact program, are the property of Rotary International and shall be preserved for the exclusive use of those involved in the Interact program, including duly established Interact clubs and their members in good standing.
17. An Interact club member shall be entitled to use and display the Interact name and emblem in an appropriate and dignified manner during the period of his membership in an Interact club and he shall relinquish such entitlement upon termination of his membership in his Interact club or upon the termination of his Interact club.
18. An Interact club may be terminated (a) by Rotary International, with or without the consent, approval or concurrence of the sponsor Rotary club, for failure to function in accordance with its constitution or for other cause, (b) by its sponsor Rotary club, or (c) by the Interact club itself upon its own determination.
19. Upon termination of an Interact club, all rights and privileges relating to the name and emblem shall be relinquished by the club and by its members individually and collectively.
20. As a matter of policy, the Board does not recognize the right of any individual or organization except RI to circularize Interact clubs for any commercial or other purpose.
21. Governors are requested to appoint district Interact committees, composed of Rotarians and Interactors to assist the governor in publicizing the Interact program, promoting the organization of new Interact clubs, and administering the program of Interact within the district. Where feasible and practicable in the appointment of district Interact committees, there should be provision for continuity of membership by appointing one or more members for a second term. Rotary district Interact committees in carrying out their duties should regularly consult with members of Interact clubs.
22. Interact organization beyond the club level
 - a) A district with two or more Interact clubs may elect a district Interact representative from among its membership. The method of election shall be determined by the district Interact committee and district governor.
 - b) All election disputes should be resolved locally in consultation with the district governor and district Interact chair. RI will not intervene.
 - c) The district Interact representative will be guided and counseled by the district governor and the district Interact committee, or other appropriate district committee, shall give counsel to and provide encouragement and inspiration to the Interact clubs of the district, particularly with respect to broadening and deepening the program of Interact within the district, and shall help focus their attention on the potential and achievements of the program in support of international understanding.

23. Interact meetings beyond the club level

- a) District Interact conferences may be held, under the guidance of the district Interact committee, with one or more members of this committee present. The district Interact representative shall assist the district committee in arranging these meetings and, where possible, shall preside at such meetings.
- b) The purpose of a district Interact conference is to provide training, encouragement, enlightenment, and inspiration to the Interact clubs with respect to school and Community Service and to focus attention on the worldwide potential and achievements of Interact in behalf of international understanding.
- c) No meeting of members of Interact clubs beyond the club level shall have any legislative authority nor shall be so organized or conducted as to give the appearance of having such authority. Nevertheless, such a meeting may include the opportunity for expression of ideas which might be of value as advisory observations to those who are involved at the district or other levels with the administration of Interact.
- d) No expenses of district Interact meetings or district Interact representatives shall be paid by Rotary International. The cost of such meetings shall be minimal and within the financial means of those participating.

24. Financing the cost of the Interact program

- b) No part of the expenses of district Interact representatives, district Interact conferences, meetings of Interact clubs, or groups of Interact clubs shall be paid by Rotary International.
- c) Costs involved in arranging any meetings of Interact clubs or groups of Interact clubs should be kept as low as possible consistent with effective meetings and a meaningful program.
- d) It is the responsibility of the Interact club to raise the funds necessary to carry out the program of the club.

- g) Interact clubs should not solicit financial assistance from individuals, businesses or organizations in their respective communities without giving something of value in return.

Additionally, these guidelines should include financial stewardship plans for all monies collected to support service projects.

25. Multidistrict Interact Meetings

Meetings of Interact club members from more than one district, particularly from districts in more than one country, are recommended wherever feasible. Such meetings are to be held under the guidance of the host governor and the district Interact committee, with one or more members of the committee present and in conjunction with the host district Interact representative and Interact club presidents. Such meetings are subject to RI youth protection policies outlined in the *Rotary Code of Policies* and the advance approval of the governors of the districts involved. 26. Travel Insurance for Interactors

Clubs and districts inviting members of Interact clubs to participate in the programs or activities of such clubs or districts outside of their local community should, when Interactors are traveling 150 miles away from home residence or out of the home country, require the parents or legal guardians of each Interactor to provide travel insurance for the Interactor, which includes such coverages as medical (when traveling outside home country), emergency medical evacuation, repatriation of remains, and legal liability, in amounts satisfactory to the club or district organizing the event, with coverage from the time of the Interactors departure from home until the return home.

27. As a matter of principle, Interact clubs are not authorized to assume membership in or merge with other organizations regardless of the purpose of such organizations. (*January 2012 Mtg., Bd. Dec. 190*)

41.020. Rotaract

This is a structured program of Rotary International, adopted by the Board in 1968.

Note: The Board regularly reviews and amends, as necessary, the “Rotaract Statement of Policy,” “Standard Rotaract Club Constitution” and “Standard Rotaract Club Bylaws.”

Rotaract Statement of Policy

1. The Rotaract program was created by and is an activity of Rotary International, and the authority for the establishment and enforcement of constitutional provisions, organizational requirements and standards of procedure, and for the preservation of the Rotaract name and emblem is retained by Rotary International.
2. A Rotaract club is a Rotary club-sponsored organization of young adults ages 18 to 30, whose purpose is to provide opportunity for them to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service, and whose goals are:
 - a) To develop professional and leadership skills;
 - b) To emphasize respect for the rights of others, and to promote ethical standards and the dignity of all useful occupations;
 - c) To provide opportunities for young people to address the needs and concerns of the community and our world;

- d) To provide opportunities for working in cooperation with sponsor Rotary clubs;
 - e) To motivate young people for eventual membership in Rotary.
3. Rotaract club programming shall consist of professional development, leadership development, and service program development as outlined in the “Standard Rotaract Club Constitution.”
 4. A Rotaract club is organized, sponsored, and counseled by a Rotary club or clubs and is established following the endorsement of the governor and upon certification and recognition by Rotary International; it can be created and sustained in no other way, and its existence depends upon the active sponsorship of its sponsor Rotary club and continued recognition by Rotary International.
 5. Rotaract clubs are strongly encouraged to mention after their own names “sponsored by the Rotary Club of (name).”
 6. Within the framework established by Rotary International, the sponsor Rotary club is responsible for organizing the Rotaract club and providing it with guidance and counsel thereafter.
 7. Where the Rotaract club is university-based, control and counsel by the sponsor Rotary club shall be exercised in full cooperation with the university authorities, with the understanding that such clubs are subject to the same regulations and policies established by the university authorities for all student organizations and extracurricular activities of the university (or other institution of higher education.)
 8. All Rotaract club activities, projects and programs shall be conducted in harmony with the policies of Rotary International; continued sponsorship of a Rotaract club by a Rotary club and recognition of it by RI are contingent thereon.
 9. There shall be a “Standard Rotaract Club Constitution” prescribed by Rotary International and subject to amendment only by the Board of Directors of Rotary International. As a prerequisite of its organization and certification, each Rotaract club shall adopt the “Standard Rotaract Club Constitution” and shall automatically adopt all amendments thereto subsequently made.
 10. Each Rotaract club shall adopt bylaws not inconsistent with the “Standard Rotaract Club Constitution” and with policy established by Rotary International. Such bylaws shall be subject to the approval of the sponsor Rotary club.
 11. Rotaract clubs shall be sponsored only by Rotary clubs within the boundaries of the district in which they are located.
 12. A Rotaract club may be organized and sponsored jointly by more than one Rotary club under the following conditions:
 - a) The governor must approve, in writing that, in the governor’s considered judgment, the best interests of the district, the Rotary clubs concerned and the Rotaract program would be served by the proposed joint sponsorship.

- b) The circumstances must be such that the organization of separate Rotaract clubs, each sponsored by a single Rotary club, would create an artificial division of what is essentially a single body of young adults within the community or university.
 - c) A joint Rotaract committee must be created with effective representation from each of the sponsor Rotary clubs.
13. Each member of a Rotaract club, agrees to accept and to adhere to the provisions of the constitution and bylaws of his or her Rotaract club.
 14. Rotaractors may make-up Rotaract club attendance at meetings of Rotary clubs at the discretion of the individual Rotary club. Rotary clubs that sponsor Rotaract clubs should invite Rotaractors to make up absences from their regularly scheduled Rotaract club meetings to their regularly scheduled Rotary club meetings.
 15. On 30 June of the Rotaract year in which a member becomes 30 years old, his or her Rotaract membership will end.
 16. Membership in a Rotaract club shall be evidenced by Rotaract membership identification cards that include the name of the sponsor Rotary club.
 17. The Rotaract name and emblem are the property of Rotary International and shall be preserved for the exclusive use of those involved in the Rotaract program. When displayed by individual club members, the emblems may be used without further information. When the emblem is used to represent a club, the name of the club should appear with the emblem, as shown in the “Voice and Visual Identity Guidelines.” Where a Rotary district exists, it may use the respective emblem but only in conjunction with reference to the district and its number, as shown in the “Voice and Visual Identity Guidelines.”
 18. Rotaract club members shall be entitled to use and display the Rotaract name and emblem in an appropriate and dignified manner during their period of membership in a Rotaract club and shall relinquish such entitlement upon termination of membership in a Rotaract club or upon the termination of the Rotaract club.
 19. A Rotaract club may be terminated:
 - a) By Rotary International, with or without the consent, approval or concurrence of the sponsor Rotary club, for failure to function in accordance with its constitution, or for other cause.
 - b) By its sponsor Rotary club, after consultation with the governor and the district Rotaract representative, or
 - c) By the Rotaract club itself upon its own determination.
 20. Upon termination of a Rotaract club, all rights and privileges relating to the name and emblem shall be relinquished by the club and by its members individually and collectively. The Rotaract club shall relinquish all financial assets to the sponsor Rotary club.

21. As a matter of policy, the Board does not recognize the right of any individual or organization except RI to circularize Rotaract clubs for any commercial purpose, except in the case of Rotaractors who are responsible for organizing Rotaract club, district and multidistrict meetings and only within the districts directly involved.
22. Governors should appoint one joint district Rotaract committee composed of equal numbers of Rotarians and Rotaractors. The district Rotaract committee chair (a Rotarian) and the district Rotaract representative (a Rotaractor) should serve as co-chairs of this committee. Where feasible and practicable in the appointment of district Rotaract committees, there should be provision for continuity of membership by appointing one or more members for a second term. The district Rotaract committee should assist the governor in publicizing the Rotaract program, promoting the organization of new Rotaract clubs, and administering the program of Rotaract within the district.
23. Rotaract organization beyond the club level:
 - a) A district with two or more Rotaract clubs must elect a district Rotaract representative from among their membership. The method of election shall be determined by the Rotaract membership and approved by the district Rotaract committee and district governor. 24. Rotaract meetings beyond the club level:
 - a) No meeting of members of Rotaract clubs beyond the club level shall have any legislative authority nor shall be so organized as to give the appearance of having such authority.

Nevertheless, such a meeting may include ideas which might be of value as advisory observations to those involved at the district or other levels of Rotaract administration.

- b) At a district Rotaract meeting, a three-fourths majority of the Rotaract clubs in a district may vote to undertake a district service project and to establish a district Rotaract service fund to raise funds for this project. Contributions to such a fund must be voluntary. Such a project and service fund must be approved by the governor, and specific plans and instructions for the administration of the district project and use of the fund must also have the approval of the governor and three-fourths of the Rotaract clubs in the district. The governor must appoint a district fund committee to be responsible for collecting and administering the district fund, such committee to be composed of at least one Rotaractor and one Rotarian from the district Rotaract committee. The district service fund must be kept in a bank account which clearly indicates that the fund is the property of the district Rotaract organization and not the personal property of any individual Rotaractor or Rotaract club.
- c) All district Rotaract activities shall be financed by the Rotaract clubs in the district. No expenses of district Rotaract club meetings shall be paid by Rotary International. The cost of such meetings shall be minimal and within the financial means of those participating.

 - 5) shall be undertaken only after the district Rotaract representatives have jointly secured in advance the authorization of the general secretary, acting on behalf of the Board, to undertake the project;
 - 6) shall involve the participation by Rotaract clubs and/or individual Rotaractors on a voluntary basis, clearly presented as such; the cost of participation by a club or individual Rotaractor, if any, should be kept to a minimum, and not be implicitly or directly made an obligation in the form of a per capita tax, or assessment or otherwise;

- b) Rotaract Multidistrict Information Organizations. Districts may develop a multidistrict organization for the purpose of disseminating information and facilitating communication between Rotaract clubs in the districts concerned, provided that
- 1) there is no objection by the governors of each of the districts concerned;
 - 2) authorization is secured from the general secretary, acting on behalf of the RI Board of Directors, to develop and maintain such an organization;
 - 3) the organization complies with RI policy or is subject to termination of its status by the general secretary on behalf of the RI Board of Directors;

 - 6) the organization has no decision making or legislative powers, except for decisions concerning the activities of the organization, for which each member district (as represented by its district Rotaract representative) shall have one vote.

c) Multidistrict Rotaract Meetings

1) Meetings of Rotaract club members from more than one district, particularly from districts in more than one country, are to be held under the guidance of the host governor and the district Rotaract committee, and in conjunction with the host district Rotaract representative. The chair of the district Rotaract committee and the district Rotaract representative shall facilitate a one to two-day leadership training seminar for all incoming Rotaract club officers, directors, and committee chairs.

- c) The Rotaract Preconvention Meeting brings Rotaractors together to inspire and inform them to develop strong clubs and districts, build international friendships, and enhance the connections between Rotaract and Rotary at an international level. Through a variety of sessions, the preconvention meeting:

- Provides training, encouragement, and motivation to incoming district Rotaract representatives to advance Rotaract in their districts
- Facilitates sharing between Rotarians and Rotaractors, including past club presidents, district Rotaract representatives, and multidistrict leaders as well as those new to Rotaract

 - i) The district should make provisions to fund the administrative activities of the district Rotaract committee.
28. As a matter of principle, Rotaract clubs are not authorized to assume membership in or merge with other organizations regardless of the purpose of such organizations.

South Asia (Zones 4, 5, and 6)
Europe (Zones 11-19, and 20B)
Latin America (Zones 21A, and 22-23)
East Asia and Pacific (Zones 1-3, 7-9, and 10)
US/Canada/Caribbean (Zones 21B, 24-34)
Africa (Zone 20A)

If there are not enough members to allow for one member from each area, committee members should represent the first four regions as there are a higher number of Rotaract clubs in these regions.

Recommendations for potential committee members should be sought from the current RI Rotaract Committee and the chairs of each Rotaract Multidistrict Information Organization. 41.040. Rotary Friendship Exchange

This is a structured program of Rotary International, adopted by the Board in 1988.

Note: The Board regularly reviews and, as necessary, amends the “Rotary Friendship Exchange Guidelines,” which are as follows:

There are two types of friendship exchanges:

Club-to-Club visitor program: Individual Rotarians, who may be accompanied by family members, spend a few days in a Rotarian’s home abroad.

District-to-district team program: in which four to six Rotary couples visit several communities in the host district for up to one month. The number of couples and/or length of stay may be varied by agreement of the districts involved

Guidelines:

Only Rotarians and their immediate families are eligible for the visitor program, and participation in the team program is limited to Rotarians and their spouses.

Spouses or children must always be accompanied by Rotarians on an exchange.

Rotarians interested in participating must apply through their club president. Not every district participates in Friendship Exchange. Prospective applicants should ask their club president about the program.

District governors from participating districts appoint a district Friendship Exchange chair, who is responsible for coordinating exchanges through a list of chairs from around the world. (*June 2010 Mtg., Bd. Dec. 182*)

41.060. Youth Exchange

Youth Exchange is a structured program of Rotary International, adopted by the Board in 1974. Note: The Board regularly reviews and amends, where necessary, these policies.

The Rotary Youth Exchange program provides young people with the opportunity to meet individuals from other countries, experience new cultures and to learn first hand about all aspects of life in another country. Host clubs, host families, and entire communities are enriched by extended, friendly contact with someone from a different culture. The program instills in young people the concept of international understanding and goodwill.

The Board of Directors of Rotary International has established policies to assist clubs and districts in implementing Youth Exchange activities effectively and responsibly. These policies pertain to all types of exchanges, including Long-term, and Short-term exchanges unless otherwise indicated.

Any other provisions consistent with these policies and which are deemed necessary or convenient for the operation of an exchange program may be adopted by the clubs or districts concerned.

By mutual consent of the parties concerned, any of the volunteer responsibilities indicated below may be assigned to someone other than the party specified. (*October 2012 Mtg., Bd. Dec. 96*)

41.060.1. District Governor Authority

Each governor has the responsibility for the supervision and control of the Youth Exchange program within the district. The district Youth Exchange officers, or committees, are under the supervision of their respective governors and should report to them.

Governors are encouraged to use the period between their nomination and assuming office to learn as much as possible about the Youth Exchange program in the district and the qualifications and skills of those who administer it. (*January 2009 Mtg., Bd. Dec. 152*)

41.060.2. District Certification Program

The general secretary shall administer and maintain a district certification program. All club and district Youth Exchange programs shall comply with RI youth protection policies and other requirements set forth by the general secretary in order to be certified. In order to participate in the Youth Exchange program a district must be certified by the general secretary.

The certification process requires all district Youth Exchange programs to provide RI with evidence that they have adopted the certification requirements in their Long-term and Short-term exchange programs (including any tours or camps).

The general secretary may grant waivers to districts that have implemented alternative policy and alternative procedures that meet the intent of RI policy in instances when RI policy or certification requirements are contrary to local law and customs. If local circumstances are such that a district cannot meet any of the requirements, districts must provide the general secretary evidence of the specific circumstances that prohibit compliance and a written explanation of alternative procedures that maintain the intent of the policy or requirements. The general secretary will evaluate and determine whether the alternatives posited by districts meet the intent of the policy, and may bring matters to the Board should circumstances warrant.

Other certification policies include:

A. Certification of Districts for Sending Students Only

In circumstances where districts may only wish to send Youth Exchange students without serving as hosts for inbound students, the general secretary may waive certification requirements related to hosting inbound students in these districts.

B. Certification of Multi-country Districts

In circumstances in multi-country districts where not all countries within the district wish to participate in the Youth Exchange program, the general secretary may waive certification requirements for non-participating countries in these districts.

C. Certification and Multidistrict Youth Exchange Activities

The general secretary may remove a district from a multidistrict Youth Exchange activity upon notice that they have failed to comply with the district certification program with or without the consent of the district governor. (*October 2012 Mtg., Bd. Dec. 96*)

41.060.3. Incorporation

Districts must establish a corporation or similar formal legal entity that includes the district Youth Exchange program. This requirement may be met by incorporating the district Youth Exchange program, a group of programs that includes Youth Exchange, or the district as a whole in accordance with *Rotary Code of Policies* 17.020.

Districts may also meet this requirement by affiliation with an incorporated multidistrict Youth Exchange program for the districts' activities that are conducted within the scope of the multidistrict program. (*January 2009 Mtg., Bd. Dec. 152*)

Source: February 2007 Mtg., Bd. Dec. 163

41.060.4. General Liability Insurance

Districts must secure general liability insurance for the district Youth Exchange program with coverage and limits appropriate for their geographic location. Clubs and districts are strongly encouraged to consult legal counsel regarding liability issues before undertaking Youth Exchange activities.

Youth Exchange programs in districts located entirely within the United States meet this requirement through participation in the U.S. Rotary Club and District General Liability Insurance Program.

The general secretary is authorized to grant an exception to the general liability insurance requirement for a period of not longer than five years to districts where it has been demonstrated that such insurance is not available. (*January 2009 Mtg., Bd. Dec. 152*)

41.060.5. Reporting to Rotary International

Districts must provide to RI a copy of the Guarantee Form of the standard Youth Exchange applications for each inbound student hosted by the district prior to the beginning of an exchange.

All serious incidents, including but not limited to, accidents, death, early returns, and crimes, and any allegations of abuse or harassment shall be reported by the district to RI within 72 hours of the time a district officer learns of the incident. Districts must identify a person within the district who will be responsible for reporting to RI. (*January 2009 Mtg., Bd. Dec. 152*)

Source: March 1997 Mtg., Bd. Dec. 275; Amended by February 2007 Mtg., Bd. Dec. 163

41.060.6. Types of Exchanges

The Youth Exchange program includes two distinct program types:

A. Long-term Exchange Program

These exchanges are open to students aged 15 to 19 years old, though may extend beyond 19 years of age with the agreement of partner districts and clubs, in accordance with local laws. Long-term exchanges should be for one academic year but may be extended to include part or all of the holiday periods immediately preceding and immediately

following the academic year. During this time the student lives with more than one family in the host country and is required to attend school in the host country.

Students must have more than one host family; three successive host families is preferable.

Parents of outbound students shall not be required to host inbound students. However, parents of outbound students may volunteer to host or may be asked to assist in finding suitable host families.

The sending and host club must select an individual Rotarian counselor for each student to be in regular contact with the student and to serve as a liaison between the student and the club, the student's parents or guardians, host family and community at large. The club counselor must not be a member of the student's host family and must be trained in responding to any problems or concerns which may arise during the exchange, including the prevention of physical, sexual and emotional abuse.

The host club should provide for all educational expenses, arrange an appropriate academic program, and provide a program of orientation and continued contacts to familiarize the student with the host community.

The host club or district should provide a modest monthly allowance for the student in an amount to be jointly determined by the parties concerned. Where meals eaten at school are not otherwise provided for, the monthly allowance should be sufficient to include the cost of such meals.

The sending and host club or district should require, at a minimum, quarterly reports from the students. This report should include information on their current hosts, feelings, concerns, ideas and suggestions regarding their exchange experience thus far. The designated Youth Exchange officer should review the reports carefully and, when necessary, take action to respond to any irregularities reported by the students.

B. Short-term Exchange Program

These exchanges are open to students aged 15 to 19 years old, though may extend beyond 19 years of age with the agreement of partner districts and clubs, in accordance with local laws. The length of the exchange varies from several days to several weeks. They often take place when school is not in session and usually do not include an academic program. Short-term exchanges generally involve a homestay experience with a family in the host country, but may be organized as international youth camps or tours that bring together students from many countries.

It is recognized that many successful exchanges are made for less than a full academic year and that in the interest of international understanding and goodwill, not all programs need be reciprocal.

For Short-term exchange homestay programs, one family is usually sufficient.

The sending and host club must select an individual Rotarian counselor for each student to be in regular contact with the student and to serve as a liaison between the student and

the club, the student's parents or guardians, host family and community at large. The club counselor must not be a member of the student's host family and must be trained in responding to any problems or concerns which may arise during the exchange, including the prevention of physical, sexual and emotional abuse.

The host club should also provide a program of orientation and continued contact to familiarize the student with the host community. (*October 2012 Mtg., Bd. Dec. 96*)

41.060.7. Eligibility

Participants in the Long-term and Short-term programs should be between the ages of 15 and 19 at the beginning of the exchange unless the laws and regulations of a specific country deem otherwise, or an older age range is mutually agreed upon by the participating clubs and districts.

Youth Exchange welcomes any young people, including sons and daughters of Rotarians, who meet the requirements of the program and who are recommended and sponsored by a Rotarian, a club, or a district. They should be above average in their schoolwork, preferably in the upper third of their school class. (*October 2012 Mtg., Bd. Dec. 96*)

41.060.8. Application

Candidates of ages acceptable to both sending and host districts and according to the laws and regulations of both countries must submit a written application and must undergo a selection process including personal interviews with the applicant and the applicant's parents or legal guardians at the club level and at the district level.

Clubs and districts are encouraged to use the standard Youth Exchange applications which can be obtained from the Secretariat. (*January 2009 Mtg., Bd. Dec. 152*)

41.060.9. Selection and Placement

Selection procedures should occur in a similarly thorough manner for all exchange types.

The sending district is responsible for ensuring that each student is accepted and hosted by a club in a partner district. Districts are urged to utilize agreements with their exchange partners to establish exchange activities to ensure that all expectations of the exchange relationship are met, such as certification of exchange partners, logistics, and student selection and orientation.

All individuals involved in the exchange, including students and their parents or legal guardians, host family members and Rotarian counselors, must agree in writing to all the requirements of the program as determined by the sending and host clubs or districts.

Student travel itineraries must be agreed upon by the students' parents or legal guardians and the host club or district. (*October 2012 Mtg., Bd. Dec. 96*)

41.060.10. Travel Insurance for Rotary Youth Exchange Students

Evidence of student travel insurance coverage shall be submitted to, received by, and accepted by the host district prior to the student's departure from home. As the host Rotary district must be in a position to arrange immediate and emergency medical attention when it is needed, the host district must be satisfied that the insurance coverage carried by the student is with a responsible insurance company which will ensure that any service providers receive complete and prompt payment.

The parent or legal guardian of the Youth Exchange student is responsible for the payment of all medical and accident costs. The parent or legal guardian of each student shall provide travel insurance, including, but not limited to, medical and dental coverage for accidental injury and illness, accidental death, dismemberment, and disability benefits (also known as capital benefits), repatriation of remains, emergency evacuation, 24-hour emergency assistance services, and personal legal liability. Such amounts shall not be less than the following minimum limits and benefits per student:

- a) Provide coverage on a 24-hour basis from the time the student leaves their home until they return home inclusive of any personal travel before and/or after the agreed exchange period
- b) Be valid in all countries in which travel will take place with the exception of student's home country

- i) US\$500,000 for personal legal liability for liability arising from the student's actions or omissions that cause bodily injury to a third party or damage to a third party's property.

The parent or legal guardian should also consider obtaining the following additional travel insurance coverage options:

- a) **Emergency Visitation.** Provides reimbursement for emergency visitation expenses for the cost of reasonable transport and accommodation incurred by any one close relative or friend to travel to, travel with, remain with, or escort the student as a result of serious injury, illness, or death of the student
- b) **Trip Cancellation or Curtailment.** Provides reimbursement for trip cancellation or curtailment expenses provides coverage for travel expenses incurred because of an unexpected cancellation due to injury or illness
- c) **Property Coverage.** Provides reimbursement for personal property losses, including student's loss of money or for theft or total loss of property such as baggage
- d) **Kidnap & Extortion coverage.** Provides access to trained specialists that respond to incidents of kidnap or threats to kill, injure, or kidnap a student where ransom is demanded and pays for costs of ransom.

Where it is a statutory or legal requirement for travel insurance to be purchased in the host country, such insurance shall be in accordance with these limits and benefits. In all other cases dual insurance should be avoided unless agreed to by all parties.

Clubs and districts are strongly encouraged to consult insurance counsel for advice on obtaining liability insurance and other coverage and should be fully informed about government's policies and regulations regarding foreign students, including insurance coverage requirements.

Participation in extreme sports, such as hang gliding, rock climbing, and bungee jumping, is discouraged. If students are allowed to participate in extreme sports, these activities should be undertaken with the host districts' and parent or legal guardian's written permission, and additional adequate insurance should be obtained. 41.060.11. Travel by Youth Exchange Students

Youth Exchange students may undertake approved travel with host parents or for Rotary club or district events. The host district shall obtain written permission from the parents or guardians of students for travel outside their local community as defined by the host district in advance.

For all other travel, host districts must ensure that parents or legal guardians are provided with specific details about the program, location, travel itineraries, sleeping accommodations, and contact information. Tours and travel operated by or on behalf of host districts are subject to the Rotary Code of Policies section 2.090.4. (*June 2010 Mtg., Bd. Dec. 210*)

41.060.12. Preparation

The parents or legal guardians of the student are responsible for providing appropriate clothing and round-trip transportation to and from the host district.

Parents or guardians of outbound students shall be provided itemized invoices outlining how funds paid to participate in Youth Exchange are used. Copies of these invoices should also be provided to the sending Rotary club.

The student and the prospective host family should communicate with each other before the student leaves home.

The host and sending club or districts must provide students with a list of individuals to contact in the case of a problem or emergency. This list must include the name and contact information for the student's Rotarian counselor, host club president, host district chair, host governor, sending district chair, sending governor, sending club president and two non-Rotarian resource persons (one male and one female). This list must also include local resources for medical, dental and mental health care and law enforcement professionals. Where available, this list should also include local resources, suicide prevention hotlines, rape crisis hotlines, and local child protection agencies. *(November 2009 Mtg., Bd. Dec. 56)*

41.060.13. Orientation

The sending club or district must organize a mandatory orientation for students and their parents or legal guardians prior to departure. This orientation must inform the participants about the rules, procedures and expectations associated with the Youth Exchange program and should include a briefing about the local Rotary club and its activities.

The sending club or district must provide abuse prevention and awareness training for both students and parents or legal guardians.

The host club or district must also provide an orientation program for inbound students. This must include guidance for students should they encounter any aspects of neglect, physical, sexual, or emotional abuse, and contact information for local resources and their appointed counselors.

Because local laws and customs in one country may differ greatly from those in others, orientation for students must include information on local laws and customs, which may apply to young people. *(January 2009 Mtg., Bd. Dec. 152)*

41.060.14. Student Responsibilities

Students should display comportment at all times reflecting credit on self, the home country, and Rotary and should respect each other and act responsibly, befitting their role in the program.

Students should strive to adapt to the way of life, including language acquisition, of the host country and host family members should assist students to ease that transition.

Students should not under any circumstances be permitted to operate or drive a motorized vehicle of any kind during the exchange, nor to own a motorized vehicle in the host country.

Students should undertake no travel outside the immediate area of the community in which the host club is located without the consent of the students' parents or legal guardians and of the participating clubs or districts.

Students should accept the supervision and authority of the host family and the host club or district during the exchange. (*January 2009 Mtg., Bd. Dec. 152*)

41.060.15. Student Debriefing

Due to the likely effects of reverse culture shock, following their return, students and their parents or legal guardians should be encouraged to attend a debriefing meeting for the purpose of assisting them to transition to their home, school, and community environment. (*January 2009 Mtg., Bd. Dec. 152*)

41.060.16. Volunteer Selection and Screening

Careful selection of all individuals involved in Youth Exchange should be of paramount concern and be done with the utmost care and consideration.

All adults (Rotarian and non-Rotarians) involved in the program, including but not limited to committee members, host families, club counselors, and others, must be interviewed to determine suitability to work with youth, complete and sign a Youth Volunteer Agreement, and agree to undergo background checks, including law enforcement public record checks and a reference check.

The host club or district must conscientiously screen and select host families on the basis of a written application, background checks for all adults in the home, including law enforcement public record checks and reference checks, personal interview, and home visits.

Any participant who does not comply with the requirements of the program should be removed from participation in the program. 41.060.19. Early Returns

Any participant who does not comply with the requirements of the program should be removed from participation in the program. In the case of students, the host and sending clubs and districts, host families and the student's parents or legal guardians, must be fully informed prior to the student being sent home. Such decision requires the agreement of the host and sending districts. The student should be returned home at the earliest practical time by a route agreed upon between the parents or legal guardians and the sending district. In the event of an impasse, districts may appoint an independent Rotarian to serve as a mediator. (*January 2009 Mtg., Bd. Dec. 152*)

41.060.21. Multidistrict Youth Exchange Program

It is recognized that there may be instances where two or more districts wish to cooperate in jointly undertaking Youth Exchange. The Board has no objection to such cooperative effort, provided any activity or project is not undertaken unless two-thirds of the clubs in each such district have first approved participation. Furthermore, the governors of the respective districts shall secure in advance specific authorization of the general secretary acting on behalf of the Board.

Each governor has the responsibility for the supervision and control of the Youth Exchange Program within the district. Multidistrict activities shall be administered by a committee composed of current district Youth Exchange chairs and other officers appointed by the respective governors of participating districts. Such a multidistrict committee is responsible for reporting in writing not less often than annually on its work and finances to all governors in the participating districts. (*January 2009 Mtg., Bd. No individual Rotarian, club, or district shall assist or cooperate in sending a young person abroad on an international travel activity unless careful plans are made in advance covering every aspect of the proposed trip, including approval from the district youth protection officer and district Youth Exchange chair. In districts without a youth protection officer, the district governor and the district Youth Exchange committee chair must approve the arrangements.

No club should provide an identification card, letter of introduction, request for assistance or other credential or document intended to identify or introduce a young person to a club or clubs in another country, unless complete mutual agreement has been reached in advance with respect to the hospitality or assistance to be provided by the host club.

The Board recommends that governors appoint one member of their district Youth Exchange committee to be responsible for encouraging and aiding in the participation of people with disabilities in Long-term and Short-term exchanges. (*October 2012 Mtg., Bd. Dec. 96*)

50.020. Public Relations Guidelines for Pro Bono Relationships with Corporate Entities

The Board has set forth the following public relations guidelines to effectively manage a pro bono relationship with a corporate entity to safeguard the integrity and reputation of RI/TRF, while allowing public relations opportunities for all parties to the agreement.

Definition of Pro Bono Public Relations Relationship

Pro bono relationships do not involve compensation. Predetermined "out-of-pocket" costs are agreed to in advance of securing pro bono assistance. A pro bono public relations relationship involves a private communications agency supplying promotional work without compensation. In turn, RI/TRF agrees to publicize the pro bono relationship as appropriate in RI/TRF's sole discretion.

Establishment of Relationship

When an appropriate corporate entity that may provide pro bono public relations services to RI has been identified, such entity shall be referred to the general secretary for immediate review to ensure that RI/TRF's credibility remain intact, and that current Rotary publicity initiatives will be enhanced. The review will include, but not be limited to, the following elements:

- 1) Shared mission/interest: A review of the corporation's policies and positions on issues relevant to RI/TRF will be assessed to ensure that no conflict of interest exists with the Object of Rotary.
- 2) Background search: An extensive news search of the corporation and back review of annual reports will be researched to study current and past media placements.

Upon completion of the satisfactory review, the general secretary will negotiate a pro bono agreement with the corporate entity. Terms of the agreement will include, but not be limited to, the following:

- 1) Message development: Standing key messages exist within RI/TRF. Altering or adapting these messages must gain approval by the general secretary to deter the release of misinformation to the general public and RI membership.

- 2) RI Spokespeople: The general secretary in consultation with the RI president and/or Trustee chair, will designate appropriate RI/TRF spokespeople for all events and interviews, a RI/TRF spokesperson must be incorporated into all media interviews, either live or by telephone. RI will approve all media interviews related to the pro bono relationship.
- 3) Editorial Review: RI/TRF staff retains full editorial review of all material released by the corporate entity. This activity will ensure the release of factual information to the media, general public and membership audiences of the corporate entity and RI/TRF. These Guidelines do not authorize corporate entity to reproduce any of the ROTARY Marks for any purpose without the prior written, express consent of RI/TRF except as expressly set forth herein.
- 4) Media placement: All press releases, media advisories and media placements must be reviewed by RI to ensure accuracy and proper RI/TRF mention and copies of the media placements provided to RI.
- 5) Placement in RI/TRF publications: Efforts will be made to ensure proper recognition of the pro bono services donated by the corporate entity in Rotary publications including but not limited to: *The Rotarian*, *Rotary Leader*, and the RI website.
- 6) Photo credit/video credit: All material provided by RI/TRF must be credited to Rotary International and include appropriate copyright information, if owned by RI. Appropriate copyright notice would be : "© 2000 Rotary International."
- 7) RI/TRF name and logo requirements: "ROTARY," "ROTARY INTERNATIONAL," "ROTARY INTERNATIONAL and Design" (the Rotary Emblem), "THE ROTARY FOUNDATION," "THE ROTARY FOUNDATION OF ROTARY INTERNATIONAL and Design" (the Rotary Foundation Logo), "TRF," among numerous other marks (collectively referred to as the "ROTARY Marks"), are the intellectual property of RI and/or TRF. Usage of the RI/TRF name and logos will adhere to guidelines concerning reproduction of the ROTARY Marks or guidelines concerning use of the ROTARY Marks by other organizations as amended from time to time and/or any other relevant policies, guidelines, and/or decisions governing use of the ROTARY Marks, circularization, solicitation, and/or sponsorship, as promulgated by the RI Board of Directors.

Once final, the agreement will be submitted for appropriate review consistent with the RI contract review policy.

Maintenance

The general secretary, through Public Relations and Marketing, will provide continued monitoring of the pro bono public relations services to ensure that all elements of the approved contract are maintained to RI's satisfaction. Adjustments to or additions to key messages and media placement activities will need prior approval from the general secretary. The general secretary will update the Board of Directors on a quarterly basis on the results of the agreement. RI/TRF retains the right to terminate the agreement at any time. (*October 2013 Mtg., Bd. Dec. 30*)

50.030. Rotary Public Image Coordinators

Purpose

The purpose of the Rotary public image coordinators is to provide enhanced information and assistance from RI to the clubs and districts in the area of public relations. They will assist clubs and districts to tell Rotary's success stories to all media, local government leaders, communities, civic leaders, and similar entities. They are to serve as trainers, motivators, coaches, counselors, and resource persons for the club and district leaders in their assigned regions. They also are to be available for assistance at Rotary institutes, GETS, and other zone level meetings.

- 6) To provide a forum in which the views and concerns of Rotarians--both on Rotary and non-Rotary topics of significance--can serve to challenge, develop, and strengthen their beliefs in Rotary. In addition, to broaden the horizons of Rotarians and other readers by focusing attention upon the problems of the cultural, ethical, and moral framework within which Rotary works and serves, with the understanding that there will be no comments published, no matter by whom submitted, which might reasonably be expected by the

2. All aspects of the publication of the magazine are under the direct supervision of an advisory board consisting of at least six members, including a current governor or

8. The magazine is adequately financed without financial responsibility by RI.

9. The magazine adheres to RI's reporting requirements, as set forth in the license agreement with RI.

10. The magazine has entered into a license agreement with RI for the publication and distribution of a magazine using the Rotary Marks and circularizing the membership.

51.020.3. Licensing of Rotary Regional Magazines

51.020.4. Guidelines for Rotary Regional Magazine Licensing

The Board has approved the following guidelines for Rotary regional magazine licensing:

a) Qualifications

1. Only regional magazines that have been approved for their country(ies) by the RI Board are eligible to be licensed as part of the RWMP.
2. Regional magazines must be directly supervised by an advisory board consisting of at least six members, including a current governor or designate, a current incoming governor or designate, the magazine's editor in chief, and three past RI officers (preferably media professionals or members with communications experience). Members will serve for a period of at least one year, and the advisory board must meet at least once a year. The advisory board shall fairly and equally represent the region it serves.

3. To become licensed and maintain their licensed status, regional magazines must consistently publish the mandatory Rotary content as supplied by RI. Editorial content must reflect that the regional magazine serves all Rotary countries or districts within its territory, and is published in the primary, officially recognized language.

i) The editors and advisory boards of regional magazines shall ensure adherence to RI policy on political and religious matters and strive to promote the Rotary principle of welcoming men and women of all races, nations, religious faiths, vocations, and political persuasions to membership.

ii) Regional magazines shall not express an editorial opinion on any pending controversial public measure.

iii) Regional magazines shall not endorse, recommend, or otherwise express an editorial opinion about any candidate for public office or Rotary office, or publish any letter, speech, or other content supporting or otherwise commenting on any such candidate.

iv) Regional magazines shall not express an editorial opinion on international political affairs or publish any letter, speech, or other content on such affairs.

4. Licenses will be issued to only one regional magazine per country or geographic area, except in countries or geographic areas where the number of languages spoken warrants more than one regional magazine, as determined by the RI Board.

5. The Communications Committee will determine if magazines meet the requirements for licensing. Following RI Board approval, all regional magazines must enter into an agreement with RI delineating the nature of the relationship and setting forth the guidelines for publishing a licensed Rotary regional magazine. Once the agreement is signed, the regional magazines may announce or publish news of their licensed status.

6. RI shall review every regional magazine. Should any noncompliance with RI guidelines be discovered, the regional magazine may be placed on probation or terminated, as set forth in the license agreement with RI.

b) Procedures

1. Regional magazines must comply with RI's report filing requirements, as set forth in the license agreement with RI.

2. Regional magazines must adhere to RI Board guidelines for reproduction and use of the Rotary Marks.

3. Regional magazines must comply with the royalty reporting and payment obligations, as set forth in the license agreement with RI.

4. Recognizing that Rotarians must subscribe to either *The Rotarian* or one of the regional magazines (*RI Bylaws* section 20.030.), licensed magazines of the Rotary World Magazine Press (RWMP) are required to bill separately for the regional magazine subscription, making clear that any other services or products they offer are optional, and

because these other services and/or products are not covered by the terms of the license agreement with RI.

5. Regional magazines must submit the following information to RI:

i) A detailed content summary and Table of Contents in English of each issue, plus at least three copies of each issue immediately upon publication;

ii) a list of advisory board members, including each member's name, title (if any), and length of term, and an annual schedule of advisory board meetings;

iii) basic circulation information, including the number of paid and complimentary subscriptions and the annual subscription cost;

iv) verification that standard circulation requirements (two or more Rotary districts or at least two Rotary countries) are being met;

v) verification of publication frequency (at least six times per year);

vi) a current magazine editorial calendar and a projection of any major changes or planned improvements for the next four years (licensed period);

vii) a report of advertising policy and rates;

viii) a financial stability letter, signed by the regional magazine publisher, president, or equivalent and approved by the advisory board. The statement will verify that the regional magazine is financially viable and in a position to maintain publication.

ix) Regional magazines shall also submit profit and loss statements and other financial documents that illustrate financial solvency and revenues and expenses, as set forth in the license agreement with RI. Regional World Magazine Publications shall publish their audited accounts to their subscribers and to RI on an annual basis.

6. Failure to comply with the terms of the license agreement with RI will result in probation and/or termination, at RI's discretion, in accordance with the terms of the license agreement with RI. (*September 2011 Mtg., Bd., Dec. 34*)

The RI South Asia Office (Delhi) shall receive subscription moneys for the regional magazines in India, along with the semiannual per capita dues collection. Such subscription moneys shall be transmitted to the Rotary News Trust, with any costs incurred for this activity to be reimbursed to Rotary International. (*May 2003 Mtg., Bd. Dec. 325*)

52.020. Internet and Electronic Communications

52.020.1. Guidelines for Rotary Club, District, and other Rotary Entity Electronic Publications

a) A Rotary Entity's website is a "publication," just as a Rotary Entity's newsletter is a "publication." The primary purpose of any Rotary publication, printed or electronic, is to advance the Object of Rotary.

b) Content and design of such publications should be under the direct supervision of the publishing entity's highest officer, whether it be the Rotary club president, governor, or Fellowship chair, and must conform to current RI policies as set forth in the *Manual of Procedure*. (Of particular note are those policies pertaining to Rotary Mark and Emblem usage and those prohibiting circularization.) In particular, whenever the name "Rotary," the Rotary Emblem or other of the Rotary Marks are used, Rotary Entities should use the further identifier of the name of the Rotary Entity involved. When selecting a domain name that includes the word "Rotary," Rotary Entities should also include further identifying language of the name of the Rotary Entity and not solely the word, "Rotary." (See section 33.040.6.) (Proper naming examples are, "www.AnytownRotaryClub.org," "www.rotarydistrict0000.org," "www.AnytownRotaryVillage.org," and "www.Rotary[Insert Name of Rotary Entity Here].org." Examples of generic, improper naming examples that only use "Rotary" by itself or refer to RI and not a specific Rotary Entity would be "www.rotaryvillage.org," "www.rotarian.org," "www.RIactivity.org" and www.rotarywomen.org.) Rotary International accepts no responsibility for the content of any non-RI publication.

c) Rotary International maintains a site on the World Wide Web (www.rotary.org) to provide Rotarians with timely and accurate information about the programs of Rotary International and The Rotary Foundation. Editors of Rotary publications in all media are encouraged to use this information in their respective Rotary organs, provided they adhere to the copyright policies posted on the RI site. Furthermore Rotarians in charge of club, district, and other Rotary Entity websites shall, when feasible, include a link to the RI website for the benefit of those wishing to learn more about Rotary.

d) Top Level Domain (“TLD”) and Domain Name Registration and Maintenance Policy

I. Purpose of Policy

The purpose of this policy is to define the TLD and domain name registration policy for Rotary International. It should also serve as a guide to Secretariat Staff as various departments take advantage of the Internet to promote Rotary International and its programs and to Rotary Entities seeking to purchase domain names as they establish websites to advance the Object of Rotary.

II. TLDs and Domain Names Reserved for the Exclusive Use of Rotary International and The Rotary Foundation

A. TLDs and Domain Names

Rotary International reserves the following of the Rotary Marks for the exclusive use of Rotary International and The Rotary Foundation as TLDs or domain names (the below to include the plural, as well as the singular uses thereof):

- a) interact
- b) interactclub
- c) interactive
- d) paulharris
- e) paulharrisfellow
- f) polioplus
- g) RI
- h) rotaract
- i) rotaractclub
- j) rotarian
- k) rotary
- l) rotaryclub
- m) rotaryfoundation
- n) rotaryinternational
- o) rotaryintl
- p) therotarian
- q) therotaryfoundation
- r) TRF
- s) serviceaboveself

To the extent possible, each Rotary Mark should be maintained as a domain name (in conjunction with each major TLD such as .com, .org, .net, .info, .biz and others, as they become available), a TLD or other major identifier of Rotary on the Internet.

B. Country Code Domains

“ROTARY” should also be protected in conjunction with country code (“cc”) domains as much as possible based on the following order of priority:

- a. Any domain name and/or country mandated by the RI Board or TRF Trustees.
- b. Countries in which RI has an international office.
- c. Countries in which RI is scheduled to hold an upcoming Convention and/or the home countries of elected and/or nominated RI presidents.

- d. Countries in which there have historically been or in which RI is currently having problems, either because of those who infringe RI's marks or because other individuals, companies or organizations have filed numerous applications for same or similar marks requiring RI to file oppositions against these applications.
- e. Countries in which RI has either a significant number of licensees or major licensees.
- f. Countries in which RI has established a prominent presence, either because of large numbers of Rotarians or countries in which RI and/or the programs of RI are very active.

Rotarians, Rotary clubs, Rotary districts and other Rotary Entities are asked to support this Policy and transfer ownership rights in any of the above designated TLDs and/or domain names they may currently own to RI, at RI's request. Due to budget limitations, cc level domain names featuring any of the Rotary Marks other than ROTARY are not in line for purchase at this time, but this is subject to change at any time at the discretion of the general secretary.

C. Other TLDs and Domains

1. The general secretary shall determine whether there are any TLDs or domain names, other than those set forth above, which it would be in RI's best interest to protect and maintain for its exclusive use and/or benefit.
2. The general secretary shall determine whether and when the use of any of the Rotary Marks in a TLD or domain name by a Rotary Entity does not comply with Board policy or for an individual, company or organization not affiliated with RI constitutes infringement and shall pursue the matter accordingly.

III. Registration and Maintenance of TLDs and Domain Names

The general secretary shall purchase TLDs and domain names meeting the current goals of TLD and domain name protection, listing Rotary International as the owner. The Intellectual Property Section of the Legal Department shall handle the registration, renewal and maintenance of TLDs and domain names for Rotary International and The Rotary Foundation, with technical and substantive support from IS, Communications and CDA, as necessary.

IV. Rotary Clubs, Rotary Districts and Other Rotary Entities

A. Rotary clubs, Rotary districts, other Rotary Entities and individual Rotarians should be advised that RI reserves the right to request that TLDs and domain names featuring any of the Rotary Marks be assigned to RI now and in the future, pursuant to this policy.

B. Rotary clubs, districts, other Rotary Entities and individual Rotarians are encouraged to purchase domain names that comply with the RI Board policy concerning the use of the Rotary Marks as outlined in the Rotary International *Manual of Procedure* and *Rotary Code of Policies*. Rotary Entities are encouraged, before registering domain names, to check with their CDA representative to ensure their proposed domain name complies with Board policy for use of the Rotary Marks.

C. The purchase and/or administration of any TLDs which may become available using any of the Rotary Marks is reserved exclusively for RI.

D. The general secretary may require a disclaimer that limits RI's liability to be placed on websites of Rotary Entities.

E. The general secretary reserves the right to take any necessary action against any Rotary club, district or other Rotary Entity or individual Rotarian or group of Rotarians whose actions are not consistent with RI Board policy concerning the use of the Rotary Marks. 52.020.2. RI's Website

The general secretary shall maintain the RI website at the www.rotary.org address on behalf of the Board. The website shall include information pertinent to the programs and activities of Rotary International and The Rotary Foundation as well as applications to assist Rotary clubs and districts in doing their Rotary business online including such things as membership updates, Foundation donations, purchasing of Rotary products, etc. The general secretary shall provide or make accommodation for reasonable space (up to 10 pages each) for the president and the president-elect to communicate with the Rotary world as an integrated part of RI's website. 52.020.4. Social Business Strategy

Rotary will increasingly use digital social strategies to engage Rotarians, the "family of Rotary," and the general public. The tools we choose to implement will be worthy of Rotarians' trust. These tools will make it easier for Rotarians to build and deepen relationships with one another and to discuss and collaborate on Rotary-related business. We will encourage the use of social technologies consistent with these goals and development of new technologies where gaps exist. (*May 2012 Mtg., Bd. Dec. 244*)

57.030. Guidelines

A manual for the general guidance of the convention committee has been approved and is revised from time to time by the Board and distributed as detailed in the manual for conventions. Such manual includes Board policy governing Conventions. The general secretary is requested to bring to the Board's attention any necessary changes to the manual. Each Convention committee is likewise requested to include in its final report any recommended changes to the manual. (*January 2012 Mtg., Bd. Dec. 201*)

57.040. Site Selection

57.040.1. Convention in Successively Different Locations

The international convention shall not be held in any one country for more than one consecutive year. If possible, Conventions should be held successively in different parts of the world, with the qualification that cost factors be given careful consideration. The

eastern and western regions of the United States, as divided by the Mississippi River, are to be considered two distinct regions for this site selection purpose. (*November 2007 Mtg., Bd. Dec. 87*)

57.040.2. Minimum Standards For Convention

The Board will consider a proposal only if the general secretary has explicitly confirmed that the city currently meets all of the requirements for holding a convention. If the general secretary and/or Rotary senior leader involved in the site inspection reports that a city does not meet all of the critical site specification criteria as described in the current *Manual for Conventions* and the Board proceeds to select that city, the Board shall provide an explanation of how any deficiencies will be addressed in its respective Board decision. The general secretary shall inform the Board of potential sites which vary slightly from the standards, or preferred criteria, when such variances would not inhibit the full capability of a city to hold a convention. Should no city be certified by the general secretary from among those submitting invitations, the Board will postpone any selection until a city has been so certified or solicit proposals from another group of cities. International conventions shall not be allocated to cities that do not have sufficient and proper facilities. (*January 2011 Mtg., Bd. Dec. 150*)

57.040.3. Cost Control Measures in Convention Site Selection

To control Convention expenses, negotiations to reduce costs in the following areas may be conducted before the selection of the convention city: housing, meeting places, and other facilities. The number of official meals should be limited as much as possible. Any gratis items to be offered, including complimentary hotel rooms for various officers, should be established. 57.040.4. Funding of Convention Meeting Space

When considering districts' invitations to hold conventions in their cities, RI will expect the city to provide without expense to RI a suitable and convenient auditorium for the convention's general sessions and additional meeting places for other sessions. No district of any city should have to pay rental or other expenses for convention venues for RI's use. Rather, the city shall furnish such facilities, or the city government, tourist association, chamber of commerce, or a similar group of business people should provide any necessary funds for such a meeting place. 57.040.6. Procedures for Selecting RI Convention Sites

Procedures have been established for the selection of sites to hold RI's annual convention and are detailed in the Manual for Conventions. No city can host a convention sooner than every 20 years. The board will select finalist for inspection after which a city will be selected for the specific year. The convention should not be held during the last half of June, effective 2015. *(January 2012 Mtg., Bd. Dec. 201)*

57.040.7. Changing Location of Convention Site

Having selected a convention city, the general secretary will update future Boards on the progress being made with several cities and districts scheduled to host conventions in future years. The general secretary will alert the Board to any serious problems encountered in convention planning.

In the event information is received which indicates that the location of a meeting which has already been determined has become inaccessible, the Board shall consider changing such location. *(June 2002 Mtg., Bd. Dec. 266)*

60.050. Rotary Institutes

The Board of Directors of Rotary International has strongly affirmed the value of annual informational meetings of past, current and incoming RI officers in RI zones. The general secretary shall provide assistance and training for institute conveners.

The Board has adopted the following “Requirements for Rotary Institutes,” which the general secretary shall annually provide to institute conveners and chairs. The Board shall review these guidelines on a triennial basis. (*June 2010 Mtg., Bd. Dec. 182*)

A. Definitions

Institute: An annual informational meeting, with no administrative responsibility or authority, of all past, current and incoming RI officers in one or more zones (or sections of zones), as authorized by the president.

Convener: A current, incoming, or past RI director, appointed by the president nominee, preferably for no more than two consecutive years, to have charge of an institute.

Foundation Representative: A current or incoming trustee appointed by the chair of the Foundation Trustees, with the concurrence of the president, to assist an institute in promoting The Rotary Foundation. Such appointment shall take into consideration the most cost-effective measures.

Institute Chair: A past RI officer appointed by the convener to organize an institute. (*June 2010 Mtg., Bd. Dec. 248*)

B. Purpose

The purpose of institutes is to provide:

1. current, incoming, and past RI officers with updates on RI and Rotary Foundation policies and programs;
2. a forum for Rotary leaders to make comments and recommendations to the Board of Directors;
3. fellowship and a participative learning experience that will help inspire current, incoming, and past governors to continuing leadership and service. (*June 2010 Mtg., Bd. Dec. 248*)

Source: June 2010 Mtg., Bd. Dec. 248

C. Participants

Attendance at each institute shall be limited to past, current and incoming RI officers and their guests, though

1. others may be invited by the conveners or may attend at the request of the president or the general secretary;
2. host Rotarians and other local persons may assist the convener in administering the institute;
3. local Rotarians may be invited to attend as observers a special event at the institute, such as an address by the president or president-elect;
4. the RI president and president-elect are encouraged to participate in some institutes each year in order to enhance their knowledge and experience of the world of Rotary, and to provide opportunities for Rotary leaders at the zone level to gain greater knowledge and insight into the current and future directions of Rotary. In order to conserve institute and RI funds and to project the current president's theme, it is suggested that *either* the president *or* the president-elect attend each institute, but both should not attend together. It is, however, recognized that, given their many duties and commitments, the president or president-elect may only be able to attend portions of institutes;
5. The roles of spouses of directors and incoming directors, trustees and incoming trustees of The Rotary Foundation, and the general secretary shall be to
 - a. represent RI or its Foundation in their official capacity at assigned events
 - b. attend and participate in plenary sessions, workshops, forums, and meetings
 - c. attend and participate in all spouse program events such as plenary sessions or discussions, possibly as speakers, moderators, panelists, presenters or facilitators, at the discretion of the convener
 - d. serve as hosts to other spouses of official participants
 - e. attend and participate in official luncheons and dinner
 - f. attend official social events as representatives of RI or its Foundation
6. Rotary leaders eligible to participate in Rotary institutes are encouraged to attend, at no cost to RI, institutes organized in adjacent zones or sections within the same zone in order to increase communication and the flow of Rotary information within and across zones.

7. Past district governors residing in the zone should be provided opportunities to make meaningful contributions to the Institute and participate in the program as speakers, panelists, discussion leaders, and members of the committees for the institute, as a means of developing future leaders in Rotary at the zone and international levels;
8. the attendance of a representative of Rotary's Foundation is highly desirable in achieving the objectives of The Rotary Foundation and updating the knowledge of past, present, and incoming officers, and toward this end,
 - a. conveners are requested to consider providing lodging, meals and other local expenses for Foundation representatives and spouses from institute or other funds. The Foundation will pay all transportation costs and will pay the above expenses should the institute not pay them, provided that the convener inform the representative before the latter's departure for the institute that the institute will not bear such expenses;
 - b. conveners of institutes should provide in the institute agenda an opportunity for the Foundation representative to deliver a major address on the Foundation and to have another opportunity to update participants on Foundation programs, objectives, finances, and problems and to respond to participants' questions. D. Organization

1. The president-nominee is authorized by the Board to act on its behalf to approve the sites and dates of Rotary institutes. No action should be taken by potential conveners to secure institute dates or locations until they are formally appointed by the president-nominee. Conveners are required to obtain such approval before committing to a time and location. When there is no president-nominee yet declared, the Executive Committee of the Board is authorized to appoint conveners and approve institute dates and locations. The general secretary shall advise all current and future conveners of Rotary institutes to make every effort to ensure that the meeting does not conflict with any other institute in the region or major religious holiday celebrated in that zone.
2. The organization and program of each institute shall be directed by the convener, who is the president's representative to the institute and who remains responsible to the president for the conduct of the institute;
3. The convener, while retaining complete control of the agenda, program, and finances of the institute, shall appoint a
 - a. chair, who is responsible for the arrangements for and organization of the institute meeting;
 - b. treasurer, who should be a past RI officer, responsible to the convener and the zone for the preparation of the institute budget, use and disbursement of the funds;

4. In order to promote the best attendance and participation at reasonable expense, institutes should not be planned for areas exceeding the equivalent of four zones.
5. RI directors, directors-elect, directors-nominee, other conveners, and their respective Institute planning committees are encouraged to visit, at their own expense, other Rotary Institutes to obtain ideas on more meaningful engagement of past governors in Rotary Institutes;
6. Rotary institutes, presidential conferences, and district conferences may be held in conjunction with each other or simultaneously at the same venue provided that:
 - a. separate budgets and separate registration fees are established and maintained for each meeting;
 - b. funds will be maintained separately for each meeting;
 - c. prior consent is obtained from the governor where the district conference will be held and from the convener of the Rotary institute to be held. (*January 2012 Mtg., Bd. Dec. 159*)

E. Program

1. Institutes shall normally last two to three days, not counting the time for any separate sessions or seminars, and be held at times that are reasonably convenient for younger participants;
2. Conveners must not allow speeches and presentations to take up most of the program time at institutes but rather plan ample time (approximately 40-50 percent) for the exchange of views among participants through panels, question and answer sessions, group discussions and the like;
3. Conveners shall, when convenient, arrange an intercity meeting for institute participants and local Rotarians;
4. Conveners may, as appropriate, avail themselves of the assistance of any RI and TRF staff assigned to the institute by the general secretary for information and participation to support pre-institute or institute programs. Where possible, the assignments should be made from the international office serving the zone.
5. In the year of the Council on Legislation, conveners are requested to:
 - a. conduct a training session to last at least one-half day limited to representatives and alternates and conducted by highly experienced Rotarians, to discuss the operation and procedures of the Council, but not the substance of the proposals, with training materials to support such training sessions provided by the general secretary;
 - b. schedule a plenary session to discuss the substance of the selected proposals to be considered at the next Council, for the purpose of allowing voting representatives the opportunity to hear the views of Rotarians from their area of the world.

6. The Board recommends including an open forum of least one-hour during the institute program for an exchange of ideas between the participants and Rotary senior leadership.
7. A director, or other representative of the Board, shall present the five-year forecast to each Rotary institute for discussion, pursuant to RI Bylaws section 17.060.4.
8. Each Rotary institute should schedule a status report on PolioPlus until polio eradication is achieved. (*January 2010 Mtg., Bd. Dec. 248*)

F. Promotion

RI directors-elect, directors-nominee and their respective Institute planning committees, should consider promoting

1. emerging information about RI and our Rotary Foundation;
2. fellowship opportunities, especially re-connecting with one's governor-class;
3. opportunities to interact with senior Rotary leaders regarding Rotary policies. (*June 2010 Mtg., Bd. Dec. 248*)

G. Adjunct Meetings

1. GETS are considered the only mandatory adjunct meetings. Separate sessions or seminars shall, with the permission of the convener, be held at (or near) the same time and location of the institutes, which may include training for governors-elect, governors-nominee, spouses of incoming governors, district trainers, and the One Rotary seminar. Adjunct meetings must
 - a. not interfere with, and should not duplicate, the main program of the institutes, which is primarily for past RI officers;
 - b. therefore be also under the direction of the convener;
 - c. not duplicate the program at the International Assembly;
 - d. be consistent with RI policy and information developed by RI;
 - e. be promoted and financed as quite distinct from the institute itself.
2. However, any events coming before or after an institute - such as governors-elect training seminars (GETS), the One Rotary seminar, The Rotary Foundation seminar, governor-nominee training, training for district trainers, or recreational events - should be clearly described as pre-(or post-) institute events, which may involve a different audience than those attending an institute.

3. It is the responsibility of all Rotary institute conveners to ensure that the program for zone-level training of governors-elect as adopted by the Board is fully implemented.
4. It is recommended that presentation, equipment, and room charges for the training seminar be included as part of the event budget and are provided at no cost to either RI or the GETS training team. The GETS training team should be provided with the appropriate meeting space and equipment. The following logistical and equipment needs are recommended:
 - a) Tables and chairs for participants set-up in a “U” shape (group size of no more than 25-30 governors-elect)
 - b) Podium or table for training leader
 - c) LCD projector, laptop computer, or overhead projector
 - d) Flipchart stand, paper, and markers (*January 2013 Mtg., Bd. Dec. 154*)

H. Finances

1. Each institute shall be financially self-supporting through registration fees and voluntary donations (including goods and services) or sponsorships in accordance with RI Guidelines. Funds raised for the institute shall only be spent on institute-related expenses;
2. Adjunct meetings shall also be self-supporting through registration fees;
3. Districts and clubs (and non-participating Rotarians) shall not be required to pay any institute expenses, except for the costs of their governor and incoming governor (and other future RI officers at the discretion of districts and clubs), or as sponsors in accordance with RI Guidelines;
4. The convener shall make every effort to contain costs by
 - a. securing reasonably priced facilities and accommodations;
 - b. minimizing the number and cost of social functions;
 - c. minimizing the cost of speakers and any others invited from outside Rotary or the zone;
 - d. offering lower-cost or hosted lodging in the area, corporate sponsorships, and/or increased flexibility for meal options.
5. Rotary International provides adequate general liability (also known as public liability and third-party liability) insurance coverage for each institute. Coverage is limited to policy terms and excludes institute activities such as fireworks displays, motor racing events, and use of airplanes and watercraft to name a few. Coverage terms and limitations may change annually. Please contact RI Risk Management for additional information;
6. After all expenses have been paid, any surplus balance shall, in cooperation with the convener and the treasurer of the next institute, be carried forward for the sole use of that and future institutes.

7. No financial guarantee for Rotary institute conveners is appropriate or necessary.
8. RI will reimburse the transportation expenses incurred by conveners for travel to the institute site on up to two occasions, if necessary, for preparation and planning purposes. Conveners are encouraged to make these trips in conjunction with other Rotary travel, whenever possible, for economic reasons.
9. RI will reimburse the transportation expenses incurred by conveners, and their spouses when accompanying them, to attend Rotary institutes, in accordance with RI's established travel policy.
10. Rotary institutes are expected to cover all other expenses incurred by the conveners and their spouses attending their institute. Nevertheless, any such other expenses associated with the Rotary institute at which the director serves as convener that are not covered by the institute budget, including spouse expenses when accompanied by proper business purpose documentation, shall be reimbursed to the extent of the director's allocation available pursuant to the "Policy for Expenses of General Officers" under section 69.040.1. of the *Rotary Code of Policies*.
11. Expenses of Directors and spouses for attending institutes other than those in which the director serves as convener will be reimbursed where such expenses are in furtherance of the business purposes of RI to the extent of the director's allocation available pursuant to the "Policy for Expenses of General Officers" under section 69.040.1. of the *Rotary Code of Policies*.
12. An advance of US\$1,000 may be made for each institute when requested by a convener, such advance to be refunded on completion of the institute. (*January 2012 Mtg., Bd. Dec. 159*)

I. Reports

1. Each convener shall, within ninety days after the conclusion of an institute, send to the general secretary of RI, the convener of the following institute, and to each governor within that zone(s) a complete financial statement, certified by the chair and treasurer of the institute, detailing all revenues and expenses of the institute. The financial statement shall include any surplus balance received from the prior year's institute and any surplus balance carried forward to the following year's institute. Failure to comply with the requirement to distribute a complete financial statement, after having been notified by the general secretary, shall result in the convener being ineligible to receive any additional expense reimbursements from RI, whether or not such expenses are associated with the institute, and ineligible to receive any RI volunteer appointment or assignment, or any Rotary Foundation appointment or assignment, until the completed financial statement is distributed in accordance with this policy. In the case of extraordinary circumstances, an extension not exceeding thirty days may be granted by the president;

2. The general secretary shall distribute copies of the institute financial statements submitted by each convener to the Board prior to its final meeting each year. The general secretary shall provide a status report regarding past due institute financial reports to the treasurer and the chair of the RI Audit Committee in April of each year. Individual audit reports shall detail the audit objectives and scope; observations, conditions, and applicable recommendations; and management responses and action plans. Executive summaries of audit reports may be prepared for certain audiences. Special project and consulting engagement reports may deviate from this format depending upon the circumstances.

The general secretary and affected operational management should be given ample opportunity to review the report prior to final distribution. This review should provide an opportunity to correct errors, omissions, misunderstandings, or other inaccuracies and provide suggestions. The general secretary and management have no authority to change any aspect of the audit report. If a difference of opinion exists, the general secretary or management may submit a formal statement with the response in the audit report.

At a minimum, audit report distribution should comply with the following guidelines:

67.020. Guidelines for Appointment and Evaluation of the Independent Auditor

The RI Board of Directors is responsible for appointment and evaluation of the independent auditor. The Audit Committee assists the Board in executing this responsibility by

- defining and communicating performance expectations;
- monitoring and assessing performance;
- making recommendations to the Board regarding services, fees and appointment; and
- overseeing any competitive selection process.

The Audit Committee is to communicate with the Trustee Chairman regarding any appointment or evaluation of the independent auditor.

The Audit Committee will monitor and evaluate the performance of the independent auditor as outlined in the “Annual Performance Assessment” as defined in these guidelines. Each year, the Audit Committee will document and communicate its assessment to the Board and the Trustee Chairman, and make recommendations to the Board as necessary. Recommendations may

include conducting a competitive selection based on serious and/or ongoing performance deficiencies. The Audit Committee will solicit and consider input from management.

In general, unless circumstances dictate otherwise, the Audit Committee, on behalf of the Board and Trustees, will formally consider and conduct a comprehensive review for the selection of its independent auditor based on competitive proposals at least once every seven (7) years. The Audit Committee will solicit and consider input from management.

A. Annual Performance Assessment

The general secretary will distribute evaluation criteria and related materials for use in monitoring and evaluating the performance of the independent auditor during the year. This information will be distributed prior to the start of the significant audit services (e.g. typically in January or February) to the following:

- Members of the Audit Committee
- General Secretary
- Other Secretariat Managers as deemed necessary

At the conclusion of the audit services (e.g. October), the general secretary will solicit evaluation feedback from the noted Rotary leaders and managers. The evaluation and feedback will be reported to the Audit Committee at its subsequent meeting (typically, February). Evaluation criteria should remain fairly constant from year to year to allow evaluation of performance trends over time. Examples of potential performance evaluation criteria include, but are not limited to:

- Audit plan expected and actual results
- Quality of audit services
- Timeliness of audit and deliverables
- Audit fees (actual versus agreed)
- Independence
- Understanding of Rotary
- Type, frequency and quality of information and communication
- Availability and transparency

The Audit Committee should discuss with the independent auditor (in closed session if necessary):

- Questions or concerns regarding performance of the independent auditor during the prior fiscal year and/or the overall relationship
- Performance expectations
- The proposed audit plan, scope, and fees for the next annual audit(s)

- Questions or concerns of the independent auditors

The Audit Committee will communicate the results of its deliberations regarding the independent auditor's performance and proposals to the Board through its meeting minutes/report to the Board. The Audit Committee will make specific recommendations, if any, to the Board concerning acceptance of the independent auditor's proposal for the next fiscal year. The Audit Committee

may make other recommendations to the Board, including competitive bidding of these services. If competitive bidding is recommended, the Trustee Chairman should be notified.

The Audit Committee's deliberations will include consideration of the annual evaluation survey results. Throughout the year, the Audit Committee should have complete, direct, and open access to the independent auditor. The general secretary will assist and facilitate this access.

Discussion of the independent auditor's performance may be placed on the agenda of any Audit Committee meeting.

If necessary, the independent auditor's performance may be reviewed between regularly scheduled committee meetings. Either the Audit Committee chairman or management may initiate this review. The chairman should determine the best approach to conduct the review. The results of any review should be documented and communicated.

B. Competitive Selection

The Audit Committee will oversee the process of competitive selection of the independent auditor. The Audit Committee will solicit and consider input from management.

The general secretary will coordinate the competitive selection process in consultation with the Audit Committee. The general manager of The Rotary Foundation, or his designee, will be included in correspondence with management, and will be invited to participate in any management group involved in the selection process.

Specific selection procedures will be defined in detail at the time the actual selection process begins. Generally, the process should include the following:

1. Establish selection process procedures and timeline
2. Define service requirements
3. Select evaluation group(s) and communicate responsibilities
4. Establish audit firm evaluation criteria and scoring methodology
5. Research audit firms and develop audit firm selection universe
6. Prepare and distribute request for proposal package
7. Evaluate proposals based on established criteria
8. Select audit firm(s)
9. Request/receive oral presentations from selected audit firms
10. Final evaluation and selection (*June 2010 Mtg., Bd. Dec. 265*)

68.030. Capital Expenditures

Note: The Board regularly reviews and amends, where necessary, the “RI Policy on Financing Capital Expenditures and Projects,” which is as follows:

A. Purpose

The purpose of this policy is to identify those circumstances under which financing capital projects or equipment with debt or through capital leases is appropriate. The policy also establishes limits for the level of permitted indebtedness and capital leases and stipulates the approvals required to incur debt or enter into a capital lease.

B. Scope

This policy applies to the financing of Rotary International's capital expenditures and projects.

C. Policy

1. The incurrence of debt will be considered under the following circumstances:

- a) If spending available cash on capital project(s) will impede the organization's ability to attain or maintain RI's general surplus reserve policy, and
- b) The project being financed is expected to generate incremental income in future years that can be used to offset future debt payments.

2. The entering into a capital lease will be considered under the following circumstances:

- a) The equipment being acquired is of a nature that technological advances will make the equipment obsolete over relatively short periods of time, and
- b) The effective lease rate is less than the expected rate of return on investments over the term of the lease.

3. The amount of permitted debt plus capital leases is subject to the following:

- a) Total debt and capital leases shall not exceed 15% of RI's unrestricted net assets.
- b) Income available for debt service should be equal to or greater than two times the annual debt service (principle and interest) and lease payments. Income available for debt service equals revenues less adjusted operating expenses. Adjusted operating expense equals operating expenses less depreciation, amortization, interest expense, and any extraordinary items.

D. Authority

The Board must approve any incurrence of debt. The general secretary may approve capital leases in amounts not to exceed \$100,000 in any fiscal year. Amounts in excess of \$100,000 in any fiscal year must be approved by the Board. (*January 2013 Mtg., Bd. Dec. 141*)

69.030.5. Exchange Rate Fluctuations

Governor's budgets will be recalculated to the extent the US exchange rate increases or declines against local currency by three percent or more between the rate in effect 1 July and the rate at which the budget was originally prepared to offset the increase or decline. The revised budget, reflected in US dollars, will then become final and not subject to further change due to subsequent exchange rate fluctuations. (*June 2006 Mtg., Bd. Dec. 270*)

70.010. Investment Policy Statement – Rotary International General Surplus Fund

70.010.1. Objectives of the General Surplus Fund

The primary objective of the General Surplus Fund, hereinafter referred to as “the Fund”, is to provide for the long-term financial security of Rotary International (“RI”). The Fund includes Rotary International’s (1) unrestricted cash, plus (2) marketable securities, plus (or minus) (3) any receivable (or payable) from (or to) The Rotary Foundation.

Other objectives for the marketable securities portion of the Fund include (1) meeting RI’s financial goal of maintaining a reserve, (2) providing investment earnings to supplement revenue from other sources so that RI can meet operating expenses if need be and produce a balanced budget, and (3) provide liquidity, if needed, for working capital purposes.

RI’s unrestricted cash is used for working capital purposes and resides in bank accounts throughout the world. RI’s primary source of working capital is held at its main operating bank in the U.S. Specific investment guidelines for unrestricted and restricted cash are found in Rotary Code section 70.010.17. 70.010.2. Delegation of Responsibilities

The Board of Directors of RI (the “Board”) is responsible for setting overall investment policy, including the investment objectives and asset allocation strategy, and for approving any changes to this Investment Policy Statement (IPS).

The RI Finance Committee is responsible for recommending investment policies and for monitoring the performance of investment managers. The Foundation’s Investment Committee (IC) acts in a consultative capacity for the RI Finance Committee with respect to RI investment matters. The Chair of the RI Finance Committee and a member of the RI Finance Committee appointed by the Chair will attend meetings of the IC when investment matters affecting RI are discussed. The RI Finance Committee attendees have voting rights with respect to appointments and terminations of investment managers utilized by RI and other matters that impact RI’s investment portfolio.

The general secretary is responsible for the daily operation of and compliance with the IPS on behalf of the Board. Such daily operations and compliance shall include the implementation of the Board decisions, and termination and hiring of investment managers, with approval of the IC.

The investment consultant is responsible for developing and recommending asset allocation strategies, monitoring the Fund's investments, researching and recommending investment vehicles and managers to members of the RI Finance Committee and the investment staff, and providing timely investment reports to the RI Finance Committee and the investment staff.

The investment managers appointed to execute the policy will invest the Fund in accordance with the Fund's investment guidelines and the managers' judgments concerning relative investment values within their specific investment universe. *(January 2012 Mtg., Bd. Dec. 158)*

70.010.3. Statement of Investment Goals and Objectives

This statement of investment goals and objectives expresses the Fund's position regarding risk tolerance and the asset allocation of the Fund; sets forth an appropriate set of goals and objectives for the Fund's assets; and defines parameters within which the investment managers may formulate and execute their investment decisions.

The investment objective of the Fund is to generate sufficient earnings to enable RI to balance its annual budget, while mitigating downside risk. Other investment objectives are to preserve the capital allocated to the operating reserve and provide liquidity when operating cash is insufficient to cover operating expenses.

Given that investment earnings are likely to be greater to or less than those budgeted, the RI Board established an Investment Earnings Reserve into which excess earnings are transferred or from which investment earnings shortfalls are funded. *(See Rotary Code of Policies sections 70.020. and 70.050.)*

The performance objective of the Fund is to achieve a rate of return consistent with the expected return of the target allocation found in *Rotary Code of Policies* section 70.010.15. Over a three- to five-year period, the rate of return earned by the Fund should exceed the annualized total return of the custom index or "Policy Index" on a net-of-fee basis.

The Policy Index is defined by the following indices and allocated based on the target allocation:

<u>Index</u>	<u>Asset Class/Strategy</u>
MSCI ACWI IMI	Global Equities
Dow Jones US Total Stock Market	US Equities
MSCI ACWI IMI ex US	Non-US Equities
BC Aggregate	Core Fixed Income
50% BC Global Agg/25% BC HY/25% JPM EMBI+	Non-Core Fixed Income
60% MSCI World/40% BC Global Aggregate	Global Asset Allocation
50% BC TIPS; 30% DJ UBS Commodities Index; 20% MSCI ACWI IMI	Real Assets
HFRI Fund of Funds Composite Index	Hedge Funds

For performance evaluation purposes, all rates of return will be examined on a net-of-fee basis.

Total portfolio risk exposure and risk-adjusted returns will be regularly evaluated and compared with other comparable total funds. The risk exposure for the overall Fund should generally rank in the midrange (25th to 75th percentile) of comparable total funds. Risk-adjusted returns are expected to consistently rank favorably relative to comparable funds.

Normally, results are evaluated over a three-to-five year time horizon. However, shorter-term results will be regularly reviewed and earlier action taken as required. (*June 2013 Mtg., Bd. Dec. 249*)

70.010.4. General Investment Guidelines

Overall Fund structure targets and permissible ranges for eligible asset classes are detailed in *Rotary Code of Policies* section 70.010.15. Performance objectives for investment managers are included in *Rotary Code of Policies* section 70.010.16. The investment managers should determine that the securities to be purchased are consistent with the guidelines expressed in this IPS and suitable for this Fund.

Full discretion, within the parameters of this IPS, is granted to the investment managers regarding the asset allocation, the selection of securities, and the timing of transactions. All investments will be made in accordance with a pre-approved investment management agreement that outlines the limitation of the investable securities. The investment manager is responsible for making an independent analysis of each security and its appropriateness as an investment for this Fund. (*June 2010 Mtg., Bd. Dec. 260*)

70.010.5. Traditional or “Liquid” Investment Structure Guidelines

U.S. Equity Investment Mandates

U.S. equity holdings consist of equity securities of companies that are listed on U.S. registered exchanges or actively traded in the over-the counter market. The market capitalization of securities should be largely consistent with securities held in appropriate indices. American Depositary Receipts (ADRs), which are U.S. dollar denominated foreign securities traded on the U.S. stock exchanges (e.g., Reuters, Nestle, Sony) may be held by each U.S. equity manager in proportions which each investment manager shall deem appropriate.

Non-U.S. Equity Investment Mandates

Non-U.S. equity securities can be accessed through local markets or American Depositary Receipts (ADRs). The investment manager may hedge currency exposure through the use of derivative instruments. Emerging markets equity is permitted and should be largely consistent with a pre-approved benchmark.

Fixed Income Investment Mandates

Eligible securities are broad fixed income securities publicly traded in respective domestic markets and may include, but are not limited to, U.S. government and agency obligations, mortgage backed securities, corporate bonds, debentures, and commercial paper. The duration of the portfolio should be largely consistent with appropriate indices. Unless otherwise agreed to, the duration of the portfolio must be within 20% of the appropriate benchmark.

Compliance with classifications provided by rating agencies (Moody's, S&P, and Fitch) is not sufficient for an issue to be deemed an appropriate investment. The investment manager is responsible for making an independent analysis of the credit-worthiness of securities and their appropriateness as an investment for this Fund.

Global Equity Investment Mandates

The intent of these strategies is to give managers the flexibility to invest across global equity markets based on the manager's view of opportunities. Managers should invest within the context of controlled risk and added return.

Equity holdings consist of equity securities of companies that are listed on registered local exchanges or actively traded in the over-the counter market. The manager may hedge currency exposure through the use of derivative instruments. Emerging markets equity is permitted with a pre-approved benchmark.

Global Asset Allocation Managers

The intent of these strategies is to give investment managers the ability to invest across traditional and non-traditional asset classes in order to further diversify the Fund, control risk and add return.

It is understood that securities, strategies, constraints and investments that are declared ineligible for inclusion within other investment mandates may be included in these portfolios. The otherwise restricted investments may be allowed within the Alternatives category to allow for positions that, on an aggregate basis, offer attractive risk-adjusted return benefits to the overall Fund. The investment managers should determine that the securities to be purchased and the strategies to be utilized are suitable for this account.

The majority of the assets will be invested in global equity and fixed income mandates that shall comply with the above listed guidelines for those asset classes.

Derivatives are permitted in this portfolio, but are limited in use relative to the Derivatives Policy herein, unless approved in writing by the Board.

From time to time, these strategies may make additional diversifying investments in other asset classes or securities such as hedge funds, commodities, etc. The Board shall approve any such investment prior to implementation and shall restrict these investments to specific investment managers.

Real Assets

Real Assets are permissible as a long-term inflation hedge. Real Assets also create current income as well as the potential for capital appreciation. The Real Assets allocation will be invested primarily in liquid strategies that may include commodities, inflation linked bonds, and global natural resource stocks. (*June 2013 Mtg., Bd. Dec. 249*)

Source: June 2010 Mtg., Bd. Dec. 260; June 2013 Mtg., Bd. Dec. 249

70.010.6. Alternative Investment Structure Guidelines

Hedge Fund Investment Structure: The hedge fund allocation will be primarily invested in a minimum of two diversified hedge fund of funds managers, but direct hedge fund managers can also be considered. In the event of hedge fund of fund managers, leverage will not be permitted at the fund level.

The RI Finance Committee in conjunction with The Rotary Foundation's Investment Committee will review the appropriateness of these strategies through an investment manager search and due diligence process and then on an as needed basis. Provisions, including liquidity and transparency, shall be reviewed and mandates will be deemed appropriate for the Fund's assets on an individual basis. (*January 2012 Mtg., Bd. Dec. 158*)

70.010.7. Derivatives Policy

Derivative instruments are permitted only as specified in this IPS. Where appropriate, investment managers may use derivative securities for the following reasons:

1. *Hedging.* To the extent that the portfolio is exposed to clearly defined risks and there are derivative contracts (i.e. futures and options) that can be used to reduce those risks and achieve other portfolio structural objectives, the investment managers are permitted to use such derivatives for hedging purposes.
2. *Creation of Market Exposures.* Investment managers are permitted to use derivatives to replicate the risk/return profile of an asset or asset class provided that the guidelines for the investment manager allow for such exposures to be created with the underlying assets themselves.
3. *Management of Country and Asset Allocation Exposure.* Investment managers charged with tactically changing the exposure of their portfolio to different countries and/or asset classes are permitted to use derivative contracts for these purposes.

Non-U.S. equity and global bond managers may enter into forward exchange contracts on currency provided that the use of such contracts is designed to dampen portfolio volatility rather than lever portfolio risk exposure. Currency contracts may be utilized to either hedge the portfolios currency risk exposure or in the settlement of securities transactions.

Non-U.S. equity and global bond managers may employ an active currency management program and deal in futures and options within the discipline of that currency management program. The use of futures and options to establish a leveraged position is prohibited.

By way of amplification, it is noted that the following two uses of derivatives are prohibited for the financial assets unless provided an exemption from the Board:

1. *Leverage*. Derivatives shall not be used to magnify overall portfolio exposure to an asset, asset class, interest rate, or any other financial variable beyond that which would be allowed by a portfolio's investment guidelines if derivatives were not used.

2. *Unrelated Speculation*. Derivatives shall not be used to create exposures to securities, currencies, indices, or any other financial variable unless such exposures would be allowed by a portfolio's investment guidelines if created with non-derivative securities. *(June 2010 Mtg., Bd. Dec. 260)*

70.010.8. Rebalancing Policy

The Fund will be rebalanced by Staff any time an asset class reaches the minimum or maximum allocation specified above. Routine cash flows will be used to maintain the allocation as close as practical to the target allocations. If routine cash flows are insufficient to maintain the allocation within the permissible ranges as of any calendar quarter-end, balances will be transferred as necessary between asset classes to bring the allocation back within the permissible ranges. *(June 2010 Mtg., Bd. Dec. 260)*

Source: June 2010 Mtg., Bd. Dec. 260

70.010.9. Diversification

The Fund is to be broadly diversified so as to limit the impact of large losses in individual investments of the Fund. *(June 2010 Mtg., Bd. Dec. 260)*

Source: November 1996 Mtg., Bd. Dec. 151; Amended by May 2003 Mtg., Bd. Dec. 426; June 2010 Mtg., Bd. Dec. 260

70.010.10. Liquidity Needs

Liquidity needs will first be met from unrestricted cash. Should there be insufficient unrestricted cash, the general secretary shall arrange for cash withdrawals from investments to meet spending needs. The source of funds for these withdrawals will be based on rebalancing and cost considerations. *(June 2010 Mtg., Bd. Dec. 260)*

Source: June 2010 Mtg., Bd. Dec. 260

70.010.11. Proxy Voting

The Board has delegated investment management responsibilities to various independent investment managers. The Board delegates the full responsibility to vote proxies to these investment managers and expects each investment manager to vote all proxies prudently and in the interest of the Fund. *(June 1998 Mtg., Bd. Dec. 348)*

Source: November 1996 Mtg., Bd. Dec. 151

70.010.12. Securities Lending

For funds managed in a separate account format, the Fund may not participate in securities lending unless approved by the Board, based on recommendations from the general secretary, or the investment consultant. Any authorization for securities lending in separate accounts must be reported as an information item at the next Board meeting. Commingled funds and mutual funds are exempt from this restriction. (*June 2010 Mtg., Bd. Dec. 260*)

Source: June 2010 Mtg., Bd. Dec. 260

70.010.13. Commingled Funds or Institutional Mutual Funds

In recognition of the benefits of commingled funds as investment vehicles (i.e., the ability to diversify more extensively than in a small, direct investment account and the lower costs which can be associated with these funds) these funds may, from time to time, be utilized. The Board recognizes that it cannot give specific policy directives to a fund whose policies are already established. (*June 2010 Mtg., Bd. Dec. 260*)

70.010.14. Control Procedures

Standards of Conduct for Investment Managers and Advisors

The expected standards of conduct for investment managers and advisors are derived from the CFA Institute Code of Ethics and Standards of Professional Conduct.

Conflict of Interests on Investments and Restrictions on Investments

It is the policy of the RI Board that general officers shall act in a manner consistent with their responsibilities to Rotary International and avoid circumstances in which their financial or other ties to outside persons or entities could present an actual, potential, or the appearance of a conflict of interest or impair the reputation of Rotary International.

Review of Investment Objectives

The achievement of investment objectives will be reviewed on an annual basis. This review will focus on the continued feasibility of achieving the objectives and the continued appropriateness of the IPS. It is not expected that the IPS will change frequently; in particular, short-term changes in the financial markets should generally not require an adjustment in the IPS.

Review of Investment Managers

The RI Finance Committee will review results of all managers at least semi-annually. With a perspective toward three-year and five-year time horizons, the RI Finance Committee will evaluate whether each manager has

1. Performed satisfactorily when compared with the specific objectives for its portfolio
2. Produced results that compare favorably to other investment management organizations managing similar portfolios
3. Exceeded the returns of appropriate market indices
4. Made portfolio management decisions that were reasonable and effective in view of capital market developments
5. Adhered to the relevant policies and objectives

Among the events that the RI Finance Committee will examine closely in its review of investment managers are

1. Poor results relative to objectives over a fairly short period of time (e.g., one year)
2. Poor absolute performance over a three-to-five year period
3. The departure of one or more key investment professionals
4. Violation of an investment guideline
5. Material changes in the manager's organization, such as philosophical and personnel changes, acquisitions or losses of major accounts, a change in ownership or control of the investment management organization, etc.

The RI Finance Committee will evaluate investment managers and events in light of the current situation and other related factors.

In those situations in which RI is utilizing the same managers as TRF, the manager reviews will be done in conjunction with the Foundation's IC.

Review of Investment Consultant

A formal written evaluation of Rotary's investment consultant will be conducted every five years, unless circumstances dictate the need for a more frequent evaluation. This evaluation will be conducted in accordance with Rotary's Policy for Investment Consultant Evaluation. (See *Rotary Code of Policies* section 70.010.18.)

Reporting Requirements

Within six weeks after the end of each calendar quarter, the general secretary and/or the Fund's investment consultant will prepare a report containing information on the investment performance of the Fund in total and for each manager.

Each active investment manager will be required to submit a quarterly report within six weeks after the end of each calendar quarter containing the following information:

1. Review of investment performance (net of fees) for the quarter, fiscal year-to-date (June 30) and since-inception of the account with comments on any policy or strategy changes, which contributed either positively or negatively to that performance
2. The usage of securities lending, if any
3. Where appropriate, the use of any derivative product during the quarter, including information concerning the rationale behind the position and the size of the transaction
4. Comments on any material change in personnel, investment strategy or other pertinent information potentially affecting performance
5. List of the securities in the portfolio at the end of the quarter

On an annual basis, the investment manager will provide Part II of the Form ADV for the most recent year. (*January 2012 Mtg., Bd. Dec. 158*)

70.010.15. Strategic Asset Allocation

Over the long-term, the asset allocation policy will be the key determinant of the returns generated by the Fund and the associated volatility of returns. Based on the Fund’s objectives, circumstances, and spending policy, the Board has developed the following asset mix guidelines:

	Percent of Total Fund		
	Minimum	Target	Maximum
Equity			
U.S. Equities	18%	24%	30%
Non-U.S. Equities	16%	21%	26%

70.010.17. Rotary International General Surplus Fund Investment Guidelines For Cash

Scope

These investment guidelines extend the Statements of Investment Policy for the Rotary International General Surplus Fund (the Fund) and apply specifically to Rotary International's unrestricted and restricted cash.

Distinction of Responsibilities

Treasury and Investment Services will oversee the investments in accordance with these guidelines.

Maturities

1. As the assets in this fund represent the temporary investment of operating funds of Rotary International, a substantial portion of the portfolio will consist of overnight and other very short-term investments.
2. A maximum of 25% of the portfolio may be invested in securities or instruments which have a maturity date exceeding 181 days from the date of purchases.
3. A minimum of 5% of the portfolio should be available each business day. This may be satisfied by maturities or demand features.
4. The weighted average maturity of the portfolio will be limited to 90 days.
5. Floating rate instruments and variable rate instruments must have interest rate resets or potential reset frequencies of 90 days or less, and an expected final maturity or weighted average life not exceeding 18 months from the date of purchase.
6. The maturity of a security or instrument shall mean the date when final payment is due. Instruments, which have a variable/floating rate of interest, shall be deemed to have a maturity equal to the period remaining until the next readjustment of the interest rate or the period until the principal amount can be recovered through demand.

Diversification Requirements

1. Safety of principal, liquidity and marketability should be prime considerations in the selection of individual securities.
2. The total holdings of any one issue may not exceed 10% of the market value of the portfolio, with the following exceptions:
 - a) Sovereign debt issues of AAA/Aaa rated countries and agencies thereof;
 - b) Diversified money market funds;
 - c) Savings accounts at Rotary International's operating banks;
 - d) Fixed term deposits at Rotary International's operating banks.

3. With the exception of sovereign debt issues of AAA/Aaa rated countries and agencies thereof, total holdings of any one industry may not exceed 25% of the market value of the portfolio.
4. All diversification requirements apply at the time of purchase.

Investment Criteria

1. Sovereign debt issues of AAA/Aaa rated countries or agencies thereof.
2. Savings accounts, bankers' acceptances, fixed term deposits offered by the bank where the funds are on deposit.
3. With respect to commercial paper and other short-term obligations, investments and reinvestments shall be limited to obligations rated (or issued by an issuer that has been rated) at the time of purchase in a "Tier One" ratings category by the nationally recognized statistical rating organizations ("NRSROs") followed by the credit committee of the bank where the funds are on deposit.
4. With respect to bonds and other long-term obligations, investment and reinvestment shall be limited to obligations rated at the time of purchase in one of the three highest ratings by the NRSROs followed by the credit committee of the bank where the funds are on deposit.
5. Repurchase agreements 100% collateralized with direct sovereign debt securities of AAA/Aaa rated countries.
6. Money market funds adhering to the quality guideline described above.

Note that if a security held in the fund is downgraded to a quality not permitted herein after purchase, the fund may continue to hold the security if Treasury and Investment Services reasonably believes that the security will mature at par value. (*October 2013 Mtg., Bd. Dec. 30*)

70.010.18. Policy for Investment Consultant Evaluation

A formal written evaluation of Rotary's investment consultant will be conducted every five years, unless circumstances dictate the need for a more frequent evaluation. Such circumstances include (but are not limited to) arising conflicts of interest, consultant staffing instability or failure to meet Rotary's changing needs. The consultant will be evaluated based on the

1. Value added through the consultant's recommendations on

Asset allocation. Specifically, to what extent did the consultant's recommendations on asset allocation strategies maximize investment return while minimizing risk. This criterion will be evaluated by comparing the benchmark returns and standard deviations of those returns of each fund (Annual Fund, Endowment Fund, PolioPlus

Fund, Rotary Foundation (Canada), General Fund, Retirement Fund) at the inception of the relationship to the benchmark returns and standard deviations of those returns of each fund as recommended by the consultant.

Investment managers. Specifically, to what extent did each fund outperform their stated benchmarks over a full market cycle.

Investment policy and manager guidelines. Specifically, to what extent did the policies and guidelines recommended by the consultant stipulate appropriate levels of authority, controls, and reporting, such that the Trustee and Directors were able to fulfill their fiduciary duties with respect to the funds.

Investment manager terminations. Specifically, to what extent did the investment consultant evaluate current investment managers in a timely manner and recommend termination as needed.

2. Quality and accuracy of quarterly investment reports, including performance measurement.
3. Ability to provide specialized studies and reports on specific investment matters.
4. Stability, depth and competency of the firm as well as the individuals staff interacts with on a daily basis.
5. Ability to work and communicate with staff and various committees, as well as responsiveness of the investment consultant.
6. Minimal, if any, conflicts of interest.
7. Experience in working with organizations similar to Rotary.
8. Peer ratings as published in industry periodicals, or otherwise provided by research organizations.
9. Fee structure.
10. Initiative in bringing forward new ideas and keeping Rotary informed of trends in endowment and foundation investment management.

Concurrent with the written evaluation will be a solicitation and evaluation of proposals from other investment consulting firms. The firm retained as Rotary's investment consultant will be granted a five-year contract. (*June 2010 Mtg., Bd. Dec. 260*)

70.020. General Surplus Reserve Policy

Rotary International's general surplus reserve policy is to maintain a reserve at an amount equal to Board-designated funds, plus 85% of the highest level of annual expenses during the most recent three-year period excluding expenditures funded from the general surplus fund and the self-financing expenditures on the annual convention and the Council on Legislation. Board-designated funds are defined as the sum of the convention expense reserve (see section 57.110.3), plus the investment earnings reserve (see section 70.050.), plus any other reserves so designated by the Board. These funds shall be so designated in Rotary International's financial statements. (*June 2013 Mtg., Bd. Dec. 196*)

70.030. Foreign Currency Management Policy

RI has adopted a “Foreign Currency Management Policy” as follows:

1.0 Purpose

1.1 To mitigate foreign exchange exposure wherever possible in order to reduce the unexpected increases and decreases to earnings that are caused by significant fluctuations in currency rates.

2.0 Definition of Exposures

2.1 *Transaction* - transaction exposure is the exposure of balance sheet accounts such as accounts receivable or accounts payable to a change in foreign exchange rates between the time a transaction is booked and the time it is paid. An example of transaction exposure is scholarship payments that are booked at the RI rate when committed, and then charged at the RI rate in effect when the payments are made.

2.2 *Translation* - exposure that arises due to the need to translate foreign financial statements into U.S. dollars. Currency exchange rates from the prior quarter are compared to those of the current quarter and the change in value is applied to the balances held at quarter-end. Month-end non-U.S. investment balances and bank balances are translated.

2.3 *Economic exposure - anticipated* - exposure of anticipated cash flows to unexpected rate changes in the future. An example would be the transfer of funds between the international offices and World Headquarters.

2.4 *Internal exposure* - an intra-company exposure resulting from the use of the RI exchange rate instead of the actual exchange rate. Examples are dues paid in local currency at the prior month’s RI rate but booked at the current month’s RI rate, or program-related expenses paid in local currency and booked at the budgeted RI rate, but paid at the prevailing market rate.

3.0 Goals

3.1 Minimize the need to enter into foreign exchange contracts by effectively managing cash on a global basis.

3.2 Minimize the risk of loss rather than maximizing opportunities for gain that arise from foreign exchange exposures.

3.3 Minimize the transaction costs associated with a foreign exchange risk management program.

4.0 Responsibility

4.1 Centralized control and direction of foreign exchange activities are necessary to ensure an efficient approach to controlling Rotary’s worldwide exposures in various foreign currencies. Accordingly, overall responsibility for management of Rotary’s exposures will reside in the Treasury Department at World Headquarters.

5.0 Authority to Hedge Foreign Currency Exposure

5.1 The Manager, Treasury Department, acting in concert with either the Chief Financial Officer or the Director of Treasury and Investment Services, is authorized to enter into contracts in accordance with this policy to hedge Rotary's foreign currency exposure.

6.0 Policy

6.1 All local currency inflows will be netted against expected local currency outflows. Any net excess currency will be transferred from the local bank account into another currency that is needed. Currency should be maintained in local bank accounts only if: (1) required to meet near-term local Foundation program expenses or operational expenses of the international offices, or (2) currency restrictions prohibit the transfer of funds.

6.2 Due to the risks associated with using forecasted numbers, anticipated exposures such as expected transfers from the international offices, will not be hedged 100% unless hedged through the use of foreign currency options. In general, Rotary will attempt to hedge up to 75% of an identified foreign exchange exposure, any particular transaction, or a series of related transactions which have an impact on the Statement of Activities, or cash flow.

6.3 Translation exposure may be hedged but only if the funds will not be utilized locally and currency restrictions prohibit the transfer of funds.

6.4 Any action taken to protect against foreign exchange risk must be economically justified.

6.5 Hedging techniques will be applied only to offset or eliminate an actual or anticipated exposure and not to create a speculative exposure that did not previously exist.

6.6 Foreign exchange instruments that can be used to hedge Rotary's currency exposure include forward contracts, foreign currency options, and combinations thereof.

6.7 To control counter-party risk, Rotary can enter into foreign exchange contracts to hedge Rotary's currency exposure only with financial institutions that have public debt ratings of A or better from either Moody's or Standard and Poor's.

6.8 Financial instruments may be used to cover future periods of 1 to 365 days (12 months). Any use of financial instruments beyond 12 months from the date of execution of the financial instrument must have prior approval from the Chief Financial Officer.

6.9 It is the responsibility of the Manager, Treasury Department, to maintain exact records of all foreign exchange transactions. Further, it is his or her responsibility to document all transactions and to inform all departments that have a requirement to record or need to know of such transactions.

7.0 Procedures

Global Cash Management:

7.1 Excess Pounds Sterling received from RIBI or the Rotary Foundation of the United Kingdom will be transferred to World Headquarters at least quarterly.

7.2 Excess Japanese Yen will be transferred to World Headquarters at least monthly.

7.3 Excess Korean Won will be transferred at least bi-monthly.

7.4 Excess Euros will be transferred to World Headquarters at least quarterly.

7.5 Excess Canadian Dollars will be transferred to World Headquarters at least quarterly.

7.6 Other local currency balances will be monitored on a regular basis. The Treasury Department will instruct international offices and fiscal agents to transfer excess funds.

7.7 The above cash management procedures can be modified as needed.

Foreign Exchange hedging:

7.8 In executing this policy, the Director of Treasury and Investment Services, and the Manager, Treasury Department, will analyze each exposure to be hedged and will utilize their technical expertise and prudent judgment in determining the following:

- when to place the hedge
- what percentage of the exposure to hedge
- whether the entire desired hedge percentage should be placed at one time, or over a period of time
- what type of hedging vehicle to utilize
- when to unwind the hedge, if appropriate
- how far into the future the hedge should be placed

7.9 The appropriate hedging strategy will be based on:

- time horizon until exposure is recognized
- volatility of the currency
- expectation of future exchange rates
- acceptance range for currency fluctuations
- Rotary's aversion to risk
- reliability of the data used
- cost

7.10 In contemplating the placement of a hedge, Treasury will review the accounting treatment with the Controller prior to entering into a hedging contract. This will assure that there are no unfavorable accounting impacts encountered with the hedge.

7.11 The Treasury Department may seek bids for any hedging contract where the U.S. Dollar equivalent is less than \$1,000,000. All contracts where the U.S. Dollar equivalent is \$1,000,000 or more must be competitively bid. In so doing, the lowest cost option for Rotary will be selected.

7.12 On an ongoing basis, the Director of Investment and Treasury and the Manager, Treasury Department, will continue to review Rotary's business operations with the goal of identifying foreign exchange exposures. From there, a hedging strategy, if appropriate, will be formulated.

GLOSSARY

Economic exposure - This exposure refers to potential real economic loss due to currency rate fluctuations. It includes translation exposure and transaction exposures in a pure account sense, as defined by FASB #52, as well as exposures not highlighted in the financial statements. This would include commitments of Rotary not yet recognized as transactions under FASB #52. Also, economic exposure includes future anticipated cashflows such as contributions and dues. Such exposures may be subjected to real economic loss should foreign currency values decline. However, because these exposures are projected, traditional accounting statements do not recognize their existence. Hedges of economic exposure are typically recognized on accounting statements and therefore may impact the Statement of Activity while not being offset by underlying exposures.

Foreign exchange rates - the equivalent number of units of one currency per unit of a different currency. There are two ways to quote foreign exchange rates: the U.S. dollar equivalent of a unit of the foreign currency, or the amount of the foreign currency per U.S. dollar.

Hedging - refers to the reduction or elimination of risk through the use of forwards, futures or options. Hedging may entail giving up some opportunity gain in order to reduce risk.

Hedging vehicles:

- *forward contracts* - A forward contract is a contractual obligation to buy or sell a specific amount of foreign currency at a specific price for delivery at a future date. The forward contract price (rate) is determined by the interest rate differential between the two currencies involved. Forward rates are quoted at a premium or discount to the spot or current rate depending on the interest differential rate between the currencies involved.
- *options* - A currency option is the right, but not the obligation, to buy or sell a predetermined amount of currency, at a specific exchange rate for a specific date. An up-front fee, the premium, is paid for this right. A PUT is the right, but not the obligation, to SELL a currency at a predetermined rate. A CALL is the right, but not the obligation, to BUY a currency at a predetermined rate.

Spot rate - current market rate of currency.

Transaction exposure - arises whenever a company commits to pay or receive funds in a currency other than its functional currency.

70.050. Budgeted Investment Earnings and Investment Earnings Reserve

The investment rate of return assumption used for the budget and five-year financial forecast will be determined annually based on the status of the investment earnings reserve and current financial market conditions. The RI Board has established an investment earnings reserve. If in any year investment earnings are less than budgeted investment earnings, any shortfall will be funded from the investment earnings reserve fund as a transfer of Board-designated funds. If in any year investment earnings are greater than the budgeted investment earnings, that excess will be transferred to the investment earnings reserve fund, subject to a maximum reserve of US\$12 million. Any transfer from the investment earnings reserve is to provide for any shortfall in investment earnings and is not for the use of additional general operating expenses. (*June 2009 Mtg., Bd. 72.010.1. Risk Management Guidelines for Rotary Institutes

1. Before entering into any contracts or other formal agreements to secure meeting accommodations and services, the convener should have legal or insurance counsel review any sections referring to indemnification and liability for injury or damage to the persons and property of others.

2. Any requests from a venue or service provider to provide indemnity from RI for our acts should be carefully reviewed. One concern is RI's responsibility for physical damage to buildings at the venue due to negligence on the part of RI or an institute participant. RI's liability could potentially result in a multi-million dollar expense if not addressed. If possible, RI's responsibility for such damage should be limited in the contract to an amount not greater than \$5 million and the venue's insurer should agree to provide a waiver of their subrogation rights. This is not unreasonable given that RI is paying a fee for use of the venue and this fee indirectly funds the cost of their insurance.

3. Service providers should be required to provide evidence of the insurance coverage they maintain and, ideally, this requirement should be specified in any contracts with them. This practice is commonplace in the USA and is becoming more widely used outside the USA in recent years.

4. Another potential source of catastrophic risk exposure is the area of transportation. Whenever possible, institute organizers should have participants purchase transportation services directly from the providers. If this is not possible for a particular institute, ensure that there are formal contracts in place for all transportation service providers that include an indemnity provision and insurance requirements. In addition, insurance certificates should be requested and carefully reviewed.

5. Institute organizers should carefully review any required rules or operating procedures that are required by venue management. These rules will often provide information on laws in the country which may be pertinent to institute participants or may be a great resource for "best practices" in that particular facility for safety and risk management. It is in the best interests of Rotary for institute organizers to understand the venue's rules and ensure that our organization does not introduce hazards in the course of our event. It should also be noted that venues may be able to assess fines or other penalties to organizations violating their requirements.

6. In the event that the institute plans to pay the expenses of institute speakers or other participants residing outside the host country, the issue of travel medical and accident insurance should be addressed. Many standard medical insurance plans do not fully respond to costs incurred outside one's home country, and it is rare for any plan to include medical evacuation and repatriation benefits. Evacuations can involve the need for medical personnel while in transit and private aircraft or other specialized equipment, which may cost tens of thousands of dollars. *(June 2002 Mtg., Bd. Dec. 273)*

72.010.2. Risk Management for Travel Operations

Whenever general officers, incoming general officers and senior staff personnel of RI travel as a group, by air or ground transportation, they shall travel in more than one group, each group to be transported separately. The president and general secretary are authorized to approve exceptions to this policy as appropriate after consideration of the risks involved to the organization. *(June 1998 Mtg., Bd. Dec. 348)*

- 1) RI will maintain a policy of general liability and directors and officers/employment practices liability insurance, with limits deemed appropriate by the general secretary, protecting RI and clubs and districts located in the U.S. and its territories and possessions. Each club in these regions must participate in the program.

- 2) The general secretary shall have authority to negotiate participation in the program on either a primary or an excess basis with clubs that have unique insurance risks, including but not limited to clubs that possess all of the following risks:
 - Permanent, full-time employees;
 - Ownership of real property with substantial acreage;
 - Services provided to persons with physical and mental disabilities on this real property.
- 3) Each club covered by this policy will be billed annually an amount sufficient to pay for the insurance coverage and related administrative expenses. The amount billed each club will be based on membership statistics stated in the semiannual reports. The general secretary may vary the amount billed to clubs in different areas within these regions based on independent actuarial studies.
- 4) The general secretary will develop appropriate policies and procedures for implementing and administering the policy, including mechanisms for communicating with clubs and districts regarding their participation. (*November 2009 Mtg., Bd. Dec. 99*)
